Personal Statement:

My name is Jaedan Pohlman and I hope to play softball in college. I have been playing softball since I was 5 years old and I have loved every second of it. I am a primary 3rd baseman with a lot of experience in the outfield and catching, with a level of experience at 1st base. I am very hard working on and off the softball field. I work hard in school, especially with straight a's in my first semester in high school. I am dedicated to this sport and I will do whatever it takes to get myself where I want to be. I am a great teammate and I love all of the girls I have a privilege to call my sisters. I can't wait to see how far I can take myself with this sport.
