

## **RESOLUTION # 2023-001**

### **Resolution Authorizing Amendments to \$10,000,000 Town of Emmet, Dodge County, Wisconsin Industrial Development Revenue Bonds, Series 2008 (Spuncast, Inc. Project) Issued on November 19, 2008**

On April 12, 2023, during the Town Board Meeting, the Board considered a resolution authorizing amendment to the Series 2008 Bond Issue for the Spuncast, Inc. Project. The amendments are necessary to update the discontinued LIBOR rate index to a current rate index.

Documents were reviewed on behalf of the Town by Attorney Doug Plier. It was confirmed that the amendments are substantive and not technical, and do not affect the original agreement.

Following discussion, the Board motioned to approve the resolution. All Board members were in favor.

Full text of the Resolution is available in the office of the Town Clerk.
