

TWENTIETH CENTURY CLUB – NOVEMBER 2017

Editors: Jane Chapman/Cynthia Harris

Issue No. 93

From the President

We had a great lunch this month including a wonderful speaker, Mary Lee Fulkerson, who spoke of the influence of women artists in the Great Basin. We also hosted a very deserving charity, Kids Café. I continue to be amazed at the generosity of our membership. We collected close \$1,177 for Kids Café and an additional \$90.00 from the 50/50 raffle. Thank you to all who donated.

The agenda for November lunch has been changed and we will host a charity, St. Vincent's Operation Stocking Stuffer, and have a 50/50 raffle. The change was made to accommodate a rather busy December lunch. We have a very special holiday program for December. The Board is also inviting members of other organizations to the December lunch. The organizations include: National Association of Negro Business and Professional Women's Clubs, American Association of University Women, Nevada Women's History Project and Assistance League. Please reach out to members of these organizations and others with your own personal invitation. In addition to all of that, we are planning a very special surprise event. You won't want to miss it

If any of you need additional *Washoe Caregivers* from Community Foundation of Western Nevada, we can get more copies. Also, we are looking for the 1994 *TCC Centennial History and Cookbook*. If you know of any copies we can get, please let one of the Board members know.

June Bohmont passed away on September 22. June was a Life Member; she joined in 1981. June was close friends with several of our members and I know she will be missed.

Philanthropic Committee

The weather has finally changed. HOORAY!! The Philanthropic Committee is wishing our membership cooler days that definitely help with sleeping at night. Our November charity is St. Vincent's/Operation Stocking Stuffer. St. Vincent's collects donations for Christmas Stockings and distributes those stockings to children in our community who might not otherwise have something under the tree, if they have a tree at all. The Stocking Stuffer event includes food, crafts and games, a visit from Santa, and stockings filled with age appropriate toys for children between the ages of 1 – 18. We thought about our members purchasing a pre-filled stocking for \$20, but that proved to be impossible. As a result, we are asking for a monetary donation to help St. Vincent's purchase the necessary stockings and supplies to stuff them that will then be distributed at the party. Thank you for your unconditional support of TCC efforts.

In appreciation for all you do. Thank you.

PROGRAMS

In November we will be pleased to welcome Alicia Barber, PhD. Historian and writer, who will discuss "Preserving Reno's Historic Character (And Why It Matters)".

The City of Reno is experiencing rapid growth and a surge in new development. Showing examples throughout the city, from the adaptation of the 1934 downtown post office to the threatened 19th century Victorian homes on the south side of the UNR campus, Dr. Barber will explain how historic structures should play a prominent role in revitalization.

She is the author of the book Reno's Big Gamble: Image and Reputation in The Biggest Little City.
