RESOLUTION 2021-03
A RESOLUTION OF THE BOARD OF DIRECTORS
OF THE REDWOOD VALLEY COUNTY WATER DISTRICT
TERMINATING ALLOCATION PROGRAM AND SUSPENDING ALLOCATION CHARGES

WHEREAS, REDWOOD VALLEY COUNTY WATER DISTRICT (the “District”) has a program in place to collect allocation charges and has kept and maintained records of payments made for allocation charges during the program; and

WHEREAS, the District is precluded from making new connections under a moratorium on new service connections, and has not identified an alternative and reliable source of water that would cause new connections to become feasible; and

WHEREAS, the District has adopted rates that sufficiently recover the cost of providing service to its customers; and

WHEREAS, the District intends for past allocation charges to be used to determine priority should new connections become feasible in the future.

NOW, THEREFORE, BE IT RESOLVED by the Board of Directors of the Redwood Valley County Water District, based in Ukiah, California, County of Mendocino, as follows:

1. The foregoing recitals are true and correct.

2. The allocation program is terminated and allocation charges collected under the program are suspended, effective immediately.

3. The District shall keep and maintain a list (“Priority List”) of allocation charges paid by customers to date, and shall assign priority for new connections, should new connections become practically and legally feasible.

4. Positions on the Priority List are not transferrable or assignable, and any new connections offered based upon priority will be subject to all relevant connection and service fees and charges with a credit issued against a supplementary connection fee in the amount of allocation fees paid as of the date of this Resolution.

5. No right to service is created by this Resolution.
