An ugly fight broke out on the ice in the last few seconds of the game. From a face-off, a Franklin player belted a Falmouth player and a riot exploded out on the ice and quickly spread out into the stands and the parking lot. State Police were brought in to restore order. Arrests were made, (mostly Franklin fans). Franklin blamed the referees for letting too much go in the game and not controlling the game, and that the rink was in Falmouth territory and the ref's. held talks with the Falmouth players on a first name basis. The M.I.A.A. dismissed this and imposed fines and a two year probation period on Franklin. Personal lawsuits were also filed.
