## Personal Statement:

Hi, my name is Liberty Boyd and I have been playing softball for 6 years. My love for the game developed throughout the years of watching my brother's playing baseball when I was growing up. I am from a small town and am a family girl, who loves to spend quality time with my loved ones. I am a multi-sport athlete, and currently playing softball as well as volleyball (school league). I have played Soccer, Basketball and participated in Competitive Dance. I know that to be successful I have to put in the hard work and be dedicated to not only sports but school as well. School is very important to me, getting the grades makes me feel accomplished and successful. I hope you have learned a little bit about me!
