Bridging the gap between manufacturers and their clients in the commercial & industrial industry

Thern industrial winches provide maximum durability, reliability and safety to keep your business running. As an experienced winch manufacturer, we know you depend on your winch to get the job done—day in and day out. So we design our high-quality electric winches, air winches and hand winches for maximum durability and reliability. www.thern.com

We are an original equipment manufacturer for medium voltage electrical distribution equipment offering customized solutions for clients all over the world out of Canada. Our products include substations, transformers, EV and building powering solutions. www.powersystems.ca

Marelli Motori is a leading manufacturer of electric motors and generators. Founded in northern Italy in 1891, the company enjoys worldwide brand recognition in the marine, oil & gas, power generation, co-generation, hydro, and other industrial sectors. Marellimotori.com

Penn Fan Company is a leading manufacturer of industrial duty fans. For nearly 40 years, Penn Fan has designed, engineered, built and tested industrial fans to provide years of service in some of the harshest, most severe working environments. Pennfan.com

Central Tool Specialties (a division of Consolidated Mfg. Corp.) is an ISO 9001:2014 certified company. Central Tool manufacturers Solid Semi-Flexible Laminations, Braided Flexible Connectors, and Copper Bus Bar for the power distribution industry among a variety of others. Centraltoolspecialties.com
