1 Credit

## Be a Community Ambassador

- Research a local charity and find a way to support them. Write about who they help and how you helped them. A cake sale, donations to their shop etc

2 credits

- Do a litter survey with an adult and record all the things you see. Design an anti litter poster and send both to your local councillor and ask them to help to keep your community litter free.

2 credits

## Be A Children's University Ambassador

- Visit an interesting place and recommend them as a CU Learning Destination , Complete and send us one of our recommendation forms and we will contact them

2 Credits

We hope you are already enjoying collecting time in your Passport to Learning and that these ideas will inspire you to try even more activities over the summer.

If you do not already know about Children's University, you can find out more here [Once you have chosen a challenge, discuss your ideas with an adult and agree where you might need any help.](#)

You must provide some evidence that you have taken part in the activity.

For example you could take a photograph, write a diary, make a voice or video recording or take some examples into school or email [newforestcu@gmail.com](mailto:newforestcu@gmail.com) with your evidence .

You might like to include the following in your evidence:

- ❑ When did you complete the activity?
- ❑ Who were you with?
- ❑ What was the easiest/most difficult part of the challenge?
- ❑ Would you do anything differently if you did it again?
- ❑ What would you like to do next?
