#### March Yard of the Month Winners!

The OOCIA Beautification Committee would like to congratulate the following residents of Olde Oaks and Waterford Park for winning the **March Yard of the Month** award. Congratulations to the homeowners residing at 3423 Woodbriar, 15131 Pebble Bend, 3201 Ivy Falls, 3207 Mission Grove, 4223 Brightwood Drive and 3006 Kobi Court.

Many residents are beginning their spring floral plantings, mulching the beds, and fertilizing. All of this requires much energy and time, and we recognize the efforts of residents who take pride in their home and landscaping, inspiring others to do the same. We are looking forward to selecting next month's selections. You may be next!

**Do you wish to nominate a home to the Beautification Committee?** Please send references to ACMI at [info@acmimgmt.com](mailto:info@acmimgmt.com) (attention Christine Potter, Beautification Committee). **Email submittals no later than the first of each month** in order for the committee to drive by and evaluate recommended yards. This will allow an appropriate amount of time, if selected, for us to take pictures and submit to the newsletter for the following month's awards. See photos on pages 4 and 5.

and OOCIA Board Member*

## COMMUNITY-WIDE GARAGE SALE Thursday, May 2 through Saturday, May 4 8 a.m. to 5 p.m.

It's time to clear out the clutter and make a little cash. Clean out your attic, closets and garage of unwanted items! The Olde Oaks and Waterford Park Annual Neighborhood Garage Sale is scheduled for **May 2, 3 and 4**.

Signs will be placed along FM 1960. I only have four of the Community Garage Sale signs left due to theft of signs each year, so I will need everyone's help to make sure every entrance has adequate signage. Also, you will need to place signs in your own yard and street or streets as necessary, but do not attach them to the street poles or stop signs – they will be removed!

If you would like to participate in the garage sale, please contact **Temple** at **281-580-9076** so your address can be listed on the flyer/map. You can choose to participate one day or all three days; just let Temple know your plans when you call. The flyers/maps will be available for you to pick up on **May 1** from Temple at 15514 Beecham Drive. (She'll email it to you if you prefer.) The flyers/maps are to be given out to shoppers so that they know what homes are participating and how to get to each garage sale.

# NEWS IN BRIEF

## Eagle Scout Project Announcement

Hi, my name is Daniel Wright. I am working toward my Eagle Scout Rank. For my Eagle Scout project, I am having a *Basic Baby Needs Drive* for the Care Net Pregnancy Center. Care Net needs diapers, wipes, baby powder, diaper cream, and other baby basics, as well as new baby clothes and used maternity clothes. Along with several other workers, I am also going to help build six lightweight, interlocking tables for Care Net's classrooms and conference area to replace some heavy, poorly built ones, so cash donations for supplies are also appreciated. Please drop off donations in the receptacle near my front door at 15126 Morning Pine Lane. Thank you for your help!

## Speeders on TC Jester

Have you ever become annoyed at the number of speeders on TC Jester, particularly during the morning and afternoon rush? If you think those drivers are just passing through our community as a quick cut-through, think again. Statistics from our Sheriff's deputies show that the majority of speeders caught and ticketed on TC Jester are OO/WP residents. Slow down and drive friendly, neighbors!

# CUDAS

Oak Creek Village

## Swim Season Kickoff

Calling all children ages 4-18! You are invited to join the Oak Creek Village Swim Team for the 2013 summer league season. The season runs from **April 30 through June 22**, and we are looking forward to a fantastic season! All residents of Olde Oaks and Waterford Park are eligible to join! Registration will be held on **Sunday, April 14**, from 2-4 p.m. at the OCV pool clubhouse. More information, including online registration, can be found at [www.ocvcudas.com](http://www.ocvcudas.com).

Swimmers of all ability levels, ages 4 to 18, who live in Oak Creek Village, Olde Oaks, Waterford Park, Northgate Forest or other neighborhoods that do not have their own swim team programs are invited to participate. Membership is \$85 for the first child, with discounted rates for additional family members. "The swimmers enjoy the benefit of excellent instruction and the families have an opportunity to meet neighbors and participate in a family-friendly community event," said **Brent Barnett**, President of the OCV Swim Team.

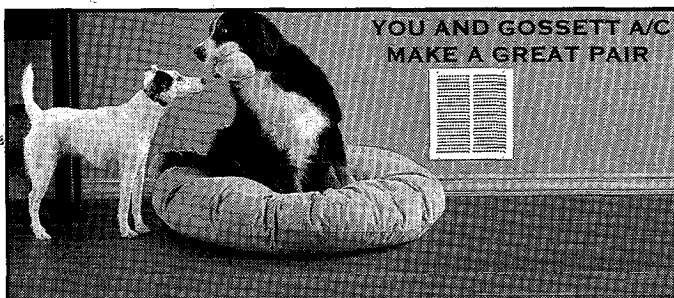

The Cudas hold practice after school on Tuesday through Friday beginning **April 30**. When school is out, swimmers may

choose to attend morning or evening practices. Practices end on **June 22**. Swim meets are held on Saturday mornings from **May 11 through June 22**. In addition, team events such as Spirit Rally, Pep Rally, Bingo Night, Cuda-Swim-A-Thon, and the End-of-Season Banquet add up to great summer fun for the entire family.

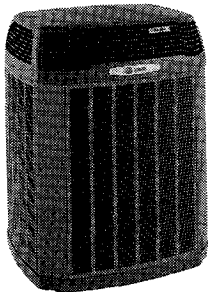

The OCV swim team is also pleased to announce that Coach Leane will be returning once again to lead the summer league. **Coach Leane Theiss** is head coach at Westfield High. Known for her expertise in developing great swimming technique, Coach Leane says, "Swimming uses all of the body's major muscle groups, increases coordination, and is one of the most injury-free sports for children and young adults." Also returning is assistant coach **Amber McQueen**. This will be Amber's second year as an assistant coach, but she has been a Cuda for quite a while!

The Cudas are also looking for sponsors to offset costs. Sponsorships range from \$25 to \$500.

For registration information, the event schedule, a listing of sponsorship opportunities, and a complete listing of events, visit [www.ocvcudas.com](http://www.ocvcudas.com). The Cudas are members of the Northwest Aquatics League. For more information, please call Brent and Brenda Barnett at 281-440-6825.

## The Importance of Safe Digging

April Is Safe Digging Month – A time when homeowners are reminded to make a single

## “call before you dig”

phone call before they even pick up a shovel. This way, utility operators can locate and mark any underground pipelines, conduits, wires, and cables. This is especially important as we tend to our yards and gardens.

“Every digging job requires a call – even small projects like planting trees or shrubs,” says the Common Ground Alliance (CGA), an association that promotes best practices for safe digging in North America. “If you hit an underground utility line or pipeline while digging, you can harm yourself or those around you, disrupt service to an entire neighborhood, cause thousands of dollars worth of damage, and potentially be held responsible for fines and repair costs.”

Most gas companies are doing their part to promote the importance of using “call-before-you-dig” numbers, which are also known as “one-call” numbers. Calls made using one-call numbers go directly to state call centers, whose staffers then alert utility operators. Those operators may then send out crews to locate and mark underground utilities before any planned digging or excavation takes place.

The message is simple, says CGA: “Whether you’re planning to do it yourself or hire a professional, smart digging means making a call before you dig prior to each job. Everyone can play a big part in spreading this awareness to their family members, friends, and neighbors.”

Before you dig, call 8-1-1 ([www.texas811.org](http://www.texas811.org)) or 1-800-669-8344 (Lone Star Notification Center, [www.lsnconecall.com](http://www.lsnconecall.com)).

Here it is April again and time for our book club meeting at Collins Park where we'll meet on **April 23 at 11 a.m.** instead of the usual 10 a.m. time. We'll eat our sack lunches while we discuss the book.

The choice this month is *Thunderstruck* by Erik Larson. Several years ago we read his *Isaac's Storm* about the 1900 Galveston hurricane. *Thunderstruck* is a narrative history and delves into Guglielmo Marconi's invention of wireless communication. It is set in Edwardian London, the stormy coasts of Cornwall, Cape Cod, and Nova Scotia.

This is a time when shipping companies were in great competition, and the rich outdid one another with ostentatious displays of wealth. Marconi races against incredible odds to perfect his invention, the wireless, which is very interesting as it was a major catalyst for the emergence of present-day communication. During this time Marconi crosses paths with Hawley Harvey Crippen, England's famous murderer, second only to Jack the Ripper.

Larson is the author of four *New York Times* best-sellers. For this book, written in 2006, he traveled to London, Munich, Rome, Nova Scotia, and Cape Cod. Larson started his career with studies of Russian history, language and culture at the University of Pennsylvania and then earned a master's degree in journalism from Columbia University. After writing for the *Bucks County Courier Times*, he became a staff writer for the *Wall Street Journal*, a contributor to *Time Magazine* and several other publications. He now lives in Seattle with his wife and three daughters.

*Kathy Hall, Book Club Coordinator*

Our program for **Tuesday, April 2** will be Kyrie O'Connor, NPR Quiz Show panelist and senior editor at the *Houston Chronicle*, who will speak on "How I Came to be a Panelist on NPR's 'Wait, Wait, Don't Tell Me' Quiz Show and Other Amusing Tales from a News Junkie's Life." ## “SOS” Food Drive to Benefit NAM

Northwest Assistance Ministries (NAM) is asking individuals and groups to participate in its “Survival Over Summer” Food Drive in order to make sure NAM’s Food Pantry is well stocked for the summer. More than 800 families are served by NAM’s Food Pantry each month. Summer can be especially hard, since children are out of school and utility bills are high.

“SOS is designed to help families whose children receive free or reduced price meals during the school year,” said Carole Little, NAM’s President and CEO. “When school isn’t in session, many of these children go without nutritious meals. Through SOS we try to provide families with additional food so they can stretch their limited budgets to cover other summer expenses, such as increased utility bills.” The demand for food at NAM’s pantry increases by approximately 30% each summer. Donations of non-perishable food as well as financial contributions are welcomed. Whether you donate one bag of groceries or a truckload of food, \$5 or \$5,000, everyone can make a difference.

Gifts made between **March 1 and April 30** will also qualify for a proportional matching gift to NAM’s Food Pantry from The Feinstein Foundation.

For more information, including an online giving form and a list of suggested food items, visit [www.namonline.org](http://www.namonline.org) and select “Special Projects,” or call 281-885-4555.

281-376-4610

All library programs are free and open to the public

April 2013

**AARP Volunteer Tax Assistance (Through April 15)**  
Mondays, 1-8 p.m.; Saturdays, 10 a.m.-4 p.m.) – Many tax forms are now available in the circulation lobby on the first floor. AARP will be providing free tax-return assistance through Monday, April 15 on a first-come, first-served basis. Call 281-376-4610 if you have questions about this service. The tax volunteers will not be able to answer tax questions over the phone.

**Workforce Solutions Job Search Seminars** – Workforce Solutions will continue their job search seminars in the library. Let them help you improve job search skills such as interviewing tips, how to write resumes and cover letters, and how to best highlight your skills. The seminars will be held from 1:30-3:30 p.m. on **April 11** (creating a resume/completing applications) and **April 25** (networking and using the Internet). No registration is required; just drop in.

**Senior Classic Movie Morning** – On Friday, April 19 at 10 a.m. the library will show a film from 1946 starring Fred Astaire, Lucille Ball, Fanny Brice, Judy Garland and

Lena Horne. “Florenz Ziegfeld, Jr. wants to put on another extravaganza from his new home in heaven. It will have the brightest stars and creative talents, the most in glamour, gams, and optimism.”

**Quilling Display and Workshop (April 20, 10 a.m.-12:30 p.m.)** – In April Juliet Hwang will show off her quilling creations in the glass showcase in the lobby of the library. She will also hold a quilling workshop on **April 20**. Quilling is the art of paper filigree achieved by taking thin paper strips, rolling them into a shape and gluing them together. In the workshop, she will give a basic historical overview of quilling and tell you how it is related to Jane Austen. Participants will be given instructions in the use of tools and materials to form various shapes. A slotted quilling tool, precut paper and materials will be provided to help you create your project.

Juliet Hwang has been quilling for about 10 years. While visiting her husband's homeland in Scotland she was introduced to a very small but very packed hobby shop where she found her first quilling kit. She is now an accredited member of the North American Quilling Guild. On occasion she will sell her “Divine Stars” at conferences, but generally needs to work as a designer/drafter to pay for this obsession. Divine Stars are nine pointed stars inspired by the Baha'i Faith.

# American Cancer Society Seeking Teams for Relay For Life of NW Harris County

The American Cancer Society Relay For Life of Northwest Harris County is just around the corner. Relay For Life is a fun-filled, overnight event that mobilizes communities throughout the country to celebrate survivors, remember loved ones lost, and raise money for the fight against cancer. To register your team online at [www.relayforlife.org](http://www.relayforlife.org), just follow the links to sign up. Teams are encouraged to sign up early as this gives more time to raise money.

Everyone's reason to relay is as unique as their own personal story. At Relay For Life, you can find healing, comfort, and support from others who have faced cancer or who have lost a loved one to the disease. Last year we had over 1,000 participants, celebrated the lives of 100 cancer survivors and raised \$213,000.

Relay For Life of Northwest Harris County takes place from 6 p.m. on April 19 until 6 a.m. on April 20. The event is located at Klein Oak High School stadium, 22603 Northcrest Blvd., Spring, Texas 77389. Because it's a team event, individual participants are not required to be there the entire time. But it's so much fun, you'll find it hard to leave! For more information on the Relay For Life or to register a team, contact Tracie Burnham at 713-492-8427 or email her at [tab555552002@yahoo.com](mailto:tab555552002@yahoo.com).
