

SEPTEMBER NEWS

A NOTE FROM THE TEACHER:

The start of the school is an exciting time. I am very excited to get to know each of my students more throughout the year!
Please don't ever hesitate to email, call me or stop me before/after school if you have any questions, or concerns!

EVENTS

Monday, September 12th – First Day of School!

Thursday, September 15th – Family Art project due!

Thursday, September 22nd – Picture Day!

Monday, September 26th – Scholastic book orders Due!

REMINDEES

Please send a water bottle with water in it each day! This helps when a student needs a drink, they can just go grab a drink quick out of their water bottle and get back to learning quickly! They can also use it for their lunch drink, if needed!

LEARNING FOCUS

Bible Stories: We will be reading all about God Creation, Noah's Ark and Joseph & his Family this month.

Literacy: This month we will be working a lot on how to spell and write our names. We will introduce Mat Man (he teaches us how to draw people and how to write our letters throughout the year!)

Math: This month we will be reviewing colors and how mixing colors can make new colors!

Science: We will be learning about what a scientist is and how we can be one. We will be looking at all the tools we can use to help us explore and learn this year!

Social/Emotional: This month we will be working on introducing ourselves to others and how to follow rules.
