

## **GARDEN OF LIFE/FULLNESS OF THE SPIRIT INT'L MINISTRIES**

**THE PROPHETIC VOICE FOR THE MONTH OF DECEMBER 2017**

**IT SHALL BE THE MONTH OF OUR ONENESS WITH THE LORD JESUS**

**“The journey of Life and its greatest quest is to find out one’s true self. By My Spirit, King Solomon declared that the life of man is empty and that his ultimate end is vanity upon vanity. This truth remains in the unregenerated mind that has not come under the authority of My Word.”**

**“Every man before My coming to the earth,” says the Lord, “was created with this emptiness which could only be satisfied by Me. I am the Life of Man and I am man's true self from within. To deny your oneness with Me, is to embrace a life of emptiness. Many see no meaning for their existence because they have not seen Me in them.”**

**“I ordained the year 2017 for you to come to the conclusion that life without Me is useless. Now you know better. I will take you along to 2018. I have something new about Myself. Give thanks to Me. Amen!”**
