Native and Non-Native Plants

Pollinator-friendly plants, native plant planters, herb planters, perennials, annuals, flower baskets, and more!

All at inflation-busting prices far lower than commercial garden centers.

Cash only.

In conjunction with the **Fourth Annual Marlton Garden Tour**, focusing on *sustainable gardening & the use of native plants in the suburban landscape.*

Jointly sponsored by the Evesham Green Team, The Garden Club of Marlton, The Native Plant Society of New Jersey, Marlton Lakes Wildlife Habitat Community, and Wild Ones Southern New Jersey.
