

# New Forest Children's University February Half Term Challenge 2019

## Become a Green Ambassador - Connect

### RSPB WILD CHALLENGE

The RSPB is an official Learning Destination for the Children's University™ Passport to Learning.

The Wild Challenge is a CU Learning Activity and earns you passport stamps. For every award level of the Wild Challenge you complete, you'll receive a sticker worth 6 hours to add to your passport

### Reducing Single-Use Plastics Challenge

The importance of reducing single-use plastics has been in the news a lot recently—find out more about the reasons why. Next, choose at least one way in which you (and/or your household) could reduce your use of single-use plastics. For example, you might ditch single use plastic straws, switch from disposable water bottles or use bags for life, etc. Make a pledge to yourself, then choose a way to show us what you've chosen to do.

eg: Design a poster to show what ideas you have for reducing single use plastic at home or school.

**2 CU Hours**

## Become a Green Ambassador— Enhance

**Take part in environmental volunteering activities such as litter picks and beach cleans.**

Think about an area in your school or near your home that you think could be tidied up. Make a plan on how you could get this done. Talk to your class/teacher about taking part in The Great British Spring Clean between 22nd March to 23rd April.

Make a list of people in your community who might help you or might be running a tidy up (Girl Guides/Scouts/ Local Councillors) and write a letter asking for help or offering your support.
