Good Luck Panthers!

Good Luck FHS Panthers

The Lampasona
Family

Dear FHS Hockey Supporter:

The Franklin High School Boys Hockey team are grateful for the incredible support that comes our way each and every season. Thank you to our generous sponsors, the faculty and staff at Franklin High School, our families and friends and of course to Rattle City. This season will mark the 53rd season for Franklin High School Hockey and our 11th season competing at the Division 1 level. These are exciting times and the energy continues to be infectious at our home rink, the Pirelli Veteran's Arena, located on the outskirts of Franklin High School.

Our boys are very busy in the classroom and on and off the ice preparing for what we all hope is another successful season. Our team continues to play a rigorous schedule including Pope Francis High School, and Catholic Memorial We are excited to be selected to participate in the Ed Burns High School Coffee Pot Tournament. This year, our returning players are charged to take home a 14th consecutive Kelley Rex Hockomock League Championship and battle through another Division 1 post-season tournament. The hard work and dedication of the players, their families, and coaches are critical factors in the success of our team. The success of our organization also depends on the generous support from local businesses and individuals committed to the development of these young hockey players and the experience they are provided while playing the game they have grown to love. Thank you to all that make this possible year after year.

The generous contributions of our sponsors allow the Boys Hockey Booster Club to provide important financial assistance for our hockey teams. College Scholarships, tournament fees, team equipment and recognition awards are just some of the ways the Booster Club assists both the Junior Varsity and Varsity teams. In return, the players are actively involved in several community service activities as a way of giving back to the community: Franklin Food Pantry, Elisa Project, assisting in town spring clean up and decorating the Town Common for the holiday season.

On behalf of the players, coaches, and members of the FHS Boys Hockey Booster Club, thank you for your commitment to the program. We appreciate your continued support.

~The Franklin High School Boys Ice Hockey Booster Club
