Thank you marshals and admin team. So windy and showery for you today.

Awesome day, my first ultra and it was an excellent choice of event to test myself and enjoy the beautiful Lincolnshire coast. A huge thank you to all the volunteers and event team out on the course, the weather was wild, but your support was super. Thank you also to my fellow participants, the supportive atmosphere on course was inspiring 🍌🍌

As a Marshall, I would like to say a big THANK YOU to the organisers for making me feel so welcome, and for looking after me so nicely on the day. This was my first time volunteering with Curly's, and it won't be my last. Finally, thank you to all the wonderful runners who expressed their gratitude towards me. A superb event all round, well done!

Thank you for a fantastic event, my first (and last!) marathon. As a walker it was great to be able to take part in a marathon with amazing staff, volunteers and fellow participants who were all very supportive and friendly. The fab aid stations were always well stocked for those of us bringing up the rear! 🍌

Thank you for such a well organised race. It was a really challenging race in so many ways, but it was such a great set up and I really appreciated all the support. I am so impressed by everyone that stuck out the weather to help the runners and of all the runners that stuck it out too. Looking forward to the big school run in August. I am expecting it to be just as good as this one.

Thanks for a great event. Legs are feeling suitably achy and I'm sure will be worse in the morning. Enjoyed most of it and definitely a good first event to be back to marathon distance. I may be seeing you in Worksop if I want to ruin my holiday on the Monday after 🤔

Cracking day. Thanks to all x ❤️

Thank you for an awesome ultra marathon, when is next year's entries open ? 🇬🇧 🇬🇧 🇬🇧

Woke up today with sore legs but a happy mind.

Thank you for a fabulous event, I enjoyed every second of the marathon (including the extra 2km!) and the aid station snacks were on point! Marshall's and volunteers were all so friendly even when I was shouting 'have you got coke?' at them as I approached 🤪

I loved the mixed terrain and the wonderful sea air.

Who knows, maybe I'll be back next year for tge ultra?!

Thank you [Curly's](#) for a fantastic day 🙌

First (and last 🤪) marathon, dream became reality, one thing ticked off the "bucket list" memories to treasure forever and really well organised event!
