Personal Statement:

I've been interested in pursuing a college education and playing at the collegiate level ever since I began pitching at the age of eight years old. To accomplish this, I maintain a 4.0 GPA and remain involved within my student leadership and spirit classes. So1ball has not only taught me how to be a skilled athlete but a well-rounded person off the field. So1ball has given me the privilege of meeting and building relationships with many other athletes during my journey.
