

I wrote this for you.

I wasn't prepared for this.

Do you trust me?

What do you want from me?

Can you believe this?

Is it worth it?

All I want to do is talk.

Big deal.

What are you trying to say?

You make me feel nothing.

Tell me it's going to be ok.

I guess you're not interested.

I don't know what to say.

I'm not a good person.

I'm here for you.

I wish I was better.

Things better left unsaid.

There's no one there.

I am not here.

Can we go back to the beginning?

It's not that simple.

It's that simple.

Fuck this.

Fuck that.

Fuck everything.

What's it to you?

Things will get better.

Better things are coming.

Thank you for nothing.

I just want to know who you are.

I want to get to know you.

You are here.

When and where you are.

Who are you?

Who am I?

When are you coming home?

Where are you?

I am on fire.

Can you see me?

Can you hear me?

I love you.

What are you waiting for?

You don't even know who I am.

What are you looking for?

What's the point?

Are you serious?

I don't deserve this.

I don't deserve you.

Is that it?

Is this it?

You are not alone.

Please don't leave.

This is not a game.

Let's be honest.

I'll be better in the morning.

Just get some sleep.

Will you leave the light on?

Still friends?

Not enough time.

I'll call you tomorrow.

Don't overanalyze it.

Don't underestimate it.

Everything's textbook.

I think I can.

Put your back into it.

Get over it.

Mind over matter.

Good for nothing.

I'm close.

I can't dream.

I bet it's nice out there.

It's all a joke.

I know this can be hard for you.

I don't understand.

This is important.

It doesn't matter.

I wouldn't know.

You wouldn't understand.

Got it.

Lost it.

So long.

I can do that.

I can't do that.

Thanks for coming out.

Don't mention it.

Don't be like that.

I can't fix this.

I did it all for you.

Over it.

Into it.

I don't have the words.

Get a grip.

I've been dreaming of dropping out.

It had to happen.

I'm doing good.

I'm it.

I am here.

You are there.

What did you expect?

Try to forgive me.
