“My name is Stacy Flores, and I am a Senior at Liberty High School in Brentwood, CA. My hobbies include playing softball here on the Choppers 18u team. Although my main goal is to reach a college at a level that is competitive and high in the understanding of medicine. Given that my future includes a goal of becoming a Pediatric Surgeon. May the grace of God determine that path, though I plan on focusing strictly on medicine throughout college. A door may open, or draw my attention for college ball, though it must be suitable in accomplishing my primary goal.”
