# OOCIA Meeting Update

There was good turnout by residents at the March 11 Board meeting. Positive comments were made about new signs set out at key entrances as reminders about the meeting. You'll regularly see these signs, as Board meetings are now scheduled for the second Wednesday of each month.

A streetlight review was conducted and is under way to assess potential areas for improvement. Shelton Mitchell of Centerpoint presented an overview of traditional and new LED streetlight options. Pros and cons of LED retrofits were discussed, particularly the actual "savings" aspect.

Many topics were covered during the open question and answer period held at the conclusion of the general meeting. Concerns about deed restrictions, suspicious activity,

architectural control and missed trash pickups were introduced by residents. Bert Williams of ACMI Management addressed questions and provided advice on what residents could expect or initiate for particular situations.

As fellow residents, we are all empowered to effect positive change, but it takes sustained individual and collective efforts, patience and follow-up. For sensitive situations requiring attention, please make the critical upfront effort to compile evidence with date-time stamped images/video and fully document it in writing to facilitate action. Forwarding this to ACMI will expedite our ability to take allowable steps, initiate actions and/or enlist external support as necessary.

Residents are invited to attend and participate in a Q&A session held after the general meeting.

For specific property or account concerns, contact ACMI at 281-251-2292 or [info@ACMIgmt.com](mailto:info@ACMIgmt.com).

Our April book is *From Barefoot to Billionaire*, by Jon M. Huntsman, Sr. We haven't read a biography or autobiography for some time, so this is a very good choice. I have read this book already and found it to be an amazing story by an amazing man.

In this memoir, Huntsman touches on the key moments in his life that shaped his views of faith, family, service, and the responsibility of wealth. He writes about his role in the Nixon administration, which preceded the Watergate scandal but still left a deep impression on him about the abuse of power and the significance of personal respect and integrity. He also talks about his devout faith and prominent membership in The Church of Jesus Christ of Latter Day Saints. A major part of the book reveals the financial deals and financial acumen

he possessed to build his fortune. He tells about the rationale behind his commitment to give away his entire fortune before his death. During his life he has had many medical problems, including cancer, and has been motivated to do all he can to win the battle of conquering cancer. In Salt Lake City – his home – he and his wife, Karen, founded the Huntsman Institute for the treatment of and research of cures for cancer. You may have seen ads on television showing this extensive complex which certainly filled a void in cancer treatment in the western United States in 1955, the year of its founding. This Institute is the largest cancer research center in the United States and was funded by more than a billion for his personal fortune.

Jon M. Huntsman, Sr. is a graduate of the Wharton School of the University of Pennsylvania where he has served as the Chairman of the Board of Overseers for the past two decades and was Executive Chairman and founder of the Huntsman Corporation in 1970.

# TRAFFIC SIGNS aren't Bulletin Boards

When soggy illegible flyers and tape residues accumulate on traffic signs (such as stop and speed signage), a very negative impression about our neighborhood is conveyed. It is also against local ordinances. Please use technology for an easier, quicker and more effective method to get the word out about lost or found pets, items for sale, etc.

## Pedestrians

- Be visible at all times. Wear bright clothing during the day, and wear reflective materials and/or use a flashlight at night.
- Never assume a driver sees you. Make eye contact with drivers as they approach you to make sure you are seen.
- Keep alert at all times. Don't be distracted by electronic devices that take your eyes and ears off the road.
- Be predictable. Follow the rules of the road and obey signs and signals.
- Walk on sidewalks whenever they are available. If there is no sidewalk, walk facing traffic and as far from traffic as possible.
- Cross streets at crosswalks or intersections whenever possible.
- Look for cars in all directions – including those turning left or right.
- Watch for cars entering or exiting driveways, or backing up in parking lots.

# HCSO CPA

HARRIS COUNTY SHERIFF'S OFFICE

## Citizen's Police Academy

The HCSO's Citizen's Police Academy (CPA) is a once-a-week, 13-week program designed to give Harris County residents a working knowledge of the Harris County Sheriff's Office, including police procedures and protocol.

Through the CPA's interactive courses, participants learn many aspects of law enforcement, such as the Texas Penal Code, patrol procedures, gang awareness, terrorism and many other topics. Residents will gain a better understanding of how police services are conducted in their communities and see "how and why" deputies make some of their decisions in the course of their duties.

Graduates of the CPA play a vital role in their community by improving communication between citizens and law enforcement and by providing local input and support throughout the county.

The CPA is free and enrollment is open to qualified individuals. Applicants must be at least 21 years of age and reside in Harris County. A thorough background check will be conducted on each applicant.

Residents interested in participating in the CPA must fill out and mail an application. For more information, please contact the HCSO's Community Services Division at 713-759-9454 or visit [www.harriscountysoc.org/citizens\\_police\\_academy.aspx](http://www.harriscountysoc.org/citizens_police_academy.aspx).

## HOME SECURITY REVIEW

### Schedule Your Free Appointment Today!

The HCSO's Crime Prevention Unit conducts free home security inspections for a possible 5% discount on your homeowner's insurance premium. In order to qualify, your home must meet requirements that are listed on their downloadable application found at [www.harriscountysoc.org/home\\_security\\_inspection.aspx](http://www.harriscountysoc.org/home_security_inspection.aspx).

When your home meets the requirements, complete the form and mail it to the HCSO address indicated. Upon receipt, an HCSO deputy certified to conduct the inspection will contact you to make an appointment. If your home passes the inspection, the results will be forwarded to the Texas Department of Insurance who will then mail you a certificate. That certificate should then be mailed to your homeowners' insurance agency for the discount.

- Conducted by a Sheriff's Deputy in the resident's home.
- Hardens the home and neighborhood against burglars.
- Keys off the Sheriff's checklist of home security items.
- Resident and deputy identify the best deterrents with the highest likelihood of resident implementation.
- Initial results very positive.
- Plan kept by the resident for implementation.

You may contact the Harris County Sheriff's Office Crime Prevention Unit at 713-759-9454, Monday through Friday between the hours of 8 a.m. and 4 p.m. "Home Security Review" does not replace the "Home Security Inspection."

# Klein Volunteer Fire Department Safety Tips

## Portable Fire Extinguishers

A portable fire extinguisher can save lives and property by putting out a small fire or containing it until the fire department arrives, but portable extinguishers have limitations. Because fire grows and spreads so rapidly, the number one priority for residents is to get out safely.

- Use a portable fire extinguisher when the fire is confined to a small area, such as a wastebasket, and is not growing, everyone has exited the building, the fire department has been called or is being called, and the room is not filled with smoke.
- To operate a fire extinguisher, remember the word PASS:
  - **Pull** the pin. Hold the extinguisher with the nozzle pointing away from you, and release the locking mechanism.
  - **Aim** low. Point the extinguisher at the base of the fire.
  - **Squeeze** the lever slowly and evenly.
  - **Sweep** the nozzle from side to side.
- For the home, select a multi-purpose extinguisher (can be used on all types of home fires) that is large enough to put out a small fire, but not so heavy as to be difficult to handle.
- Choose a fire extinguisher that carries the label of an independent testing laboratory.
- Read the instructions that come with the fire extinguisher and become familiar with its parts and operation before a fire breaks out. KVFD offers hands-on fire extinguisher trainings.
- Install fire extinguishers close to an exit and keep your back to a clear exit when you use the device so you can make an easy escape if the fire cannot be controlled. If the room fills with smoke, leave immediately.
- Know when to go. Fire extinguishers are one element of a fire response plan, but the primary element is safe escape. Every household should have a home fire escape plan and working smoke alarms.

# YARDS *of the* MONTH

We're off to a good start! Many residents have gotten busy beautifying their yards after the long, unpredictable winter, and the bright spring colors evident at our March YOM winners' and other yards are a very welcome and cheery sight!

The purpose of the Yard of the Month is to highlight addresses which enhance our entire community with their exceptional yards. Four winners are selected to proudly display a Yard of the Month sign in their yard for the entire month, pictures included in the OOCIA newsletter and in color to our website at [www.oocia.org](http://www.oocia.org). You are invited to nominate addresses for Yard of the Month consideration by emailing ACMI at [info@acmimgmt.com](mailto:info@acmimgmt.com) (Attention: Yard of the Month, Beautification Committee) a few days before the 1st of each month.

# THE TEXAS *Repertory* THEATRE CO.

## Acclaimed *Shadowlands* Revived in Greatest Hits Season

The Texas Repertory Theatre Co., Houston's uptown classic theatre, continues its tenth anniversary "Greatest Hits" Season with a new staging of William Nicholson's inspiring drama *Shadowlands*, the true life story of author CS Lewis, playing four performances a week from March 20 through April 12.

The life of famous British author and scholar CS Lewis is the basis for William Nicholson's inspiring play of love, family, and faith. The renowned author of *The Chronicles of Narnia*, *The Screwtape Letters*, *Mere Christianity*, and *The Great Divorce*, Lewis was an intellectual giant, and generally accepted as one of the greatest writers of the 20th century. As his carefully guarded academic world is challenged by his friendship with the outspoken American poet Joy Gresham, Lewis – a committed bachelor, Christian, and Oxford professor – finds himself relearning the true meaning of life. In *Shadowlands*, their unlikely romance raises elemental questions about God and love, life and death, happiness and the meaning of family.

The Texas Repertory Theatre revival of *Shadowlands* features Texas Repertory Artistic Director Steven Fenley reprising his role as CS Lewis, and a cast of Texas Repertory

company members, including Tom Long, Lisa-Thomas Morrison, and Ted Doolittle all under the direction of award-winning director Rachel Mattox.

The Texas Repertory Theatre is located at Northwoods Plaza, 14243 Stuebner Airline Road, Houston, TX 77069. Tickets are \$38, and we offer student and senior discounts. For tickets or more information, call our friendly box office at 281-583-7573, or log onto [www.texreptheatre.org](http://www.texreptheatre.org).

## Northwest Flyers Track Club

The Northwest Flyers Track Club will host an orientation/registration session for all middle and high school athletes and their parents interested in joining for the 2015 season. The event will be held on **Tuesday, May 5** at 7 p.m., at Valley Ranch Grill and Barbeque, 22548 SH 249 at Spring Cypress, Houston.

The Northwest Flyers is a youth (ages 6-18) track organization, affiliated with USA Track and Field. The club provides a full program of "track" events such as sprints, hurdles, middle distance, distance and relays, and "field" events such as long jump, triple jump, high jump, pole vault, discus, shot put and javelin. It is an excellent "off-season" program for young athletes who currently compete on their middle school or high school track teams.

The club was founded 28 years ago by local Olympic gold medalist Fred Newhouse to foster the development of youth track and field in the northwest Houston area. Last year, the Northwest Flyers sent 87 young athletes to compete at US Junior Olympics National Championships in Myrtle Beach, South Carolina and Humble, Texas.

Visit the team website at [www.northwestflyers.org](http://www.northwestflyers.org) for registration forms and information prior to the session, or contact Linette Roach at 281-587-8442, or [linette.roach@sbcglobal.net](mailto:linette.roach@sbcglobal.net).
