Tuition & Registration cost is \$150 per student.

The fee for this training course must be paid prior to taking the course. A \$50 nonrefundable deposit is required to guarantee your seat in the class. The remaining balance (\$100) will be due by the end of the class or you will be unable to proceed and will lose your deposit. It is your responsibility to pay all fees due before training (s). After a schedule has been set, it is your responsibility to maintain the schedule. Once the course schedule is accepted, you must make all effort to attend class as scheduled, unless you can prove in writing the reasons for the absence or lateness.

Please do not make a commitment for the course during a week you have another appointment. So please check your calendars so there are no discrepancies. Florida Department of Agriculture Division of Licensing requires 40 hours of learning and 2 hours for testing. So, it is imperative that you make it to every class. If you have an emergency and must leave class or cannot come to class, you must reschedule to take the next class to avoid interruptions in your training lessons. Do not bring anyone else to the class with you unless they are also signed up and have paid their tuition to take the course.

If you believe you are running no more than 30 minutes late, please call the Academy at 941-893-4164 or 646-234-6146. If you are too late, you must stay late for what you have missed to make up the 42 hours required. If you are absent, an evaluation of your excuse with the document presented will be made to determine your eligibility for another scheduled class. Your tuition will not be refunded but will be applied to the next class. Please note that you can only be rescheduled two times after your first absence. After the second attempt, you must pay another tuition of \$150, so please try to make the first class, if possible.
