

Grief Hope and Healing Support Group

The Church of the Resurrection Grief, Hope and Healing Team has a Monthly Support group meeting on the first Friday of the month at 6:00PM Halfmoon Town Hall. We also offer a more intense program twice a year.

Who should come to a Grief Hope and Healing Meeting ?

If you have suffered the loss of a loved one whether it be recently or years past and would like to meet with a team of people who are compassionate and have been through this experience, you are in the right place. We meet monthly to support and encourage.

What should you expect ?

We will discuss the grieving process as it relates to your experience and offer tools to help you cope. We are here to listen and provide support. A light dinner will be included.

How do I sign up?

1. Email: Church@crsaratoga.org OR
2. Mail registration form to:

When a Loved One dies

Whether it's a close friend, spouse, partner, child or other relative, the death of a loved one can feel overwhelming. You may experience waves of intense and very difficult emotions, ranging from profound sadness, emptiness, and despair to shock, numbness, or guilt.

Bereavement isn't limited to emotional responses, either. Grief at the death of a loved one can also trigger physical reactions, including weight and appetite changes and difficulty sleeping. The level of support you have around you, your personality, and your own well-being can all play a role in how you work through your grief process.

No matter how much pain you are in right now, it's important to know that there are healthy ways to cope with the anguish and come to terms with your grief. While life may never be quite the same again, in time you can ease your sorrow, start to look to the future with hope and optimism, and eventually move forward with your life.
