“Softball has always been my favorite sport to play. I have been playing since I was about 6 years old. I started out catching and playing outfield and first base. I love to compete. I love the challenges the game brings you. I've been able to play with longtime friends and have met new ones who have helped make the game even more fun to play. Team work makes dream work. Outside of ball, I enjoy hanging out with friends and family and cuddling with my pooches.”
