

Drill/Dance Team Intensives

Dance Elite is offering 2 dance intensives this summer to help develop technical dancers that will be strong dance leaders on any dance team. Our Drill/Dance Team Intensives are geared for those dancers currently on a dance team or for those who have goals to be on a dance team when they are in high school/college. This is an intense four days of technical training. Dancers will broaden their strength and flexibility awareness, develop fundamental jazz technique, progress in turning, leaping, splits, kicking skills, and gain confidence in their abilities. Our faculty has an extensive background in Drill/Dance Team experience from Jr High/High School Captains to College Dance teams. They have won awards through State, National and International Drill/Dance Team competitions and can share their knowledge with local dancers. Dancers will need to wear workout attire, jazz shoes, bring a water bottle and work ethic to achieve their goals.

Drill/Dance Team Technique Intensives: \$150 (each)
