

U and Universal

Need money for college?

If you are a Universal direct care hourly staff, you can apply for the Universal Marilyn Porter Scholarship today through July 15. A Scholarship committee will then choose a recipient of the \$1000 scholarship and the winner will be announced August 1.

You can apply for the scholarship at: <https://umhs.net/scholarship>

Did you know?

Marilyn Porter was a Regional Director for the Eastern region of Universal Mental Health. For those who knew her, she had a dynamic personality with endless dedication to the people that she served as well as their family. When you worked with Marilyn, you became family. Marilyn came to Universal in September of 2011 and during her time at the agency impacted countless employees and people that we serve. Her advocacy and spirit embodied the mission of “Caring people, Caring for people”, for both employees, and the people we serve. Marilyn passed away on March 27, 2020 after a courageous fight with cancer. Her loss was one that was felt statewide and farther. Her legacy will live on through this scholarship.
