***GENERAL OVERSEER HENRY A. TINDAL, JR.***

Esteemed UFCCM Affiliates, Clergy, Beloved Family, and Cherished Friends,

Today, we stand together in a moment of reflection and homage to celebrate the life and Ascension to Glory of our beloved General Overseer Henry A. Tindal, Jr., a truly extraordinary servant of the Most-High God and soul whose journey among us was a tapestry woven with love, wisdom, and unwavering faith and dedication. Although words can hardly encapsulate the depth of our emotions, they offer a glimpse into the remarkable life he led and the profound legacy he leaves forward.

Overseer Tindal (Bo as his loving family called him) we as a united fellowship have experienced stories of testimony from Bishop Tindal Sr., Mother Bishop that their son entered this world with a sparkle that foreshadowed the incredible person he would become. Growing up, and later in our presence, we experienced his infectious enthusiasm, boundless curiosity outside of the box, superior musical talent, powerful preaching and teaching of God's word and an inherent kindness and concern for others that set him apart. These traits were not just fleeting qualities but the very pillars of his being, shaping and affecting every path he walked upon.

As a friend and confidante, Overseer Tindal was unparalleled. His ability to listen, truly listen, and offer strong, gentle and wise advice was a gift to all who knew him. His empathy was not a mere gesture but a profound expression of his deep-seated belief in the goodness and potential of others. Although he did not entertain disrespect, he had a unique talent for making each individual feel seen, heard, and valued.

*In Tribute; we send sincere condolences to Bishop Tindal and Mother Bishop, the Tindal family, UFCCM and First Church family. He will always be my Pastor the one who guided and mentored me through ministry. Pastor keep playing those songs and lifting that hand until we meet again.*

## **MINISTRY OF COMMUNICATION**

Bishop H.D. Haywood, Sr., Chair

*“A Master of Communication at multiples levels. Knowing when-and-what to say, when-and-what play musically, when to pray, when to speak, when to listen, when to preach, and when to teach, he epitomized the scripture verse of Ecclesiastes 3:1”*

## **MEN’S MINISTRY**

Bishop Ronald S. Hobson, Chair

*A fisherman that used his skills to bring the body of Christ together. \*Understanding that different fish required different bait, for a different purpose.*

## **WOMEN’S MINISTRY**

Bishop Beverly A. DeShazer-Haywood, Chair

*A person who was humble and did not actively seek out praise or compliments, but still valued and appreciated them when they came his way. He had a modest and unassuming demeanor. He never boasted about his achievements or tried to draw attention to himself. Instead, to encourage others, he would at times downplay his own abilities and contributions. However, when someone did offer praise or compliments, he genuinely appreciated and accepted them. He recognized and valued the kind words that came his way. Overseer Tindal had an genuine admirable quality of modesty and not a trace of arrogance.*

*Thank you for receiving this Tribute from the National Ministries of the United Fellowship Of Christian Churches and Ministries.*
