I give permission for my child to participate in aquatic activity. My child is in good health and physical condition, and is not suffering from any condition that would prevent them from engaging in this activity. I have read and agree to the Important Lesson Information page that was given to me. Pre-payment of the registration fee of \$60 for one or \$90 for two is required. There is a \$30 registration fee for returning students annually. Weekly payments are due the first day of lessons and the last week of lessons is paid in advance.

## Important Lesson Information

**Payment** - weekly fees are payable by check (payable to Lil' Swimmer Aquatics), cash or PayPal. The last week of lessons is paid in advance at registration. Payment is due in full every Monday & is nonrefundable. If it is raining hard or lightning in the area, I will not swim your child. I will make every effort to contact you ahead of time to cancel the lesson. Friday will be a weather make up day if necessary. If I can not teach on Friday because of weather or other you will be credited towards the next week. If you can not make it you will not be credited. Those in 2 days will also be rescheduled on Friday for make up but priority will be given to new students in the 4 day. Friday will not be a make up day if you can not make your M-TH time. \_\_\_\_\_ **Initial**

**Time Schedule** - You should arrive at the pool 5 minutes before your time slot and have your child ready for lessons at his/her scheduled time. My schedule is very full and a lesson cannot be guaranteed if you are not ready on time. Out of respect for all parents/students, if you show up 5 minutes late for a lesson, you may have a shortened lesson on that day. \_\_\_\_\_ **Initial**

**Attendance Policy** - Consistency is crucial when learning survival swimming skills. Bringing your child every day will increase the rate of progress and retention of skills. **Lessons are not pro-rated and you are required to pay for all scheduled lessons.** If your child will miss due to vacation or other planned absence it must be scheduled at least the week in advance. Remember you are paying for a time slot and it is important that you strictly adhere to the attendance policy as there is most likely another student waiting for your child's time slot. It is important for you to make a commitment to your child's lessons, which means maintaining a consistent schedule whenever possible. If you need special arrangements, please feel free to discuss it with us. \_\_\_\_\_ **Initial**

**Attire** - Children that are not potty-trained must wear 2 swim diapers (cloth preferred). 2 layers of protection must be worn at all times when in the pool. A swimsuit may be worn over the 2 forms of protection but does not count as a layer. Parents will be asked to join your child in the pool if you want to. However, you will not be expected in the pool on a daily basis unless requested by me, since a relationship between instructor and child is an important dynamic in early lessons. \_\_\_\_\_ **Initial**

**Diet** - For children under the age of 3 no eating or drinking anything 1-1/2 hours prior to lessons. For children over 3 it is recommended to not eat at least 1 1/2 hour's prior but having liquids such as water are not a problem. No dairy products for 2 hours prior to lessons and fibrous fruits & vegetables tend to be more of an issue. \_\_\_\_\_ **Initial**

**Sibling/Child supervision** - Please keep all children that are not having a lesson seated quietly next to you. Do not allow them in or near the water. It is distracting (not to mention unsafe) to the instructor and student if other children are running around, or trying to play in the water. Unfortunately due to liability insurance we are not able to let children play on playground equipment on premises. You are responsible for your child's well-being while in your care. \_\_\_\_\_ **Initial**
