# BIRTHDAY PARTIES

## TIME TO PARTY

After greeting our new chocolatiers in training, our staff assists the young chefs as they wash their hands and put on their aprons. Then we gather in our kitchen for a run down of the menu specials of the day.

First up on the menu...Chocolate Pizza! Each child is given a rice crispie "dough ball" that they roll out on a plate to make their "pizza crust". Then they spread melted milk chocolate "pizza sauce" onto their crust. Next up...lots of pizza toppings!!! Fun stuff like, gummie bears, sour patch kids, sixlets, gummi worms, chocolate chips, swedish fish etc... Let's not forget the "parmesan cheese" shakers filled with rainbow sprinkles and lots of "mozzarella cheese" melted white chocolate in squeeze bottles.

## CHOCOLATE TIME

Next up... we move on as a group to make the Ultimate S'more, Smiley Face Oreos, Dipped Marshmallows and Chocolate Dipped Pretzels. Each of our newly trained chocolatiers will receive a box to pack up and take home their delicious goodies to enjoy later with their families.

When the candy making is done...we play candy bingo for sweet prizes, then the kids enjoy hot dogs, chips and a water bottle. Homemade cheese pizza is available for \$ 1 extra per child.

## CAKE TIME

When you book your party, be sure to order a specialty decorated sheet cake or individual cupcakes! After enjoying cake, you may use the remaining time to assist the birthday child with opening their presents. We will supply a pre-printed birthday gift list to help you keep track of your child's gifts... makes those thank you notes that much easier!!! At the end of the party, each child leaves with their box of chocolates, a balloon and a sucker.

To maintain a schedule, parties need to start and end on time. The candy making is done as a group so...please ask your guests to arrive 10 min early to insure that no child misses out on making any of their goodies. Due to space restraints, we can not accommodate any children that are not part of the party. For comfort and safety...we recommend flat non slip shoes, no jewelry on fingers or wrists and ponytails for girls with longer hair. This is a hands on activity that can get a little messy... the kids really get into their candy making, so just keep that in mind :)
