Welcome to Concierge Medical Associates, where I am honored to serve as your dedicated partner on a transformative journey guided by the principle of “Medicae Adhibere Manus” – To Apply Healing Hands.

As a primary care and functional medicine physician, who is a specialist in genomics, obesity medicine, sports medicine and hormonal health optimization, my mission is clear: to provide you with the highest level of care, early detection, and proactive solutions. I bring the art of healing through skilled and compassionate hands to address a wide range of health challenges, from chronic pain and hormone deficiencies to sports injuries, chronic illnesses, and genetic issues.

In a world where traditional insurance models often fall short, we rise above, focusing on delivering personalized, hands-on healthcare tailored to your unique needs. “Medicae Adhibere Manus” is not just a phrase; it’s a guiding principle that underscores our commitment to your well-being.

Together, we embark on a journey towards optimal health, where expertise, early detection, and a personalized approach merge seamlessly. This is healthcare as it should be – delivered with healing hands, dedicated to your vitality and longevity. Welcome to Concierge Medical Associates, where we make “Medicae Adhibere Manus” a reality for your health and well-being.

REGENERATIVE THERAPIES

Elevating Healthcare with Cutting-Edge Regenerative Medicine

At Concierge Medical Associates, we're committed to providing you with the most advanced and effective healthcare solutions. Our ownership of a state-of-the-art laboratory sets us apart, allowing us to deliver highly customized regenerative treatments that make a real difference in your life.

The Power of Regenerative Therapies

Unlock your body's innate healing potential through regenerative therapies that harness the strength of your own cells and growth factors. These groundbreaking treatments offer numerous advantages:

Natural Healing

Regenerative therapies use your body's natural resources to facilitate healing, ensuring a safe and sustainable approach to wellness.

Non-Invasive

Say goodbye to surgical procedures and the associated risks and downtime. Regenerative treatments are minimally invasive and generally well-tolerated.

Long-Lasting Results

Experience lasting relief and improved function that can enhance your quality of life for years to come.

Customized Treatment, Precise Results

Our laboratory ownership enables us to take personalization to the next level. We have complete control over the preparation of Platelet Rich Plasma (PRP) and Mesenchymal Cells, ensuring that your treatment is perfectly tailored to your unique needs. This precision is vital for achieving the best possible outcomes.

Transformative Applications

Regenerative therapies have a wide range of applications, making them a versatile solution for various health concerns:

Enhanced Mobility

Regain the freedom to move comfortably, whether you're dealing with joint stiffness or limitations due to injury.

Accelerated Healing

Recover from sports injuries faster and with greater effectiveness, reducing downtime and supporting your active lifestyle.

Youthful Appearance

Rejuvenate your skin and hair, restoring a youthful and vibrant appearance that boosts your confidence.

Improved Intimacy

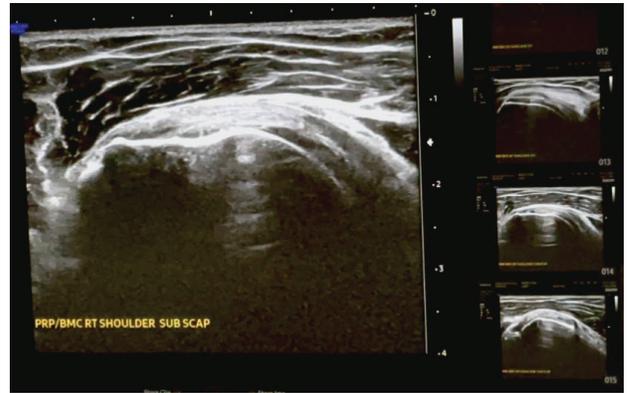

Enjoy a more fulfilling and vital sex life with regenerative treatments that enhance sexual health.

Pain Management

Find relief from chronic pain, whether it's related to joint issues, neuropathy, or other discomforts.

Arthritis Support

Manage the symptoms of arthritis and enhance joint function, potentially delaying or eliminating the need for surgery.

Experience Regenerative Healthcare Like Never Before

Concierge Medical Associates is proud to offer you the future of healthcare through our Regenerative Therapies program. Discover the transformative benefits of regenerative medicine and embark on a journey toward improved health and well-being. With our state-of-the-art laboratory and commitment to personalized care, you can trust us to provide the cutting-edge treatments you deserve.
