The ownership of each Unit shall not be conveyed separate from the percentage of interest in the Common Elements allocated to the Unit. The undivided percentage of interest in the Common Elements allocated to any Unit shall always be deemed conveyed or encumbered with any conveyance or encumbrance of that Unit, even though the legal description in the instrument conveying or encumbering the Unit may refer only to the fee title to the Unit.

2.6.2 The square footage of each Unit and the percentage of interest of each Unit in the Common Elements and in the Common Expenses allocated to each Unit as set forth on Exhibit B attached hereto shall be deemed accurate and acceptable and shall be binding on each Unit Owner at such time as they become the Owner of a Unit.

2.7 Allocation of Votes in the Association. The total votes in the Association shall be 100, which shall be divided among the Unit Owners in accordance with their respective fractional interest in the Common Elements and Common Expense Liabilities (as set forth on Exhibit B attached hereto) multiplied by 100.

Further, any construction, reconstruction, or removal of any demising wall by an Owner is subject to the prior written approval of the Board of Directors and an Arizona licensed architect or engineer's certification that such demising wall will not impair the structural integrity or the mechanical systems of a Building or lessen the support of any portion of the Condominium.

2.11 Combination of Units. If adjoining Units are owned by the same Person, the Owner of the adjoining Units may remove all or a portion of the demising wall between the adjoining Units provided the removal of a portion or the entire demising wall is approved by the Board of Directors prior to removal. The provisions of Section 4.3 shall apply to any request by an Owner of adjoining Units to remove all or a portion of the demising wall between the Units and to the removal of any demising wall approved by the Board of Directors. The Board of Directors shall not approve the request unless the Board of Directors is satisfied that the removal of the demising wall will not impair the structural integrity or mechanical systems of the Building or lessen the support of any portion of the Condominium. The fact that a demising wall between adjoining Units is removed with approval of the Board of Directors shall not affect the Units' percentage undivided interest in the Common Elements or the Units' Common Expense Liability. A demising wall between adjoining Units which is removed with approval of the Board of Directors may be constructed or reconstructed with the prior written approval of the Board of Directors. The Board of Directors shall not approve the request unless the Board of Directors is satisfied that the construction or reconstruction of the demising wall will not impair the structural integrity or mechanical systems of the Building or lessen the support of any part of the Condominium. 4.3 Improvements and Alterations.

4.3.1

(A) A Unit Owner may hire any Person to construct improvements, alterations, and additions without the Association's approval provided that a Unit Owner shall use only licensed, reputable, and qualified (and where required, certified) contractors, who shall each carry general public liability insurance naming the Association as an additional insured, and worker's compensation insurance as required by law. A Unit Owner hiring a Person shall not be deemed an approval by the Association of the planned improvement. A Unit Owner who hires a Person to construct an improvement, alteration, or addition shall be responsible for any damage caused by that Person. All alterations, additions, and improvements shall be subject to and performed in accordance with all of the terms and provisions of this Declaration at the Unit Owner's sole cost and expense.

(B) Any Unit Owner may make nonstructural additions, alterations, and improvements within a Unit without the Board of Directors' prior written approval of such additions, alterations, and improvements, but such Unit Owner shall be responsible for any damage to other Units, the Buildings, and to the Common Elements which results from any such alterations, additions or improvements.

(D) No Unit Owner shall make any structural additions, alterations or improvements within a Unit, including the construction, reconstruction, or removal of a demising wall, unless prior to the commencement of each addition, alteration or improvement, the Unit Owner receives the Board of Directors' prior written approval of the drawings, plans, and specifications and an architect or engineer, licensed in Arizona, certifies that such addition, alteration or improvement will not impair the structural integrity or the mechanical systems of a Building or lessen the support of any portion of the Condominium.

(E) All improvements, alterations, and additions must be done (1) in a good and workmanlike manner, (2) using materials properly fit for the purpose, (3) in such a manner as does not void any contractor's manufacturer's or supplier's warranties existing in favor of the Association (4) subject to such rules, conditions, and restrictions as may be reasonably imposed by the Board of Directors, and (5) if applicable, in accordance with drawings, plans, and specifications approved in writing by the Board of Directors.

(F) If any structural or nonstructural work will require a worker to encroach on an area of the Property outside of the Unit, including but not limited to the Common Elements (an "Encroachment"), the Unit Owner must notify the Association of the Encroachment no later than twenty-one (21) calendar days in advance, and the Unit Owner must provide a description of the Encroachment to the best of their ability. An "Encroachment" includes but is not limited to, (1) blocking roadways and sidewalks with materials, vehicles, and tools, (2) workers

using Common Elements, and (3) accessing a Building's roof. The Board of Directors must approve of any Encroachment within seven (7) calendar days of the notice. The Board of Directors may deny approval of any Encroachment for any reason. The Board of Directors may approve an Encroachment with certain restrictions such as requiring the work be performed at certain times, making a Unit Owner responsible for any damages a worker causes to any property, requiring an insurance policy that is acceptable to the Board of Directors, or mandating proper signage for any hazard. If the Board of Directors does not respond to the notice, the Encroachment shall be considered approved.

(G) Upon completion, Unit Owner agrees to record a Notice of Completion in the County where the Property is located, as required or permitted by law, and to provide the Board of Directors with CAD and hard print "as-built" plans, and proof of payment for all labor and materials.

4.3.4 The Board of Directors may condition the approval of any proposed additions, alterations or improvements to a Unit or the Common Elements in any manner, including, without limitation: (a) restricting the time during which such work may be performed; (b) requiring the placement of a security deposit in an amount determined by the Board of Directors in an account controlled by the Board of Directors; (c) requiring the provision to the Board of Directors of plans and specifications prepared and sealed by a professional engineer duly licensed by the State of Arizona; and (d) requiring that the Unit Owner requesting the change obtain, prior to commencing any work, and maintain until completion of such work, comprehensive general liability insurance in such amounts as may be required by the Board of Directors. The Unit Owner shall be obligated to designate Declarant, the Association, the Board of Directors and any other Person designated by the Board of Directors as additional insureds under the policies. The Unit Owner shall be responsible for all costs incurred by the Board of Directors in connection with the Board of Director's review of the Unit Owner's proposed changes to such Unit Owner's Unit, including, without limitation, all costs of architects, engineers and other professionals which may be retained by the Board of Directors to assist in their review. Any such costs not timely paid by the Unit Owner shall be deemed an Enforcement Assessment which may be collected in the manner provided in Section 7.4 herein.

4.3.5 The proposed additions, alterations and improvements by any Unit Owner shall be made in compliance with all laws, rules, ordinances and regulations of all governmental authorities having jurisdiction, may only be made once all required permits have been obtained

and must be in compliance with any conditions imposed by the Association with respect to design, structural integrity, sound attenuation, water-proofing, construction details, lien protection or otherwise. A Unit Owner making or causing to be made such additions, alterations or improvements agrees, and shall be deemed to have agreed, for such Unit Owner, and such Unit Owner's heirs, personal representatives, successors and assigns, as appropriate, to defend, indemnify and hold harmless the Association, Declarant and all other Unit Owners, Lessees, or Occupants for, from and against any and all liability, loss or damage resulting from such additions, alterations or improvements, and shall be solely responsible for the maintenance, repair and insurance of such additions, alterations and improvements from and after their date of installation or construction as may be required by the Association.

4.3.6 The Association shall have the right to stop any work that is not in compliance with the terms contained in this Section 4.3 or any rules of the Association governing additions, alterations or improvements to the Units or the Common Elements. The Association's rights of review and approval of plans and other submissions under this Declaration are intended solely for the benefit of the Association. Neither Declarant, the Association nor any of the officers, directors, employees, agents, contractors, consultants or attorneys shall be liable to any Unit Owner or any other Person by reason of mistake in judgment, failure to point out or correct deficiencies in any plans or other submissions, negligence, or any other misfeasance, malfeasance or nonfeasance arising out of or in connection with the approval or disapproval of any plans or submissions. Without limiting the generality of the foregoing, the Association shall not be responsible for reviewing, nor shall its review of any plans be deemed approval of, any plans from the standpoint of structural safety, soundness, workmanship, materials, usefulness, conformity with building or other codes or industry standards, or compliance with governmental requirements. Further, each Unit Owner agrees to indemnify and hold Declarant, the Association and their respective directors, officers, agents and employees harmless from and against any and all costs, claims (whether rightfully or wrongfully asserted), damages, expenses or liabilities whatsoever (including, without limitation, reasonable attorneys' fees and court costs at all trial and appellate levels), arising out of any review, approval or disapproval by the Board of Directors of plans submitted by the Unit Owner or any Lessee or Occupant. No excavation or grading work shall be performed on any Unit without the prior written approval of the Board of Directors.

4.3.7 The approval by the Board of Directors of any construction, installation, addition, alteration, repair, change or other work pursuant to this Section shall not be deemed a waiver of the Board of Director's right to withhold approval of any similar construction, installation, addition, alteration, repair, change or other work subsequently submitted for approval.

4.3.8 Upon receipt of approval from the Board of Directors for any construction, installation, addition, alteration, repair, change or other work, the Unit Owner who had requested such approval shall proceed to perform, construct or make the addition, alteration, repair, change or other work approved by the Board of Directors as soon as practicable and shall diligently pursue such work so that it is completed as soon as reasonably practicable and within such time as may be prescribed by the Board of Directors.

4.3.9 Any change, deletion or addition to the plans and specifications approved by the Board of Directors must be approved in writing by the Board of Directors.

4.3.10 The Board of Directors shall have the right to charge a fee for reviewing requests for approval of any construction, installation, alteration, addition, repair, change or other work pursuant to this Section 4.3, which fee shall be payable at the time the application for approval is submitted to the Board of Directors.

4.3.11 All Improvements constructed on Units shall be of new construction, and no buildings or other structures shall be removed from other locations on to any Unit.

4.3.12 The approval by the Board of Directors of any construction, installation, addition, alteration, repair, change or other work pursuant to this Section 4.3 shall not be deemed a warranty or representation by the Board of Directors as to the quality of such construction, installation, addition, alteration, repair, change or other work or that such construction, installation, addition, alteration, repair, change or other work conforms to any applicable building codes or other federal, state or local law, statute, ordinance, rule or regulation.

4.3.13 The approval required of the Board of Directors pursuant to this Section 4.3 shall be in addition to, and not in lieu of, any approvals or permits which may be required under any federal, state or local law, statute, ordinance, rule or regulation.

4.3.14 Unit Owner shall pay when due all claims for labor or materials furnished or alleged to have been furnished to or for Unit Owner at, on, or for use in the Unit Owner's Unit. Unit Owner shall give the Board of Directors immediate written notice of any lien filed against the Common Elements or any interest therein related to or arising from work performed by or for the Unit Owner. Unit Owner shall give the Board of Directors not less than ten (10) days' prior written notice of the commencement of the Unit Owner's work in their Unit, and the Board of Directors shall have the right to post notices of non-responsibility in or upon the Property as provided by law. If Unit Owner shall in good faith contest the validity of any such lien, claim or demand, then Unit Owner, at its sole expense, shall defend, indemnify, protect and hold the Property, the Association and the Board of Directors harmless against the same and shall pay and satisfy any such adverse judgment that may be rendered thereon before the enforcement thereof against the Unit Owner, Board of Directors, the Property, or the Association. Upon the Board of Director's request, Unit Owner shall furnish to the Board of Directors a corporate surety bond, satisfactory to Board of Directors, in an amount equal to one and one-half (1½) times the amount of such contested lien, claim or demand, indemnifying the Association and Unit Owner from liability for any such lien, claim or demand and holding the Property and Common Elements free and harmless from and against the effect of any such lien, claim or demand, and causing the release and reconveyance of said lien from the Property and Common Elements. In addition, the Board of Directors shall have the right to require that Unit Owner pay the Association's attorneys' fees and disbursements, court costs and other costs in defending any such action if the Association is named as a party to any such action, the lien encumbers any portion or interest in the Property and/or if the Board of Directors elects to defend any such action or lien.

4.4 Trash Containers and Collection. No garbage or trash shall be placed or kept on the Condominium except in covered containers of a type, size and style, which are approved by the Board of Directors. The Board of Directors shall have the right to subscribe to a trash service for the use and benefit of the Association and all Unit Owners, and to adopt and promulgate rules and regulations regarding garbage, trash, trash containers and collection. 4.11 Signs. No signs (including, but not limited to, "For Sale" signs) shall be permitted on the exterior of any Building or in the interior of a Unit if the signs would be visible from the exterior of the Building in which the Unit is located, or on any other portion of the Condominium without the prior written approval of the Board of Directors, which shall not be unreasonably withheld. The Board of Directors may permit signs identifying the Unit Owner, Lessee or Occupant of a Unit to be installed on the outside of the Building in which a Unit is located provided that the location, size, color, style and appearance of the sign is acceptable to the Board of Directors, and the Board of Directors may permit such sign to be placed at any location on the outside of the Building that is acceptable to the Board of Directors. The design criteria for all signs should be established by the Board of Directors as appropriate from time to time, however the Declarant shall determine such sign criteria so long as the Declarant is the owner of any Unit which is for sale to the public. In addition to the approval of the Board of Directors required by this Section, any sign must also comply with the ordinances of the Lake Havasu City, Arizona.

No Premises may

be rented or leased for a term of thirty (30) days or less and no Premises may be leased more than three (3) times during any consecutive twelve (12) month period without the prior written approval of the Board. 4.16 Variances. The Board of Directors may, at its option and in extenuating circumstances, grant variances from the restrictions set forth in this Article 4 if the Board of Directors determines in its discretion that: (a) a restriction would create an unreasonable hardship or burden on a Unit Owner or Occupant or a change of circumstances since the recordation of this Declaration had rendered such restriction obsolete; and (b) the activity permitted under the variance will not have any substantial adverse effect on Unit Owners and Occupants and is consistent with the high standards intended for Occupants and Owners of the Condominium. No variances shall be granted pursuant to this Section unless also approved in advance by the Declarant so long as the Declarant owns any Unit which is for sale to the public.

ARTICLE 5

The cost to the Association of any such repair, maintenance or replacements required by such act of a Unit Owner or the Unit Owner's Invitees shall be paid by the Unit Owner, upon demand, to the Association. Unless the Condominium Documents or the Condominium Act specifically requires a vote of the Members, the Board of Directors may act in all instances on behalf of the Association. Notwithstanding anything herein to the contrary, so long as the

Declarant owns any Unit, the prior written consent of the Declarant shall be required to any decision by the Association to establish self-management when professional management previously had been in place. The Association has the specific duty to make available to the Declarant and Unit Owners and their authorized agents current copies of the Declaration, Bylaws, Articles, Rules and other books, records and financial statements of the Association as may be requested from time to time by such parties, except those books, records and financial statements which by law may be withheld from disclosure. 6.2.2 The Declarant may voluntarily surrender the right to appoint and remove the members of the Board of Directors and the officers of the Association before termination of the Period of Declarant Control, and in that event the Declarant may require, for the duration of the Period of Declarant Control, that specified actions of the Association or the Board of Directors, as described in a recorded instrument executed by the Declarant, be approved by the Declarant before they become effective.

6.3 Rules. The Board of Directors, from time to time and subject to the provisions of this Declaration and the Condominium Act, may adopt, amend, and repeal rules and regulations. The Rules may, among other things, restrict and govern the use of the Units and the Common Elements, the use of any area by any Unit Owner or by any Invitee, licensee or lessee of such Unit Owner; provided, however, that the Rules may not unreasonably discriminate among Unit Owners and shall not be inconsistent with the Condominium Act, this Declaration, the Articles or Bylaws. A copy of the Rules as they may from time to time be adopted, amended or repealed, shall be mailed or otherwise delivered to each Unit Owner but shall not be recorded unless approved by the Board of Directors.

6.4 Composition of Members. Each Unit Owner shall be a Member of the Association. The membership of the Association at all times shall consist exclusively of all the Unit Owners. Membership in the Association shall be mandatory. An Owner (including Declarant) of a Unit shall automatically, upon becoming the Unit Owner thereof, be a Member of the Association and shall remain a Member of the Association until such time as such Unit Owner's ownership ceases for any reason, at which time such Unit Owner's membership in the Association shall automatically cease. Membership in the Association shall be appurtenant to each Unit and may not be separately assigned, transferred or conveyed.

6.5 Personal Liability. Neither Declarant nor any member of the Board of Directors or of any committee of the Association, any officer of the Association nor any manager or other employee of the Association shall be personally liable to any Member, or to any other Person including the Association, for any damage, loss or prejudice suffered or claimed on account of any act, omission, error or negligence of the Declarant, the Association, the Board of Directors, the manager, any representative or employee of the Association, or any committee, committee member or officer of the Association; provided, however, the limitations set forth in this Section shall not apply to any person who has failed to act in good faith or has engaged in willful or intentional misconduct.

6.6 Implied Rights. The Association may exercise any right or privilege given to the Association expressly by the Condominium Documents and every other right or privilege reasonably to be implied from the existence of any right or privilege given to the Association by the Condominium Documents or reasonably necessary to effectuate any such right or privilege.

6.7 Voting Rights. Subject to Section 6.8 below, each Unit Owner, including Declarant, shall be entitled to cast the number of votes for each Unit owned by such Unit Owner in accordance with the allocation set forth in Article 2 of this Declaration on any Association matter which is put to a vote of the membership in accordance with this Declaration, the Articles and/or Bylaws.

6.8 Voting Procedures. No change in the ownership of a Unit shall be effective for voting purposes unless and until the Board of Directors is given actual written notice of such change and is provided satisfactory proof thereof. The votes for each such Unit must be cast as a unit, and division of the votes shall not be allowed. In the event that a Unit is owned by more than one (1) Person and such Unit Owners are unable to agree among themselves as to how their votes shall be cast, they shall lose their right to vote on the matter in question. If any Member casts votes representing a certain Unit, it will thereafter be conclusively presumed for all purposes that such Unit Owner was acting with the authority and consent of all other Unit Owners of the same Unit unless objection thereto is made prior to or at the time the votes are cast on the matter in question. In the event more than the permitted votes are cast by Owners of a particular Unit, none of the votes shall be counted and all of the votes shall be deemed void.

6.9 Transfer of Membership. The rights and obligations of any Member, other than the Declarant, shall not be assigned, transferred, pledged, conveyed, or alienated in any way except upon transfer of ownership of a Unit Owner's Unit, and then only to the transferee of ownership to the Unit. A transfer of ownership to a Unit may be affected by deed, intestate succession, testamentary disposition, foreclosure of a mortgage of record, or such other legal process as now in effect or as may hereafter be established under or pursuant to the laws of the State of Arizona. Any attempt to make a prohibited transfer shall be void. Any transfer of ownership to a Unit shall operate to transfer the membership appurtenant to said Unit to the new Unit Owner thereof. Each Purchaser of a Unit shall notify the Association of its purchase within ten (10) days after becoming the Owner of a Unit.

6.10 Suspension of Voting Rights. If any Unit Owner fails to pay any Assessments or other amounts due to the Association under the Condominium Documents within fifteen (15) days

after such payment is due or if any Unit Owner violates any other provision of the Condominium Documents and such violation is not cured within fifteen (15) days after the Association notifies the Unit Owner of the violation, the Board of Directors shall have the right to suspend such Unit Owner's right to vote until such time as all payments, including interest, attorney's fees and any other amounts, if any, are brought current, and until any other infractions or violations of the Condominium Documents are corrected.

6.11 Conveyance or Encumbrance of Common Elements. The Common Elements shall not be conveyed or subjected to a mortgage, deed of trust or security interest without the prior written consent or affirmative vote of Unit Owners representing at least sixty-seven percent (67%) of the votes allocated to Unit Owners other than the Declarant. In addition, any conveyance, encumbrance, judicial sale or other transfer (whether voluntary or involuntary) of an individual interest in the Common Elements shall be void unless the Unit to which that interest is allocated also is transferred. Notwithstanding the foregoing, the Board of Directors, without a vote of the Unit Owners, may grant easements for ingress and egress to adjacent property owners over portions of the Common Elements already designated as roadways if such easements are required by Lake Havasu City, Arizona.

6.12 Declarant Approval Required. After the expiration of the Period of Declarant Control and for so long as the Declarant owns any Unit, any action for which the consent or approval of the Board of Directors is required under this Declaration may be taken only if such action is also consented to or approved by the Declarant.

6.13 Real Property Taxes. The Association, at its election from time to time, shall have the authority for and on behalf of each Member and Unit to appeal, protest or otherwise take any action to reduce or minimize property taxes relating to all Units. The costs of all attorney's fees, appraiser's fees, expert's fees and other costs incurred by the Association with respect to the Association's efforts to minimize or reduce property taxes shall be a Common Expense.

ARTICLE 7 ASSESSMENTS

7.1 Preparation of Budget.

7.1.1 At least thirty (30) days before the beginning of each fiscal year of the Association, the Board of Directors shall adopt a budget for the Association containing an estimate of the total amount of funds which the Board of Directors believes will be required during the ensuing fiscal year to pay all Common Expenses including, but not limited, to: (i) the amount required to pay the cost of inspection, maintenance, management, operation, repair and replacement of the Common Elements and such portion of the Units and Limited Common Elements which the Association has the responsibility of inspecting, maintaining, repairing and replacing as provided in this Declaration; (ii) the cost of wages, materials, insurance premiums, services, supplies and other expenses required for the administration, operation, maintenance and repair of the Condominium; (iii) the amount required to render to the Unit Owners all services required to be rendered by the Association under the Condominium Documents; and (iv) such amounts as may be necessary to provide general operating reserves and reserves for contingencies

and replacements. The budget shall separately reflect any Common Expenses to be assessed against less than all of the Units pursuant to Subsections 7.2.4 or 7.2.5.

7.1.2 Within thirty (30) days after the adoption of a budget, the Board of Directors shall have a summary of the budget and a statement of the amount of the Common Expense Assessment available against each Unit in accordance with Section 7.2 for each Unit Owner. . The failure or delay of the Board of Directors to prepare or adopt a budget for any fiscal year shall not constitute a waiver or release in any manner of a Unit Owner's obligation to pay his or her allocable share of the Common Expenses as provided in Section 7.2, and each Unit Owner shall continue to pay the Common Expense Assessment against his Unit as established for the previous fiscal year until notice of the Common Expense Assessment for the new fiscal year has been established by the Board of Directors.

7.1.3 The Board of Directors is expressly authorized to adopt and amend budgets for the Association, and no ratification of any budget or amended budget by the Unit Owners shall be required.

7.2 Common Expense Assessment.

7.2.1 For each fiscal year of the Association commencing with the fiscal year in which the first Unit is conveyed to a Purchaser, the total amount of the estimated Common Expenses set forth in the budget adopted by the Board of Directors (except for the Common Expenses which are to be assessed against less than all of the Units pursuant to Subsections 7.2.4 and 7.2.5) shall be assessed against each Unit in proportion to the Unit's Common Expense Liability as set forth in Article 2. The amount of the Common Expense Assessment assessed pursuant to this Subsection 7.2.1 shall be in the sole discretion of the Board of Directors. If the Board of Directors determines during any fiscal year that its funds budgeted or available for that fiscal year are, or will, become inadequate to meet all Common Expenses for any reason, including, without limitation, nonpayment of Assessments by Members, the Board of Directors may increase the Common Expense Assessment for that fiscal year and the revised Common Expense Assessment shall commence on the date designated by the Board of Directors.

7.2.2 The Common Expense Assessments shall commence as to all Units on the first day of the month following the conveyance of the first Unit to a Purchaser. The first Common Expense Assessment shall be adjusted according to the number of months remaining in the fiscal year of the Association. The Board of Directors may require that the Common Expense Assessments or Special Assessments be paid in installments.

7.2.3 Except as otherwise expressly provided for in the Declaration, all Common Expenses including, but not limited to, Common Expenses associated with the maintenance, repair and replacement of a Limited Common Element, shall be assessed against all of the Units in accordance with this Section 7.2.

7.2.4 If any Common Expense is caused by the misconduct of any Occupant, Lessee or Owner of a Unit, the Association shall assess that Common Expense exclusively against such Unit.

7.2.5 Assessments to pay a judgment against the Association may be made only against the Units in the Condominium at the time the judgment was entered, in proportion to their Common Expense Liabilities.

7.2.6 There shall be no Common Expense Assessment for any Unit owned by the Declarant on which construction has not been substantially completed. For purposes of this Subsection, a Unit shall be deemed substantially completed when a Certificate of Occupancy or any similar act or document by the Lake Havasu City, Arizona or other governmental entity that is responsible for the inspection and approval of such property has been issued for the Unit. So long as any Unit owned by the Declarant is exempt from the Common Expense Assessment provided for in this Subsection, the Declarant shall be obligated to pay to the Association any deficiency which may occur as a result of the Declarant having been exempt from the Common Expense Assessment and necessary for the Association to be able to timely pay all Common Expenses.

7.2.7 All Assessments, monetary penalties and other fees and charges levied against a Unit shall be the personal obligation of the Unit Owner of the Unit at the time the Assessments, monetary penalties or other fees and charges became due. The personal obligation of a Unit Owner for Assessments, monetary penalties and other fees and charges levied against his Unit shall not pass to the Unit Owner's successors in title unless expressly assumed by them but shall remain a lien on the Unit until paid.

7.3 Special Assessments. In addition to Common Expense Assessments, the Association may levy, in any fiscal year of the Association, a Special Assessment for any purpose including but not limited to the purpose of defraying, in whole or in part, the cost of any construction, reconstruction, repair or replacement of a capital improvement of the Common Elements, including fixtures and personal property related thereto, or for any other lawful Association purpose, provided that any Special Assessment (other than a Special Assessment levied pursuant to Section 9.1 of this Declaration as a result of the damage or destruction of all or part of the Common Elements) shall have first been approved by Unit Owners representing two-thirds (2/3) of the votes in the Association who are voting in person or by proxy at a meeting duly called for such purpose. Unless otherwise specified by the Board of Directors, Special Assessments shall be due thirty (30) days after they are levied by the Association and notice of the Special Assessment is given to the Unit Owners. Any Special Assessment shall be assessed against each Unit in proportion to the Unit's Common Expense Liability as set forth in Section 7.2, provided that no Special Assessment may be levied against Tract B unless construction thereon has been substantially completed.

7.4 Enforcement Assessment. The Association may assess against a Unit Owner an Enforcement Assessment for any of the following expenses: (a) any Collection Costs incurred by the Association in attempting to collect Assessments or other amounts payable to the Association by the Unit Owner; (b) any attorney's fees (whether or not a lawsuit is filed) incurred by the Association with respect to any violation of the Condominium Documents by the Unit Owner or the Unit Owner's Lessees, Invitees or Occupants; (c) any monetary penalties levied against the Unit Owner; or (d) any amounts (other than Common Expense Assessments and Special

Assessments) which become due and payable to the Association by the Unit Owner or the Unit Owner's Lessees, Invitees or Occupants pursuant to the Condominium Documents.

7.5 Effect of Nonpayment of Assessments; Remedies of the Association.

7.5.1 Any Assessment, or any installment of an Assessment, which is not paid within fifteen (15) days after the Assessment first became due shall be deemed delinquent and shall bear interest from the date of delinquency at the rate of interest established from time to time by the Board of Directors and the Association may assess against the delinquent Unit Owner a late fee in the amount established from time to time by the Board of Directors.

7.5.2 All Assessments, monetary penalties and other fees and charges imposed or levied against any Unit or Unit Owner shall be secured by the Assessment Lien as provided for in the Condominium Act and as provided in this Declaration. The recording of this Declaration constitutes record notice and perfection of the Assessment Lien, and no further recordation of any claim of lien shall be required. Although not required in order to perfect the Assessment Lien, the Association shall have the right, but not the obligation, to record a notice setting forth the amount of any delinquent assessments, monetary penalties or other fees or charges imposed or levied against a Unit or the Unit Owner which are secured by the Assessment Lien.

7.5.3 The Assessment Lien shall have priority over all liens or claims except for: (a) liens and encumbrances recorded before the recording of this Declaration; (b) liens for real property taxes; and (c) the lien of any first mortgage. Any mortgagee or any other Person acquiring title or coming into possession of a Unit through foreclosure of a mortgage, purchase at a foreclosure sale or trustee sale, or through any equivalent proceedings, such as, but not limited to, the taking of a deed in lieu of foreclosure, shall acquire title free and clear of any claims for unpaid Assessments, monetary penalties and other fees and charges against the Unit which became payable prior to such sale or transfer. Any Assessments, monetary penalties and other fees and charges against the Unit which accrue prior to such sale or transfer shall remain the obligation of the defaulting Unit Owner. The Assessment Lien for any delinquent Assessments, monetary penalties and other fees and charges which is extinguished pursuant to this Section may be allocated and assessed to all Units as a Common Expense.

7.5.4 The Association shall not be obligated to release the Assessment Lien until all delinquent Assessments, interest, lien fees, fines, reasonable attorney's fees, court costs, Collection Costs and all other sums payable to the Association by the Unit Owner of the Unit have been paid in full except as may be expressly provided herein.

7.5.5 The Association shall have the right, at its option, to enforce collection of any delinquent Assessments, monetary penalties and all other fees and charges owed to the Association in any manner allowed by law including, but not limited to: (a) bringing an action at law against the Unit Owner personally obligated to pay the delinquent amounts and such action may be brought without waiving the Assessment Lien securing any such delinquent amounts; or (b) bringing an action to foreclose its Assessment Lien against the Unit in the manner provided by law for the foreclosure of a realty mortgage. The Association shall have the power to bid in at any

foreclosure sale and to purchase, acquire, hold, lease, mortgage and convey any and all Units purchased at such sale.

7.6 Exemption of Unit Owner. Except for Declarant as permitted in this Declaration, no Unit Owner may exempt himself from liability for payment of Assessments, monetary penalties and other fees and charges levied pursuant to the Condominium Documents by waiver and nonuse of any of the Common Elements, Limited Common Elements or by the abandonment of his Unit, or in any other manner.

7.7 Certificate of Payment. The Association on written request shall furnish to a lienholder, Unit Owner or person designated by a Unit Owner a recordable statement setting forth the amount of unpaid Assessments against his Unit. The statement shall be furnished within fifteen (15) business days after receipt of the request (or such shorter time period as may be required by applicable law) and is binding on the Association, the Board of Directors, and every Unit Owner. The Association may charge a reasonable fee in an amount established by the Board of Directors for each such statement.

7.8 No Offsets. All Assessments, monetary penalties and other fees and charges shall be payable in accordance with the provisions of this Declaration, and no offsets against such Assessments, monetary penalties and other fees and charges shall be permitted for any reason, including, without limitation, a claim that the Association is not properly exercising its duties and powers as provided in the Condominium Documents or the Condominium Act.

7.9 Transfer Fee. Each Purchaser of a Unit shall pay to the Association immediately upon becoming the Owner of the Unit a transfer fee in the amount set from time to time by the Board of Directors to compensate the Association for the administrative cost resulting from the transfer of a Unit.

7.10 Reserve Contribution.

7.10.1 Except for the Declarant and as provided in Subsection 7.10.3, each Person who purchases or otherwise becomes the Owner of a Unit shall pay to the Association, immediately upon becoming the Owner of a Unit, a Reserve Contribution of two-hundred dollars (\$200.00) is due. The amount may be changed by the Board of Directors from time to time. Until the expiration of the Period of Declarant Control, all Reserve Contributions shall be deposited into a separate reserve account and may be used by the Association only for the repair and replacement of Common Elements and all other Improvements to be maintained by the Association pursuant to this Declaration.

7.10.2 Payments made pursuant to this Section 7.10 shall be non-refundable and shall not be considered as an advance payment of any Assessments levied by the Association pursuant to this Declaration.

7.10.3 No Reserve Contribution shall be payable with respect to: (a) the transfer or conveyance of a Unit by devise or intestate succession; (b) a transfer or conveyance of a Unit to a family trust, family limited partnership of other Person for bona fide estate planning purposes; (c)

a transfer or conveyance of a Unit to a corporation, partnership or other entity in which the grantor owns a majority interest unless the Board determines, in its sole discretion, that a material purpose of the transfer or conveyance was to avoid payment of the Reserve Contribution in which case a Reserve Contribution shall be payable with respect to such transfer or conveyance; (d) the conveyance of a Unit by a trustee's deed following a trustee's sale under a deed of trust; or (e) a conveyance of a Unit as a result of the foreclosure of a realty mortgage or the forfeiture of foreclosure of a purchaser's interest under a recorded contract for the conveyance of real property subject to A.R.S. § 33-741, et seq.

7.11 Reserves. In addition to the Reserve Contributions, the budget adopted by the Board of Directors shall include reasonable amounts as determined by the Board of Directors collected as reserves for the future periodic maintenance, repair or replacement of all or a portion of the Common Elements, or any other purpose as determined by the Board of Directors.

7.12 Working Capital Fund. To provide the Association with operating funds, each Purchaser of a Unit from the Declarant shall pay to the Association, immediately upon becoming the Owner of the Unit, a sum equal to two (2) monthly installments of the Common Expense Assessment for the Unit. Such amount shall be non-refundable and shall not be considered as an advance payment of any Assessments levied by the Association pursuant to this Declaration.

7.13 Surplus Funds. Surplus funds of the Association remaining after payment of the provisions for Common Expenses and any prepayment of reserves may, in the sole discretion of the Board of Directors, either remain in the reserves or as working capital, be returned to the Unit Owners pro rata in accordance with each Unit Owner's Common Expense Liability or be credited on a pro rata basis to the Unit Owners to reduce each Unit Owner's future Common Expense Assessments. In no event shall the Association be compelled or obligated to return any surplus funds to a Unit Owner, and the Association shall have no liability in connection therewith.

ARTICLE 8 INSURANCE

8.1 Scope of Coverage.

8.1.1 The Association shall maintain, to the extent reasonably available, the following insurance coverage:

(a) A special form policy of property insurance insuring the entire Condominium, except for: (a) wall coverings, floor coverings, paint and paneling; (b) additions, alterations and improvements supplied or installed by the Unit Owners; and (c) furniture, furnishings, fixtures or other personal property of the Unit Owners. Such property insurance shall cover the interests of the Association, the Board of Directors and all Unit Owners and their mortgagees, as their interests may appear (subject, however, to the loss payment adjustment provisions in favor of the Insurance Trustee), in an amount equal to one hundred percent (100%) or the then current replacement cost of the Condominium (exclusive of the land, excavations, foundations and other items normally excluded from such coverage), without deduction for depreciation. The replacement cost shall be reviewed annually by the Board of Directors with the

assistance of the insurance company affording such coverage. The Board of Directors shall also obtain and maintain such coverage on all personal property owned by the Association.

(b) Property insurance on the Common Elements and all Improvements thereon issued under a form which provides "All Risk of Direct Physical Loss" in an amount equal to the maximum insurable replacement value of the Common Elements, as determined by the Board of Directors; provided, however that the total amount of insurance after application of any deductibles shall not be less than one hundred percent (100%) of the current replacement cost of the insured property, exclusive of land, excavations, foundations and other items normally excluded from a property insurance policy.

(c) Broad form comprehensive commercial general liability insurance, for a limit to be determined by the Board of directors, but not less than \$1,000,000 for any single occurrence with an aggregate of \$2,000,000. Such insurance shall cover all occurrences commonly insured against for death, bodily injury and property damage arising out of or in connection with the use, ownership or maintenance of the Common Elements. Such policy shall include (i) a cross liability clause to cover liabilities of the Unit Owners as a group to a Unit Owner, (ii) medical payments insurance and contingent liability coverage arising out of the use of hired and non-owned automobiles, and (iii) coverage for any legal liability that results from lawsuits related to employment contracts in which the Association is a party and (iv) a waiver of the contractual liability exclusion for personal injury.

(d) Worker's compensation insurance to the extent necessary to meet the requirements of the laws of Arizona and a policy of employer's liability insurance with coverage limits determined by the Board of Directors.

(e) Directors' and officers' liability insurance in an amount not less than \$1,000,000 covering all the directors and officers of the Association in such limits as the Board of Directors may determine from time to time.

(f) Such other insurance as the Association shall determine from time to time to be appropriate to protect the Association, the members of the Board of Directors, the members of any committee of the Board of Directors and the Unit Owners.

(g) The insurance policies purchased by the Association shall, to the extent reasonably available, contain the following provisions:

(i) Each Unit Owner shall be an insured under the policy with respect to liability arising out of his or her ownership of an undivided interest in the Common Elements or his membership in the Association.

(ii) There shall be no subrogation with respect to the Association, its agents, servants, and employees against Unit Owners.

(iii) No act or omission by any Unit Owner, unless acting within the scope of his authority on behalf of the Association, shall void the policy or be a condition to recovery on the policy.

(iv) The coverage afforded by such policy shall be primary and shall not be brought into contribution or proration with any insurance which may be purchased by Unit Owners or their mortgagees or beneficiaries under deeds of trust.

(v) A “severability of interest” endorsement which shall preclude the insurer from denying the claim of a Unit Owner because of the negligent acts of the Association or other Unit Owners.

(vi) The Association shall be the insured for use and benefit of the individual Unit Owners (designated by name if required by the insurer).

(vii) For policies of hazard insurance, a standard mortgagee clause providing that the insurance carrier shall notify the Association and each mortgagee named in the policy at least ten (10) days in advance of the effective date of any substantial change in coverage or cancellation of the policy.

(h) If applicable, pressured, mechanical and electrical equipment coverage on a comprehensive form in an amount not less than \$500,000 per accident per location.

8.1.2 If, at the time of a loss insured under an insurance policy purchased by the Association, the loss is also insured under an insurance policy purchased by a Unit Owner, the Unit Owner’s policy shall provide primary coverage.

8.1.3 The Board of Directors may select deductibles applicable to the insurance coverage to be maintained by the Association pursuant to Section 8.1 in order to reduce the premiums payable for such insurance. The deductible, if any, on any insurance policy obtained by the Association shall be a Common Expense.

8.1.4 Notwithstanding any of the other provisions of this Article to the contrary, there may be named as an insured, on behalf of the Association, the Association’s authorized representative, including any trustee with whom the Association may enter into any Insurance Trust Agreement or any successor to such trustee who will have exclusive authority to negotiate losses under any policy providing such property or liability insurance and to perform such other functions as are necessary to accomplish such purpose. Each Unit Owner appoints the Association, or any insurance trustee or substitute insurance trustee designated by the Association, as attorney-in-fact for the purpose of purchasing and maintaining such insurance, including: (a) the collection and appropriate disposition of the proceeds thereof; (b) the negotiation of losses and execution of releases of liability; (c) the execution of all documents; and (d) the performance of all other acts necessary to accomplish such purpose.

8.1.5 Notwithstanding anything herein to the contrary, the insurance coverages obtained by the Association as set forth herein may be modified by the Board of Directors as the

Board reasonably deems appropriate and/or necessary to protect the Association, the Board of Directors and Officers, the Unit Owners, the Condominium, mortgagees and as otherwise determined by the Board. If any of the insurance coverages as provided herein are not obtained by the Board of Directors based upon the reasonable and good faith belief that such insurance coverage is not reasonably necessary or appropriate as determined the Board of Directors, the Board shall not be liable to any person, including the Unit Owners, or otherwise, as a result of failing to procure such insurance.

8.2 Payment of Premiums. Premiums for all insurance obtained by the Association pursuant to this Article shall be Common Expenses assessed to the Owners and shall be paid for by the Association.

8.3 Payment of Insurance Proceeds. Any insurance proceeds paid for any loss covered by property insurance obtained by the Association shall be payable to the Association and not to any mortgagee or beneficiary under a deed of trust. The Association shall hold any insurance proceeds in trust for Unit Owners and lienholders as their interests may appear, and the proceeds shall be disbursed and applied as provided for in A.R.S. § 33-1253 or as otherwise provided herein.

8.4 Certificate of Insurance. An insurer that has issued an insurance policy pursuant to this Article shall issue certificates or memoranda of insurance to the Association and, on written request, to any Unit Owner. The insurer issuing the policy shall not cancel or refuse to renew it until thirty (30) days after notice of the proposed cancellation or non-renewal has been mailed to the Association, each Unit Owner, and each mortgagee to whom a certificate or memorandum of insurance has been issued at their respective last known addresses.

8.5 Insurance Obtained by Unit Owners. Unless otherwise approved by the Board of Directors, each Unit Owner shall obtain insurance at the Unit Owner's own expense covering the Unit Owner's Unit and all Improvements thereon in an amount equal to the maximum insurable replacement value of the Unit, the Unit Owner's personal property and providing personal liability coverage in an amount not less than \$1,000,000.00 for any single occurrence. The insurer issuing the policy shall not cancel or refuse to renew it until thirty (30) days after notice of the proposed cancellation of nonrenewal has been mailed to the Unit Owner and the Association. Each Unit Owner shall provide evidence to the Association that all insurance required by this Section has been obtained, and if any Unit Owner fails to comply with the provisions of this Section, the Board of Directors shall be entitled to obtain, but shall not be obligated to obtain, the insurance for such Unit required by this Section. The cost of such insurance shall be paid by the Unit Owner, upon demand, to the Association. The Association may enforce collection of any amounts in the same manner and to the same extent as provided for in this Declaration for the collection of Assessments. If any insurer of liability shall require that each Unit Owner obtain and carry any additional insurance coverage for the Unit or personal property, then each Unit Owner shall comply with said requirements.

8.6 Annual Insurance Review. The Board of Directors shall determine annually whether the amounts and types of insurance it has obtained provide adequate coverage in light of increased construction costs, inflation, practice in the area in which the Condominium is located, or any other factor which tends to indicate that either additional insurance policies or increased

coverage under existing policies or if the Association determines that any changes are necessary or desirable to protect the interests of the Owners of the Association and such other Persons as deemed appropriate by the Board of Directors.

ARTICLE 9 DESTRUCTION OF IMPROVEMENTS

9.1 Automatic Reconstruction. Any portion of the Common Elements for which insurance is maintained by the Association which is damaged or destroyed shall be repaired or replaced promptly by the Association unless (a) the Condominium is terminated, (b) repair or replacement would be illegal under any state or local health or safety statute or ordinance, or (c) eighty percent (80%) of the Unit Owners, including every Unit Owner of an allocated Limited Common Element which will not be rebuilt, vote not to rebuild. The cost of repair or replacement of the damaged or destroyed portion of the Condominium in excess of insurance proceeds and reserves shall be a Common Expense and shall be assessed to the Members as a Special Assessment pursuant to Section 7.3 of this Declaration.

9.2 Determination Not to Reconstruct Without Termination. If eighty percent (80%) of the Unit Owners (including every Unit Owner of an allocated Limited Common Element which will not be rebuilt) vote not to rebuild, and the Condominium is not terminated in accordance with the Act, the insurance proceeds shall be distributed in proportion to their interests in the Common Elements to the Unit Owners of those Units and the Unit Owners to which those Limited Common Elements were allocated, or to lienholders as their interests may appear. The remainder of the proceeds shall be distributed to all Unit Owners or lienholders as their interests may appear in proportion to Common Element interests of all the Units. If the Unit Owners vote not to rebuild any Unit, that Unit's allocated interests in the Common Elements and in the Common Expenses shall be automatically reallocated as if the Unit had been condemned under A.R.S. § 33-1206(A), and the Association shall prepare, execute and record an amendment to this Declaration reflecting the reallocation.

9.3 Distribution of Insurance Proceeds in the Event of Termination of the Condominium. Notwithstanding any provisions of this Article 9 to the contrary, the distribution of insurance proceeds resulting from the damage or destruction of all or any part of the Common Elements shall be distributed as provided in the Condominium Act in the event of a termination of the Condominium.

9.4 Negotiations with Insurer. The Association shall have full authority to negotiate in good faith with representatives of the insurer of any totally or partially destroyed portion of the Common Elements, and to make settlements with the insurer for less than full insurance coverage on the damage to such portion of the Common Elements. Any settlement made by the Association in good faith shall be binding upon all Unit Owners. Insurance proceeds for any damage or destruction of any part of the Condominium covered by property insurance maintained by the Association shall be paid to the Association and not to any other lienholder. The Association shall hold any proceeds in trust for the Unit Owners and lienholders as their interests may appear. Except as otherwise provided in Sections 9.1 and 9.2 of this Declaration, all insurance proceeds shall be disbursed first for the repair or restoration of the damaged Common Elements, and Unit Owners

and lienholders are not entitled to receive payment of any portion of the proceeds unless there is a surplus of proceeds after the damaged or destroyed Common Elements have been completely repaired or restored or the Condominium is terminated.

9.5 Repair of Units. Installation of Improvements to, and repair of any damage to, a Unit (including a Building) shall be made by and at the individual expense of the Unit Owner of that Unit and shall be completed as promptly as practicable and in a lawful and workmanlike manner.

9.6 Priority. Nothing contained in this Article shall entitle a Unit Owner to priority over any lender under a lien encumbering his Unit as to any portion of insurance proceeds allocated to such Unit.

ARTICLE 10 EMINENT DOMAIN

10.1 Total Taking of a Unit. If a Unit is acquired by eminent domain, or if part of a Unit is acquired by eminent domain leaving the Unit Owner with a remnant which may not be practically or lawfully used for any purpose permitted by this Declaration, the award must compensate the Unit Owner for his Unit and interest in the Common Elements, regardless of whether any Common Elements are taken. Upon such a taking, unless the decree otherwise provides, that Unit's allocated interests in the Common Elements and in the Common Expenses shall automatically be reallocated to the remaining Units in proportion to their respective allocated interests immediately before the taking. Upon such a taking, the Association shall prepare, execute and record an amendment to the Declaration in compliance with the Act. Any remnant of a Unit remaining after part of a Unit is taken becomes a Common Element.

10.2 Partial Taking of a Unit. Except as provided in Section 10.1, if part of a Unit is acquired by eminent domain, the award must compensate the Unit Owner for the reduction in the value of his Unit and interest in the Common Elements, regardless of whether any Common Elements are taken. On acquisition, unless the decree otherwise provides, that Unit's allocated interests in the Common Elements and in the Common Expenses shall be reduced in proportion to the reduction in size of the Unit and the portion of the allocated interests divested from the partially acquired Unit shall automatically be reallocated to that Unit and the remaining Units in proportion to their respective interests immediately before the taking, with the partially acquired Unit participating in the reallocation on the basis of its reduced interest.

10.3 Taking of Common Elements. If part of the Common Elements are acquired by eminent domain, the portion of the award attributable to the Common Elements taken shall be paid to the Association for the benefit of the Unit Owners, and any portion of the award attributable to the acquisition of a Limited Common Element shall be equally divided among the Unit Owners of the Units to which that Limited Common Elements was allocated at the time of the acquisition.

10.4 Taking of Entire Condominium. In the event the Condominium in its entirety is acquired by eminent domain, the Condominium is terminated and the provisions of A.R.S. § 33-1228 apply.

10.5 Priority and Power of Attorney. Nothing contained in this Article shall entitle a Unit Owner to priority over a mortgagee under a lien encumbering his Unit as to any portion of any condemnation award allocated to such Unit. Each Unit Owner hereby appoints the Association as the Owner's attorney-in-fact and agent for the purpose of negotiations and settlement with the condemning authority for the acquisition of the Common Elements, or any part thereof. This power of attorney is coupled with an interest, shall be irrevocable, and shall be binding on any heirs, personal representatives, successors or assigns of a Unit Owner and all persons with an interest in the Unit.

ARTICLE 11 RESERVATION OF DEVELOPMENT AND SPECIAL DECLARANT RIGHTS

Pursuant to the Condominium Act, Declarant reserves, and is hereby granted, all of the development rights and special declarant rights in the Condominium afforded under the Act as defined in A.R.S. § 33-1202(14) and § 33-1202(21), respectively, subject to the expiration deadlines set forth below. Specifically, but without limitation, Declarant reserves the following rights:

11.1 Development Rights. Declarant hereby reserves, for a period of ten (10) years following the recordation of this Declaration (or for such lesser period if specified by law with respect to any particular Development Right), the right to exercise all Development Rights under A.R.S. § 33-1202(14), and all Special Declarant Rights under A.R.S. § 33-1202(21), or such succeeding law.

11.2 Right to Complete Improvements and Construction Easement. Declarant hereby reserves the right to complete the construction of Improvements on the Condominium, and an easement over the Condominium for the purpose of doing so.

11.3 Offices, Model Offices and Promotional Signs. Declarant reserves the right to maintain offices for sales and management and models as provided in Article 3, and to maintain signs on the Common Elements for so long as Declarant owns any portion of the Condominium.

11.4 Use of Easements. Declarant reserves the right to use easements through the Common Elements for the purpose of making Improvements within the Condominium.

11.5 Merger or Consolidation. Declarant reserves the right to merge or consolidate the Association with another condominium or development of the same form of ownership.

11.6 Appointment and Removal of Directors and Officers. Declarant reserves the right to appoint and remove any officer of the Association or any member of the Board of Directors as set forth in Section 6.2 above, for the time period set forth therein.

ARTICLE 12 LIMITATION OF LIABILITY AND ANNEXATION

12.1 Limitation on Declarant's Liability. Notwithstanding anything to the contrary in any of the Condominium Documents or otherwise, each Owner, by accepting title to a Unit or otherwise any

portion of the Condominium and becoming an Owner, acknowledges and agrees that neither the Declarant nor any officer, director, member, manager, principal, owner, agent, partner or shareholder of Declarant or the Declarant's successors or assigns (or any officer, director, member, manager, principal, owner, agent, partner, shareholder, of or in any such successor or assign) shall have any personal liability to the Association, to any Owner, Occupant, Lessee, Invitee or any other Person arising under, in connection with or resulting from (including without limitation resulting from action or failure to act with respect to) this Declaration or any of the Condominium Documents or by the Condominium Act or otherwise, except to the extent of the Declarant's (or its successors or assigns) interest in the Condominium; and, in the event of a judgment against Declarant no execution or other action shall be sought or brought thereon against any other assets, nor be a lien upon such other assets, of the Declarant nor any officer, director, member, manager, principal, owner, agent, partner or shareholder of the Declarant or the Declarant's successors or assigns (or any officer, director, member, manager, principal, owner, agent, partner or shareholder of or in any such successor or assign).

12.2 Non-Liability of Officials. To the fullest extent permitted by law, neither Declarant (nor any officer, director, member, manager, principal, owner, agent, partner, or shareholder of Declarant), the Board, the Association any committees of the Association or any member thereof, nor any directors or officers of the Association, shall be liable to any Member, Owner, Occupant, Lessee, Invitee, the Association or any other Person for any damage, loss or prejudice suffered or claimed on account of any decision, approval or disapproval of drawings or specifications (whether or not defective), course of action, act, inaction, omission, error, negligence or the like made in good faith and which Declarant, the Board, or such committees or such officers or directors of the Association, reasonably believed to be within the scope of their respective duties. To the fullest extent permitted by law, every director and officer of the Association, every member of any committee of the Association and the Declarant (and any officer, director, member, manager, principal, owner, agent, partner, or shareholder of Declarant) shall be indemnified by the Association and every other Person serving as an employee or direct agent of the Association, or on behalf of the Association as a member of a committee or otherwise, may, in the discretion of the Board, be indemnified by the Association, against all expenses and liabilities, including without limitation, attorney's fees and other expenses reasonably incurred by or imposed upon him in connection with any proceeding to which he may be a party or in which he may become involved by reason of his being or having served in such capacity on behalf of the Association (or in the case of Declarant, by reason of having appointed, removed or controlled or failed to control members of the Board or the Association) or any settlement thereof, whether or not he is a director, officer, member of a committee or serving in such other specified capacity at the time such expenses are incurred, provided that the Board shall determine, in good faith, that such officer, director, member of any committee or other person or Declarant (and any officer, director, member, manager, principal, owner, agent, partner, or shareholder of Declarant), did not act, failed to act or refused to act with gross negligence or fraudulent or criminal intent in the performance of his duties. The foregoing rights of indemnification shall be in addition to and not exclusive of all other rights to which such persons may be entitled at law or otherwise including, but not limited to, any such insurance which may be available for such purposes.

12.3 Annexation of Additional Property. Additional real property may be annexed to and become subject to this Declaration as hereinafter set forth in this Article 12.

12.3.1 Annexations. Declarant may elect to annex additional real property to this Declaration in increments of any size whatsoever, or to annex more than one such increment at any given time and in any given order. Although Declarant shall have the ability to annex additional property as provided in this Article 12, Declarant shall not be obligated to annex any property, and any such shall not become subject to this Declaration unless and until a Supplemental Declaration shall have been recorded as herein provided, or at such later time as may be provided in the Supplemental Declaration.

12.3.2 Supplemental Declarations. A Supplemental Declaration shall be a writing in recordable form which annexes additional real property to the plan of this Declaration, and which incorporates by reference all of the provisions of this Declaration and may contain such other provisions as are set forth in this Declaration relating to Supplemental Declarations or such other provisions at the discretion of Declarant. Supplemental Declarations may contain such additions and modifications of the provisions of this Declaration as may be necessary to reflect the different character, if any, of the property being annexed and such other provisions as determined by the Declarant.

12.3.3 Annexation Without Approval of Association or Owners. Additional property may be annexed to and become subject to this Declaration and subject to the jurisdiction of the Association without the approval, assent or vote of the Association or its Members or any Unit Owners or any other Persons, except Declarant, provided that a Supplemental Declaration covering said property shall be recorded by Declarant. The recordation of said Supplemental Declaration shall constitute and effectuate the annexation of the property described therein, unless provided otherwise or unless a later effective date is specified in the Supplemental Declaration, making said real property subject to this Declaration and subject to the functions, powers and jurisdiction of the Association, and thereafter said real property shall be part of the Plat subject to this Declaration and all of the Owners of Units in the annexed property shall automatically be Owners hereunder except and as otherwise provided in such Supplemental Declaration as determined in the discretion of the Declarant.

12.3.4 Plan of Development.

(a) Declarant hereby explicitly reserves the right to expand the Condominium, without the consent of any Owner or any other Person. Neither Declarant nor any other Person has any obligation to annex any real property, or to develop any such real property in accordance with any plan or otherwise.

(b) In the event the Condominium is expanded, each Owner in any such new Phase shall become a Member of the Association and shall be entitled to exercise voting rights and shall be responsible for all expenses (Common and Special) determined in the same manner as the voting rights and liability for expenses or determined for the Owners in the original Property as provided in Article 2 and as provided otherwise herein. Upon the annexation of any property, the relative voting strength of Declarant and the Owners will change and control of the Association, even if currently vested in Owners other than Declarant at the time of the annexation of the property, may revert to the Declarant by virtue of the annexation, except as may be provided

otherwise in such Supplemental Declaration as determined by the Declarant. Upon the annexation of any property, such property shall in all respects be subject to, and the ownership and use thereof shall be governed in accordance with, all of the covenants, conditions and restrictions set forth in this Declaration except as may be provided otherwise in such Supplemental Declaration as determined by the Declarant.

ARTICLE 13
DECLARANT'S DISCLAIMER OF REPRESENTATIONS; NO COVENANTS
OR RESTRICTIONS; ZONING AND DEVELOPMENT PLAN

13.1 Declarant's Disclaimer of Representations. Notwithstanding anything to the contrary in this Declaration, Declarant makes no warranties or representations whatsoever that the plans presently envisioned for the complete development of the Plat can or will be carried out, or that any land now owned or hereinafter acquired by Declarant is or will be subject to this Declaration, or that any such land (whether or not it has been subjected to this Declaration) is and will be committed to or developed for a particular (or any) use, or that if such land is once used for a particular use, such use will continue in effect.

13.2 No Express or Implied Covenants or Restrictions. Except for the property described in Exhibit A, nothing in this Declaration shall create, or be deemed to create, any express or implied covenants or restrictions with respect to any real property which is not a part of this Condominium.

13.3 Zoning and Development Plan. Each Owner, by accepting title to a Unit and becoming an Owner, acknowledges that the development of the Property is likely to extend over many years, and agrees, so long as he is the Owner of the Unit, not to protest or otherwise object to (a) zoning or changes in zoning or to uses of, or changes in density of, the Property; (b) subdivision, development or improvement of Tract B, or (c) changes in any conceptual or development plan; provided that, in all cases, said zoning, subdivision, improvement, density, or conceptual, development plan revision is or would be lawful (including without limitation lawful by special use permit, variance or the like). The provisions of this Article 13 shall be enforceable to the extent allowed by law.

ARTICLE 14
INTENTIONALLY OMITTED

ARTICLE 15
GENERAL PROVISIONS

13.1 Enforcement. The Association may enforce the Condominium Documents in any manner provided for in the Condominium Documents or by law or in equity, including, but not limited to:

13.1.1 imposing reasonable monetary penalties after notice and an opportunity to be heard is given to the Unit Owner or other violator. A Unit Owner shall be responsible for

payment of any fine levied or imposed against a Lessee or Occupant or the Unit Owner's Unit or by any Invitee or the Unit Owner or Occupant;

13.1.2 suspending a Unit Owner's right to vote;

13.1.3 suspending any Person's right to use any facilities within the Common Elements; provided, however, nothing herein shall authorize the Board to limit ingress or egress to or from a Unit;

13.1.4 suspending any services provided by the Association to a Unit Owner or the Unit Owner's Unit if the Unit Owner is more than fifteen (15) days delinquent in paying any assessment or other charge owed to the Association;

13.1.5 exercising self-help of taking action to abate any violation of the Condominium Documents in a non-emergency situation;

13.1.6 requiring a Unit Owner, at the Unit Owner's expense, to remove any structure or Improvement on such Owner's Unit in violation of this Declaration and to restore the Unit to its previous condition and, upon failure of the Unit Owner to do so, the Board of Directors or its designee shall have the right to enter the property, remove the violation and restore the property to substantially the same condition as previously existed and any such action shall not be deemed a trespass;

13.1.7 without liability to any Person, prohibiting any contractor, subcontractor, agent, employee or other Invitee of a Unit Owner who fails to comply with the terms and provisions of the Condominium Documents from continuing or performing any further activities on the Condominium;

13.1.8 towing vehicles which are parked in violation of this Declaration or the Rules;

13.1.9 filing a suit at law or in equity to enjoin a violation of the Condominium Documents, to compel compliance with the Condominium Documents, to recover monetary penalties or money damages or to obtain such other relief as to which the Association may be entitled; and

13.1.10 recording a written notice of a violation by any Unit Owner or any restriction or provision of the Condominium Documents. The notice shall be executed and acknowledged by an officer of the Association and shall contain substantially the following information; (i) the name of the Unit Owner; (ii) the legal description of the Unit against which the notice is being recorded; (iii) a brief description of the nature of the violation; (iv) a statement that the notice is being recorded by the Association pursuant to this Declaration; and (v) a statement of the specific steps which must be taken by the Unit Owner to cure the violation. Recordation of a Notice of Violation shall serve as a notice to the Unit Owner and to any subsequent purchaser of the Unit that there is a violation of the provisions of the Condominium Documents.

13.2 Enforcement Discretion. The Association shall not be obligated to take any enforcement action if the Board of Directors determines, in its sole discretion, that because of the strength of the Association's possible defenses, the time and expense of litigation or other enforcement action, the likelihood of a result favorable to the Association, or other facts deemed relevant by the Board of Directors, enforcement action would not be appropriate or in the best interests of the Association.

13.3 Private Right of Enforcement. Any Unit Owner may enforce the Condominium Documents in any manner provided for in this Declaration or at law or in equity, except that a Unit Owner may not exercise any remedy provided to the Association by this Declaration or enforce payment of any Assessments or other amounts payable to the Association pursuant to the Condominium Documents.

13.4 Rights Cumulative. All rights and remedies of the Association under the Condominium Documents or at law or in equity are cumulative, and the exercise of one right or remedy shall not waive the Association's right to exercise another right or remedy. The failure of the Association or a Unit Owner to take enforcement action with respect to a violation of the Condominium Documents shall not constitute or be deemed a waiver of the right of the Association or any Unit Owner to enforce the provisions of the Condominium Documents in the future. If any lawsuit is filed by the Association or any Unit Owner to enforce the provisions of the Condominium Documents or in any other manner arising out of the Condominium Documents or the operations of the Association, the prevailing party in such action shall be entitled to recover from the other party all attorney fees incurred by the prevailing party in the action.

13.5 Monetary Fines. In accordance with the procedures set forth in the Bylaws, the Board of Directors shall have the right to levy reasonable monetary fines against a Unit Owner for violations of the Condominium Documents.

13.6 Severability. Invalidation of any one of the terms, covenants, conditions or restrictions by judgment or court order shall in no way affect any other provisions herein, which shall remain in full force and effect. However, if any term, covenant, condition or restriction is deemed unenforceable, then such term, covenant, condition or restriction shall be enforced to the maximum extent permitted by law and may be modified by the trier of law to enable it to be enforced to the fullest extent permitted at law and any unenforceable provision shall be deemed severed from this Declaration and this Declaration shall be construed as if such invalid or unenforceable provision were deleted from this Declaration.

13.7 Duration. The covenants and restrictions of this Declaration, as amended from time to time, shall run with the land and bind the Condominium in perpetuity unless the Condominium is terminated as provided in this Declaration or in the manner provided for in the Condominium Act.

13.8 Amendment.

15.8.1 Except in cases of amendments that may be executed by a Declarant in the exercise of its Development Rights or under A.R.S. § 33-1220, by the Association under A.R.S. §§ 33-1206 or 33-1216(D), or by certain Unit Owners under A.R.S. §§ 33-1218(B), 33-1222, 33-1223 or 33-1228(B), this Declaration may be amended only by an instrument in writing setting forth such modification or amendment and which has been approved by a vote of the Unit Owners to which at least seventy-five percent (75%) of the votes in the Association are allocated. Any amendment to this Declaration made at any time shall become effective immediately upon the recording thereof notwithstanding any other provision hereof and notwithstanding the effect of the Arizona Court of Appeals Case *Scholten v. Blackhawk Partners*, 184 Ariz. 326 (App. 1995).

15.8.2 Except to the extent expressly permitted or required by the Condominium Act or this Declaration, an amendment to the Declaration shall not create or increase Special Declarant Rights, increase the number of Units or change the boundaries of any Unit, the allocated Interest of a Unit, or the use as to which any Unit is restricted, in the absence of unanimous consent of the Unit Owners. After the expiration of the Declarant Control Period, no amendment to any provision of Section 15.15 shall be effective in the absence of the unanimous consent of the Unit Owners. In addition, no amendment to any provision of Section 15.15 shall be effective unless the amendment is approved in writing by the Declarant even if the Declarant no longer owns any Unit at the time of the amendment.

15.8.3 An amendment to the Declaration shall not terminate or decrease any unexpired Development Right, Special Declarant Right or Period of Declarant Control unless the Declarant approves the amendment in writing.

15.8.4 During the Period of Declarant Control, the Declarant shall have the right to amend the Declaration, including the Plat, to (a) comply with the Condominium Act or any other applicable law if the amendment does not adversely affect the rights of any Unit Owner, (b) correct any error or inconsistency in the Declaration if the amendment does not adversely affect the rights of any Unit Owner, (c) comply with the rules or guidelines in effect from time to time of any governmental or quasi-governmental entity or federal corporation guaranteeing or insuring mortgage loans or governing transactions involving mortgage instruments, including without limitation, the Veterans Administration, the Federal Housing Administration, the Federal National Mortgage Association or the Federal Home Loan Mortgage Corporation; or (d) comply with the rules or requirements of any federal, state or local governmental entity or agency whose approval of the Condominium, the Plat or the Condominium Documents is required by law or requested by Declarant.

15.8.5 Any amendment adopted by the Unit Owners pursuant to Subsection 15.8.1 shall be signed by the President or Vice President of the Association and shall be recorded with the County Recorder of Mohave County. Any such amendment shall certify that the amendment has been approved as required by this Section 15.8. Any amendment made by the Declarant pursuant to this Declaration or the Condominium Act shall be executed by the Declarant and shall be recorded with the County Recorder of Mohave County.

15.8.6 Notwithstanding anything herein to the contrary, but subject to the rights of the Declarant herein, this Declaration may be modified or amended by an instrument in writing

setting forth such modification or amendment, signed by Owners of Units to which not less than seventy-five percent (75%) of the interest in the Common Elements is appurtenant and such written amendment shall be acknowledged.

15.9 Binding Effect. By acceptance of a deed or by acquiring any interest in any portion of the Condominium, including a Unit, each Person, for himself, his heirs, and any Lessee, Occupant, personal representatives, successors, transferees and assigns, binds himself, his heirs, personal representatives, successors, transferees and assigns, to all of the provisions, restrictions, covenants, conditions, rules and regulations now or hereafter imposed by the Condominium Documents and any amendments thereof. In addition, each such Person by so doing thereby acknowledges that the Condominium Documents set forth a general scheme for the improvement and development of the real property covered thereby and hereby evidences his interest that all the restrictions, conditions, covenants, rules and regulations contained in the Condominium Documents shall run with the land and be binding on all subsequent and future Unit Owners, grantees, purchasers, assignees, and transferees thereof. Furthermore, each such Person fully understands and acknowledges that the Condominium Documents shall be mutually beneficial, prohibitive and enforceable by the various subsequent and future Unit Owners. Declarant, its successors, assigns and grantees, covenants and agrees that the Units and the membership in the Association and the other rights created by the Condominium Documents shall not be separated or separately conveyed, and each shall be deemed to be conveyed or encumbered with its respective Unit even though the description in the instrument of conveyance or encumbrance may refer only to the Unit.

15.10 Gender. The singular, wherever used in this Declaration, shall be construed to mean the plural when applicable, and the necessary grammatical changes required to make the provisions of this Declaration apply either to corporations or individuals, or men or women, shall in all cases be assumed as though in each case fully expressed.

15.11 Section Headings. The headings of the Articles, Sections, Subsections and paragraphs contained in this Declaration are for convenience of reference only and shall not define, limit or otherwise construe the contents of this Declaration.

15.12 Survival of Liability. The termination of membership in the Association shall not relieve or release any such former Unit Owner or Member from any liability or obligation incurred under, or in any way connected with, the Association during the period of such ownership or membership, or impair any rights or remedies which the Association may have against such former Unit Owner or Member arising out of, or in any way connected with, such ownership or membership and the covenants and obligations incident thereto.

15.13 Construction; Exhibits. In the event of any discrepancies, inconsistencies or conflicts between the provisions of this Declaration and the Articles, Bylaws or the Rules, the provisions of this Declaration shall prevail. All exhibits attached hereto or referred to herein are incorporated herein and made a part hereof.

15.14 Joint and Several Liability. In the case of joint ownership of a Unit, the liabilities and obligations of each of the joint Unit Owners set forth in, or imposed by, the Condominium Documents shall be joint and several.

15.15 Guests and Lessees. Each Unit Owner shall be responsible for compliance by such Owner's agents, Lessees, guests, Invitees, licensees, Occupants and their respective servants, agents, and employees with the provisions of the Condominium Documents. A Unit Owner's failure to insure compliance by such Persons shall be grounds for the same action available to the Association or any other Unit Owner by reason of such Unit Owner's own noncompliance.

15.16 Attorneys' Fees. In the event the Declarant, the Association or any Unit Owner employs an attorney or attorneys to enforce a lien or to collect any amounts due from a Unit Owner or to enforce compliance with or recover damages for any violation or noncompliance with the Condominium Documents or the Condominium Act, the prevailing party in any such action shall be entitled to recover from the other party reasonable costs and attorneys' fees incurred in the action.

15.17 Number of Days. In computing the number of days for purposes of any provision of the Condominium Documents, all days shall be counted including Saturdays, Sundays and holidays; provided, however, that if the final day of any time period falls on a Saturday, Sunday or legal holiday, then the final day shall be deemed to be the next day which is not a Saturday, Sunday or legal holiday.

15.18 Notice of Violation. The Association shall have the right to record a written Notice of a Violation by any Unit Owner of any restriction or provision of the Condominium Documents (herein the "Notice" or a "Notice of Violation"). The Notice shall be executed and acknowledged by an officer of the Association and shall contain substantially the following information: (i) the name of the Unit Owner; (ii) the legal description of the Unit against which the Notice is being recorded; (iii) a brief description of the nature of the violation; (iv) a statement that the Notice is being recorded by the Association pursuant to this Declaration; and (v) a statement of the specific steps which must be taken by the Unit Owner to cure the violation. Recordation of a Notice of Violation shall serve as a notice to the Unit Owner and to any subsequent purchaser of the Unit that there is a violation of the provisions of the Condominium Documents. If, after the recordation of such Notice, it is determined by the Association that the violation referred to in the Notice does not exist or that the actual violation referred to in the Notice has been cured, the Association shall record a notice of compliance which shall state the legal description of the Unit against which the Notice of Violation was recorded, the recording data of the Notice of Violation, and shall state that the violation referred to in the Notice of Violation has been cured, or if such be the case, that it did not exist ("Notice of Compliance"). Any Notice of Violation or Notice of Compliance which is recorded against any Unit must be delivered to the Owner of such Unit in the manner required by Section 15.25.

15.19 Construction Defect Dispute Notification and Resolution Procedure.

15.19.1 To the fullest extent permitted by law, all actions or claims (i) by the Association against any one or more of the Declarant Parties, (ii) by any Unit Owner(s) against

any one or more of the Declarant Parties, or (iii) by both the Association and any Unit Owner(s) against any one or more of the Declarant Parties, relating to or arising out of the Condominium, including but not limited to, the Declaration or any other Condominium Documents, the use or condition of the Condominium including the Units or any other claim of any kind by any Person against the Declarant or the design or construction of or any condition on or affecting the Condominium, including, but not limited to, construction defects, surveys, soil conditions, grading, specifications, installation of Improvements (including, but not limited to, Units) or disputes which allege negligence or other tortious conduct, breach of contract or breach of implied or express warranties as to the condition of the Condominium or any Improvements (collectively, "Disputes(s)") shall be subject to the provisions of this Section 15.19. Declarant and each Unit Owner acknowledge that the provisions set forth in this Section 15.19 shall be binding upon current and future Unit Owners of the Condominium and upon the Association, whether acting for itself or on behalf of any Unit Owner(s).

15.19.2 The Association, the Declarant, all Unit Owners, Lessees, Occupants and other Persons bound by this Declaration, and any Person not otherwise bound by this Declaration who agrees to submit to the dispute resolution procedures as set forth in this Section 15.19 (herein all such parties sometimes collectively referred to as the "parties") agree that the dispute resolution procedures set forth in this Section 15.19 shall apply to all Disputes and any other claims of any kind (herein referred to as "Disputes" or "Claims") held by the Association, the Declarant, Unit Owners, Lessees, Occupants and any other Persons against any other Person.

15.19.3 Any Person (including the Association) with a Dispute claim shall notify the Declarant in writing of the claim, which writing shall describe the nature of the claim and any proposed remedy (the "Claim Notice"). Likewise, any party who contends or alleges to have a Claim against any other party shall notify such party in writing of the Claim (herein also referred to as the "Claim Notice" setting forth the nature of the Claim, the factual and legal basis of the Claim and any other information necessary to fully and adequately appraise such party of the nature of the Claim asserted against such other party including a description of the actions which the claimant alleges to be necessary in order to resolve such party's claim.

15.19.4 Within a reasonable period after receipt of the Claim Notice, which period shall not exceed sixty (60) days, Declarant and the claimant shall meet at a mutually acceptable place within the Condominium to discuss the Claim. At such meeting or at such other mutually agreeable time, the Declarant and the Declarant's representatives shall have full access to the property that is the subject of the claim and shall have the right to conduct inspections, testing and/or destructive or invasive testing the same in a manner deemed appropriate by Declarant (provided Declarant shall repair or replace any property damaged or destroyed during such inspection or testing), which rights shall continue until such time as the Dispute is resolved as provided in this Subsection 15.19. If the Declarant elects to take any corrective action, Declarant and Declarant's representatives and agents shall be provided full access to the Condominium and the property which is the subject of the Claim to take and complete corrective action. The parties shall negotiate in good faith in an attempt to resolve the Claim.

15.19.5 Nothing set forth in Subsection 15.19 shall be construed to impose any obligation on Declarant to inspect, test, repair or replace any item of the Condominium for which

Declarant is not otherwise obligated under applicable law or any limited warranty provided by Declarant in connection with the sale of the Condominium and/or the Improvements constructed thereon. The right of Declarant to enter, inspect, test, repair and/or replace reserved hereby shall be irrevocable and may not be waived or otherwise terminated except by a writing, in recordable form executed and recorded by Declarant in the Official Records of Mohave County, Arizona.

15.19.6 The parties shall attempt to settle the Claim through negotiation. Should the parties not be successful in resolving any Dispute or Claim, within thirty (30) days after the date of the Claims Notice or such longer period as may be mutually agreed upon in writing by the parties, such Claim or Dispute shall be resolved by binding arbitration in accordance with the Commercial Arbitration Rules of the American Arbitration Association as modified or as otherwise provided in this Section 15.19. The parties shall cooperate in good faith to attempt to cause all necessary and appropriate parties to be included in the arbitration proceeding. Subject to the limitations imposed in this Section 15.19, the arbitrator shall have the authority to try all issues, whether of fact or law. If the Claim is not resolved by mutual agreement of the parties, and if such Claim and the parties are therefore subject to mandatory arbitration in accordance with this Section 15.19, the arbitration shall be conducted in accordance with the following rules:

- (a) The proceedings shall be heard in Mohave County.
- (b) A single arbitrator shall be selected in accordance with the rules of the American Arbitration Association from panels maintained by the Association with experience in relevant real estate matters or construction. The arbitrator shall not have any relationship to the parties or interest in the Condominium. The parties to the Dispute shall meet to select the arbitrator within ten (10) days after the Claim or Dispute becomes subject to mandatory arbitration as provided in this Section 15.19.
- (c) The arbitrator shall promptly commence the proceeding at the earliest convenient date in light of all of the facts and circumstances and shall conduct the proceeding without undue delay.
- (d) The arbitrator may require one or more pre-hearing conferences.
- (e) The parties shall be entitled only to limited discovery, consisting of the exchange between the parties of only the following matters: (i) witness lists; (ii) expert witness designations; (iii) expert witness reports; (iv) exhibits; (v) reports of testing or inspections of the property subject to the Dispute, including but not limited to, destructive or invasive testing; and (vi) trial briefs. The parties shall also be entitled to conduct further tests and inspections as provided in this Section 15.19. Any other discovery shall be permitted by the arbitrator upon a showing of good cause or based on the mutual agreement of the parties. The arbitrator shall oversee discovery and may enforce all discovery orders in the same manner as any trial court judge.
- (f) The arbitrator shall not have the power to award punitive or consequential damages. As further provided below, the right to punitive and consequential damages is waived by the parties. The arbitrator shall have the power to grant all other legal and equitable remedies and award compensatory damages in the proceeding.

(g) The arbitrator shall have the power to hear and dispose of motions, including motions to dismiss, motions for judgment on the pleadings and summary judgment motions, in the same manner as a trial court judge, except the arbitrator shall also have the power to adjudicate summarily issues of fact or law including the availability of remedies, whether or not the issue adjudicated could dispose of an entire cause of action or defense.

(h) The arbitrator's award may be enforced as provided for in the Uniform Arbitration Act, A.R.S. § 12-1501, et seq., or such similar law governing enforcement of awards in the Arizona Courts.
