

March 10

Composing & Gardening
Go Green Winnetka's Founder Liz Kunkle speaks on recycling & composting... how to get started, what might help your gardens, and information on simple steps towards protecting our environment.

April 14

Gorgeous Containers with Amy Swartchild. You've seen her floral design at housewalks and her heirloom veggies at the farmers market. Learn tips from a pro, on creating economical, and fabulous containers to get ready for summer!

May 12

Chestnut Street Flowers

Winnetka Weeders' own Allison Cassato, owner of Chestnut Street Flowers, welcomes us to her shop! See her floral artistry in process and pick up some floral design pointers along the way!

June 9

Cooking with Veggies
From your garden or the farmers market, veggies are a summer delight! Dietician Lori Bumbaco of NorthShore HealthSystems leads a cooking demo with steps to healthy & delicious eating.

July 14

Butterflies in Our Gardens
Meet at the library where Robin Lindblad, guide at the Botanic Garden's "Butterflies & Blooms," shares insights on butterflies. Then walk to Dwyer Park to view them!

September 8

Beekeeping Field Trip!
Road trip to Lake Forest to visit Bob Barnett, amateur beekeeper who's been tending bees for 50+ years. Learn their science, history & ecosystem significance.

October 13

Evening Social 7-9pm
Gather at Tippy Paint for a ladies night out. Friends, wine & paint! Follow Tippy Paint session leader in creating your own floral "masterpiece!"

November 10

Tablescapes
Back by popular demand! See creative arrangements from your fellow members and pick up great ideas for holiday entertaining.

December 8

Holiday Tea
Our gardens are asleep, so let it snow! Weeders gather for the annual Holiday Tea to celebrate the season.

No Meeting in August this year.
