Prophetic Voice For The Month of October 2017

It Shall Be The Month Of The Unprecedented Presence Of GOD

The resurrection of the Son of God was the unique event whereby man was elevated into the position of oneness with God. Man now forms an integral part of the body of Christ. The entire body of Christ is linked up to the Head in which is found the GodHead.

“The life of My body,” says the Lord, “comes from me who is the Head. There remains a bond that cannot be divided between Me and My body. My body cannot live for a split second without Me. Where I Am, My body is also. Just as the natural body cannot live without the head, so also it is with My body. When My children will grow with this understanding, they will walk with, in, and as My presence. Amen”
