

Experience innovative technology in Medical Gas Management and Delivery

NEW Design!

Concerns of gas compression, uncertain volumes, explosive delivery, valve direction confusion, inconvenient purging, and air contamination have all been eliminated. The CO2mmander® ELITE / AngiAssist® products have an unprecedented and superior range of application and physician acceptance.

**Cartridges sold separately

Use of the CO2mmander® ELITE / AngiAssist® can provide lower-cost, more convenient, and safer alternatives

Medical Gas Management and Delivery Systems

The Beauty is in the Simplicity...
