FAITH LUTHERAN CHURCH * FEBRUARY 2023

***“Return to the Lord, your God, for God is gracious and merciful,
slow to anger, and abounding in steadfast love.”***

Joel 2:13

Dear faithful friends and fellow children of God: ***Returning and Affirming.***

I give thanks and praise to God for another year of ministry together with each one of you at Faith Lutheran Church. I want to put that praise and thanksgiving right up at the front, emphasizing it authentically. Some of you may have noticed that when I pray during visits or at meetings, I often begin by expressing thanks for a person, ministry, or opportunity God has given us and connected us to.

Giving thanks is important to me and how I minister, the gratefulness sets the tone for what has been and what comes after. We have come to a place after the height of the pandemic, learning new terms like “endemic” and what it means to be a church together with Covid still among us in a world changed by the surreal experience of a globe-spanning disease. Now we are ***returning*** to some of the useful patterns and activities we had before the pandemic while ***affirming*** the changes, lessons, and new traditions we have affected to get to where we are now. While some of these differences might seem strange when juxtaposed with memory, I believe that is another part of ongoing faith, our continual renewal and reformation in faith. And we give thanks because, through the pandemic and transition, we have been led by our great Shepherd, Jesus Christ, who has brought us this far by faith. We are becoming a new church with Christ ever-present at the center of all we do and all we have done this last year, including:

- ❖ Our youth and I went to the alternative Youth Gathering ‘Rebound’ at LRCC where we learned, prayed, served, and played with 200 other siblings in Christ from 8 states.
- ❖ We resumed many ministries including Fellowship, which has helped us ***return*** to Coffee Hour, Game Days, the Unbirthday Party, Movie Days, and more to bring us together, catching up and making up for lost time.
- ❖ Outreach: We revived the committee properly, sparking projects to get our church out there with several advertising campaigns and new road signs, as well as working with Pr. Tom from the synod to develop better strategies in our outreach efforts.
- ❖ We received the Eagle Scout Project of picnic benches for our middle patio, thanks to Ricardo Sierra, grandson of Dee and Bill Seel.
- ❖ We created and furnished our new Nursery space closer to the sanctuary.
- ❖ We celebrated two baptisms, Benjamin Astorga and Jackson Miller Neumeier. I also officiated at my second wedding in Arizona in May.
- ❖ On Reformation Sunday, we welcomed new members and Confirmed our youth, Amy Rae, Alonna, and Deane.
- ❖ Using funds from the refinanced mortgage, we accomplished large repairs and improvements to our church property and building including resurfacing the parking lot, new AC and Heating

Units over the fellowship hall, resurfacing the roof, and we have some funds in reserve to do landscaping to match the park.

- ❖ We have made much progress in the park project, working with our city to explore selling the dirt lot behind the church. The lot would become a park and the proceeds of the sale would allow us to dream and expand current and new ministries. We expect to have some more finalized results by the time of the Annual Meeting.

Let us celebrate all of these achievements and use them as momentum to propel us into what is to come.

“When you are in distress and all these things have come upon you, in the latter days you will return to the Lord your God and listen to His voice.”

Deuteronomy 4:30

All of these events, actions, and ministries have proved our perseverance and persistence in faith. We are looking forward to God’s bright future for us. We will celebrate the church’s 60th anniversary while we approach our path forward with the mindset of a new church start, learning to walk in new ways, with new friends and old. The reality is that we have had a shock to our system during the pandemic, a shock that halted our normal rhythms, rhythms that we cannot, and we should not, try to recreate perfectly. Because in the pause in our normal congregational heartbeat, new songs have started, new members with new passions have joined us, and so the old song is for our memories, fond as they may be. God has never left us, no matter what song we have sung, even when we can hardly find the hope or voice to sing - it is in those moments of utter frustration or numbing grief or listless exhaustion - those moments like in Deuteronomy, *“When you are in distress and all these things have come upon you,”* it is at that time when *“in the latter days you will **return** to the Lord your God and listen to His voice.”* If we lose our voice, Christ lends us His. Christ **affirms** our perseverance and our faith to keep going, to not allow numbers or trends or wars in the world to scare us or take us away from the embrace of God, as if they could for long anyways.

*“Therefore, **return** to your God, observe kindness and justice, and wait for your God continually.”*

Hosea 12:6

We face some challenges ahead, but we will not let the prospective difficulty of those challenges cause us to fear the road ahead while we continue to follow the prophet Hosea’s words: **returning** to God, enacting kindness and justice, and continually waiting on what God reveals to us next. Furthermore, we will not let fear or change separate us from our church community or from our relationship with God. As we continue into our identity as a revitalizing, reforming, and resurrecting New Church, we have much to do in our transition and growth towards a more self-sustainable state. Our ultimate goal and mission has always been and continues to be to share the good news of God’s love and Gospel by following Christ’s commandment to love God and love our neighbor. That mission and purpose for our existence as individuals of faith and the community of Faith will remain our permanent and eternal driving force behind all of our actions and ministries. And in order to effectively achieve these goals of ministry and faith, all of us will need to accomplish two things:

- **Return** to this, your congregation in as many ways as you can, engaging, following, and leading in making our ministries thrive and grow by your participation. Join us in Bible study, start a new ministry group you’re passionate about, or be a greeter on Sunday. With all of the

choices there is certainly a place where your church needs your involvement to volunteer. I cannot do this without you!

- **Reaffirm** your claim that this is your church. Proclaim your discipleship through buy-in to the vision of the church - telling people in our area and community what your church means to you, how it changes you for the better, how it has seen you through hard times, and celebrates with you in your joy! Reclaim what it frankly means to evangelize: authentically showing and sharing that part of you that is faith, faith in the one who orients your whole life and who is closer to you than your very breath - Christ Jesus. In this, God has given you the ability to co-create the community you want to belong to!

Our church is experiencing its own kind of Reformation into something new and exciting, and I am excited to invite each one of you to join me in this pilgrimage of faith to see where God is leading us!

I continue to give thanks to God for all of you, for your continued faithfulness, and for the great honor of serving as your pastor. So, until we see each other again: *“May the Lord bless you and keep you; may the Lord make his face shine on you and be gracious to you; may the Lord turn his face toward you and give you peace.” (Numbers 6:24-26).*

Pr. John Barton

But those who hope in the Lord will renew their strength. They will soar on wings like eagles; they will run and not grow weary, they will walk and not be faint.

Isaiah 40:31

God gently reminds us that if we are to trust Him, we are to take Him at His Word. His Word tells us that each of us are new creations in him. If we are Christ followers, he is making us new. God's timing may not be ours; it may not happen as quickly as we would like. We see the beauty of a new day. A new morning. New mercies awaiting us. We see that it is not a onetime fix all. Today is a new day being new every morning... thus acknowledging that we are on this journey and enjoy it! Let's be grateful!

Our Annual Congregational Meeting is February 26th. Please consider that your spiritual gifts may be to serve on the new Council or any committee we have a Faith Lutheran Church. Our annual reports will be ready to pick up on February 3rd. If you are unable to pick up your report, we will either deliver or mail it to you on February 15th.

Our next Council meeting will be held on February 27th at 1:00 p.m. in person or on zoom. All are welcome to come to our council meetings. The Church council meeting minutes and committee reports for the previous month are being posted on the bulletin board in the narthex.

Cheerfully in Christ, Kandie Hulme, Council President

FINANCIAL REPORT Ending December 31, 2022

a. **Offering Envelopes**

- i) **For the month**, substantially under budget at 66.1% (\$11,115 vs \$16,829).
- ii) **Year-to-date**, well budget at 90.4% (\$126,705 vs \$140,187).

b. **Total Income**

- i) **For the month**, substantially under budget at 69.5% (\$15,906 vs \$22,884).
- ii) **Year-to-date**, under budget at 97.8% (\$177,157 vs \$181,083).

c. **Expenses**

- i) **For the month**, slightly over budget at 101.8% (\$17,282 vs \$16,982).
- ii) **Year-to-date**, on budget at 100.8% (\$195,845 vs \$194,264).

d. **Net Operating Income** (Total Income minus Expenses)

- i) **For the month**, a loss of \$1,377 vs the expected surplus of \$5,902.
- ii) **Year-to-date**, much worse than expected, with a loss of \$18,688 vs the expected loss of \$13,181.

e. **Checking balance**

- i) **Balance at Month-end** is \$8,285.
- ii) **Previous Month-end balance** was \$7,628.

f. **Comments**

- i) Sadly, we ended the year much worse off than hoped for, with a deficit of \$18,688, more than \$5,000 higher than the original expected loss. It would have been much worse had we not received over \$9,700 in memorials designated for the General Fund, and the use of the remaining Campus Ministry funds.
- ii) We survived the Pandemic while other churches did not. The effects have been a significant loss of members since the pre-pandemic days, along with significant Time, Talent, and Treasure support. In many ways, we can compare ourselves to Start-up churches, as we begin the task of re-building our community of Faith, welcoming new members to share in our ministry here. We have some advantages over other Start-up churches, in that we already have a robust facility, some income from the Cell Tower, and the ability to borrow monies from our Endowment Fund. While we haven't needed to do so in the past, the challenges of the 2023 budget will make such borrowing a necessity.

Your Outreach Committee at Work!

Have you noticed the new directional signs on Valley Blvd. and Cherry Hills Blvd.? The signs were funded by the Matthew 25 grant from Pacifica Synod, with excess funds going to the Community Cupboard!

Greetings dear women of Faith!

Welcome to you all. The second month of 2023 is here already and many of you are busy participating in the activities of the church. Welcome, *all* of you, to any and all of our activities and events.

Our Winter/Spring Bible Study has started! In this second Bible study session, we'll consider the "hinge commandments" - rules that work both ways, helping us to love and serve God and thy neighbor. We will continue our study of the Ten Commandments, covering the third and fourth commandments.

"Remember the Sabbath day and keep it holy." (Exodus 20:8)

"Honor your father and your mother, so that your days may be long in the land that the Lord your God is giving you." (Exodus 20:12)

Select the Circle Bible study time listed below that's best for you and join in the conversation. All women are welcome.

Just a Reminder: Sunday Coffee after church services. We are in need of volunteers to serve refreshments after services each Sunday. We all like to gather for a cup of coffee and social time with other members, but we need volunteers to give a little of their time to make sure the coffee is set up and then serve the refreshments and clean up after. Sign up with a friend. "No experience needed". Everything will be provided, we just need your help to enable us to continue having our coffee hour. There is a sign-up sheet in the Fellowship Hall. Please sign up so we can continue our Sunday Coffee.

Outreach “Fund the Banner” Project

If you feel as though Faith Lutheran Church is one of the best kept secrets in Menifee, you’ll be happy to know that the Outreach Team is hard at work trying to change that. In 2022, FLC “ads” appeared in print, on line, on signage, a mass mailing, and even on golf club score cards. The funding for these projects has not impacted our church budget, thanks to the inspiring generosity of a handful of members.

Now, to keep momentum up, and 2023 budget hits down, we’d like to invite YOU to help fund our next project – the purchase of 2 weather-proof banners like the one shown above. They will be hung on both sides of the brick sign in front of the church, in the same way our Christmas and Easter banners are hung. The cost for the two banners is just under \$400.00. Anyone who sees the banners will have no doubt they are welcome here, our Sunday worship time, and our contact information.

If you are able to contribute, please make your check out to Faith Lutheran Church, and write “Banner” on the memo line.
