“Softball has impacted my life not only on the field but off the field. Since I was 6 years old, I have been learning life lessons and challenges. I have learned to manage time with softball and work together with a team. I have met so many of my good friends on the field which has made my experience memorable. Softball is one of the biggest influences in my life and continues to be every day. No matter what the future holds, I will forever have the life lessons, friends, and memories that softball created.”
