- Perfect Attendance Award
- Scored the most points on High School Basketball Team
- Player of the Tournament - West Coast Jamboree, Basketball
- Played three years of Baseball All Stars

"I am a Junior at Encinal High School in Alameda. I made a transition to Softball during my Freshman year of high school. I played the summer before my freshman year, but up until then, I had played baseball my entire life. I played at some of the highest levels in baseball, all throughout elementary and middle school and occasionally during high school. I competed with boys of all ages for many years and excelled in all levels. I also have played basketball for most of my life and competed in all the best levels as well. I've played in big tournaments, traveled the world and won Nike nationals my eighth-grade year. I currently still play AAU for Cal stars. During my Freshman year of high school, I received a First- team, All-league award for both Softball and Basketball. I also received a perfect attendance award. During my Sophomore year, I also received First Team, All League award for both Basketball and Softball. During my Basketball season, I was promoted to Team Captain and received an MVP award from the league and my school. My high school team for Softball made history this previous season, as we made it to the NCS championship game. I received an All-metro player award as well as a First team, All state award. I also lead my team in batting average, fielding percentage, on base, hit and RBI's. I batted 0.583 my freshman season and 0.500 my sophomore season. I do well in the academic area as well. I mainly maintain A's and B's and have around a 3.3 GPA."
