VETERANS VICTORY ALLIANCE

Reconnect Recreate Rejuvenate

Veterans Victory Alliance (VVA) is a team of all-volunteer Veterans, First Responders, and community members that provides an outdoor experience in Montana for those who have served and their families. We recognize the impacts of a life of service and how important it is to have a dedicated place to spend time in the great outdoors. Our passion is to provide this space for those looking for a outdoor recreation environment to experience reconnection with themselves, their families, nature, and those who have walked a similar path. We provide that space and tailor each experience to our guests' needs. Our end goal is enhanced resiliency, mental health, and vibrancy to strengthen our communities and to do our part to reduce the epidemic of suicides. We all need an outlet to release the tensions of life and Mother Nature is the best medicine and gift we can share.

Beautiful Moon Eagle River Ranch is our 17 acre camp on the Bitterroot River at the base of the Anaconda Pintler National Wilderness, offering unparalleled outdoor access and opportunity to Reconnect, Recreate, and Rejuvenate. Contact us today to customize an exceptional experience or to connect with a planned event- we can't wait to welcome you!
