POLICY SCHEDULE

Policy Schedule

The Benefit Schedule in the Policy Schedule is as shown in the Schedule of Insurance of the Certificate of Insurance provided to the certificate holder. A generalized benefit schedule is included in the Policy Schedule on page 2-A of this policy.

The Schedule of Insurance will control the:

1. benefit amounts and maximum limits;
 2. eligibility and effective date rules; and
 3. other schedule amounts and limits,
- that apply to the insured members of the Policyholder.

PREMIUMS

Initial Premium Rates

We have set the initial monthly premium rates that apply to the insurance provided by this policy. Those rates are shown in a notice given to the Policyholder with or prior to delivery of this policy. The initial premium rates are included in the Policy Schedule on page 2-A of this policy.

Change in Premium Rates

Initial Monthly Premium rates are guaranteed for 36 months. Each renewal premium is based on the premium rate(s) in effect on the date such premium becomes due. Renewal premiums depend upon the attained ages of the members of the group and increase with advancing ages.

Subject to the Rate Guarantee period shown above, the Company has the right to change premium rates on any premium due date if:

1. written notice is delivered to the Policyholder's last address on record; and
2. the change is effective at least 45 days after the date of notice.

The rate guarantee described above (the "Rate Guarantee") supersedes only those provisions appearing elsewhere in this policy that give the Company the right to change the premium rates, and then, only for the period of time stated in the Rate Guarantee. However, the Company may change the premium rates during the Rate Guarantee period:

1. if there is a change in the policy; or
2. if there is a 10% increase or decrease in the number of insured employees; or
3. if the Policyholder adds or deletes a subsidiary and/or an affiliated business entity.

The Company may also change the premium rates during the guarantee period if there has been a material misstatement in the reported experience during the pre-sale process. The Rate Guarantee in no way affects, amends or supersedes any other provision in this policy.

The Company may, upon 30 days advance notice to the Policyholder, set new premium rates to become effective on or at any time after the first policy anniversary.

Calculations and Adjustments

Premiums may be calculated by multiplying the rate times the applicable amount of insurance coverage.

If any insurance is added, increased or becomes effective after the policy is in force, the premium charges will begin:

1. the day the coverage is effective, if it is also the first day of a policy month; or if not
2. the first day of the next policy month.

For insurance that is terminated, premium charges will stop as of the first day of the next policy month.

Premiums may be calculated by any other method that both the Company and the Policyholder agree to.

Premium Payments

Premium payments are due and payable in full to a place designated by the Company or, with respect to the initial premium payment, premium payments may be made to an authorized agent of the Company.

Payment of premiums for a period before it is due will not guarantee the insurance for that period.

POLICY PROVISIONS

Entire Contract

The contract between the Company and the Policyholder consists of:

1. the Policy; and
2. the Certificate of Insurance incorporated into the Policy; and
3. the Application of the Policyholder, a copy of which is attached to and made a part of the policy when issued.

All statements made by the Policyholder, Participant Employers, and persons insured under the policy are true and complete to the best of the knowledge and belief of the person(s) making them. No statement will be used in any contest unless it is in writing and a copy of it is given to the person who made it, or to his beneficiary. All statements made by You and contained in the Group Insurance Application will be deemed representations and not warranties. No statement made by any person insured under the policy relating to his insurability shall be used in contesting the validity of the insurance with respect to which such statement was made after such insurance has been in force prior to the contest for a period of two years during such person's lifetime.

The rights of any policyholder, insured or beneficiary shall not be affected by any provision not contained in:

1. the policy, riders, endorsements or amendments signed by the policyholder and the insurer;
2. the policyholder's application attached to the policy, or
3. any individual statement submitted with the application.

Right to Examine Policy

The Policy may be returned within 31 days after receipt if the Policyholder is not satisfied for any reason. Any premium paid will then be refunded.

Incontestability

Except for non-payment of premium, the insurance provided by the policy cannot be contested after a period of 2 years from the date of issue of such insurance.

If the policy death benefit is increased after the issue date and is subject to evidence of insurability, the policy shall be contestable for 2 years from the date of increase. The new contestability period will be applicable only to applied for increases and will be applicable only to the amount of the applied for increase.

Change in The Policy

The Company may not make any change unless approved in writing by the President, a Vice President or an Assistant Vice President of the Company. No other person may change or waive any part of the policy. Any approved change shall be added to the policy in writing. However, any change must be agreed upon by the Group Policyholder before any amendment is incorporated into the Group Policy. The policyholder's written agreement will be obtained prior to any change in the policy that affects the rights of any policyholder, insured or beneficiary.

The policy may be changed, as indicated above, at any time. The consent of any insured individual is not required.

If any change to state or federal law, including but not limited to the Federal Social Security Act, affects the Company's liability under the policy, the Company may change the policy, the premiums or both. Such change:

1. will be effective as of the date of the change to the state or federal law;
2. will not be made until the Company gives the Policyholder 31 days written notice.

Right to Amend

Notwithstanding the above, after the policy has been in force for 12 months, the Company may change any or all of the provisions of this contract by notifying the Policyholder. The Company must give the Policyholder at least 31 days advance written notice of any change.

The policyholder's written agreement will be obtained prior to any change in the policy that affects the rights of any policyholder, insured or beneficiary.

Grace Period

A grace period of 31 days will be granted for the payment of each premium after the first. If premium is not paid in the grace period the policy will cease at the end of that period. The policy, on any class of insured individuals, will end before that date if you give us written notice in advance. When the policy ceases you will be liable to us for all unpaid premiums, including a pro-rata premium for any time this policy or a class of insured individuals was in force during the grace period.

Termination of Policy

Except as set forth in the Grace Period provision, this policy will cease on default of payment of premium.

The Company may also terminate the policy, or any class of insured individuals, for the following reasons by giving the Policyholder 60 days' written notice:

1. The Policyholder fails to furnish any information that the Company may reasonably require;
2. The Policyholder fails to perform any of his other obligations pertaining to this policy;

With respect to any insured dependents:

1. if they are married, or
2. they have reached the age limit.

In addition, the Company may terminate this policy on any policy anniversary after the policy has been in force for 12 months.

Certificate

The Company will give the Policyholder or Participant Employer an individual Certificate of Insurance for delivery to each insured individual. The certificate is part of the policy, and will explain the important features of the policy.

Data To Be Furnished

Insurance records will be kept to show, as to each person insured, all the data we need to administer this policy. Such records will be set up and kept by us or, if you and we so agree, by you. You will furnish us at our request, the data we need to administer the coverages and determine the premiums under this policy. If we keep the records referred to above, such data will include all the information that is required to keep those records. The data is to be furnished: 1) on our forms; or 2) on forms approved by us

Clerical errors or delays in changing our records will not deprive or give a person insurance under this policy. If a person's insurance ends but the fact is not recorded, that insurance will not continue beyond the date it would have ended in accordance with "Individual Terminations".

We will have access at reasonable times to inspect all of your records that pertain to this policy.

The Policyholder will give the Company all information the Company needs regarding matters pertaining to the insurance. At any reasonable time while the policy is in force and for 1 year after that, the Company may inspect any of the following:

1. Policyholder's documents;
2. its books; or
3. its records

that may affect the insurance or premiums of this policy.

If the Policyholder gives the Company any incorrect information, the relevant facts will be determined to establish:

1. if insurance is in effect, and
2. if it is, then for what amount.

The Company will not deprive anyone of insurance to which he is otherwise entitled or have insurance to which he is not entitled, because of any misstatement of fact by the Policyholder. Any required adjustment may be made in premiums or benefits. Adjustments to premiums or benefits based on factors other than age or sex are limited to the first two years that coverage is in force.

Trustee Policyholder

If you are a Trustee(s):

1. we are entitled to rely on the signature of one Trustee as authorized by all Trustees, provided to us in writing, in all matters concerning the policy, and
2. this policy is not subject to the terms of any trust agreement.

Amalgamated Life Insurance Company ("we", "us" "our") has issued this Rider as part of the Certificate to which it is attached. The effective date of this Rider is the Effective Date shown in the Certificate Schedule. Except as shown in this Rider, the provisions of your Certificate will prevail.
PLEASE READ THIS RIDER CAREFULLY.

WAIVER OF PREMIUM BENEFIT RIDER

Subject to the terms of this Rider, we will waive premiums for the employee's life insurance coverage when we receive proof that the Insured becomes totally disabled by injury or disease, before reaching age 60 and while this Rider is in force. We will continue to waive premiums becoming due for up to one year from the start of the disability, while the Insured remains so disabled. After that, proof of continued disability of the Insured must be given to us 3 months before each anniversary of the start of the disability. We will not deny or reduce any claim based on failure to provide timely notice if it can be shown that: (1) it was not reasonably possible to give notice within the required time; and (2) notice of claim is given as soon as reasonably possible. In no event, except in the absence of legal capacity, later than one year from the time proof is otherwise required.

Due proof of the Insured's total disability must be given to us within 12 months of the date disability began. We will not deny or reduce any claim based on failure to provide timely notice if it can be shown that: (1) it was not reasonably possible to give notice within the required time; and (2) notice of claim is given as soon as reasonably possible. In no event, except in the absence of legal capacity, later than one year from the time proof is otherwise required.

"Totally disabled" means the Insured is unable to perform any occupation for which he or she is qualified by education, training, or experience and has not received pay for any work for 9 continuous months.

"Total disability" means the complete inability, due to injury or illness, to engage in any business, occupation or employment, for which he or she is qualified or becomes qualified by reason of education, training or experience for pay, profit or compensation. Additionally, to be eligible for the Waiver of Premium benefit, the Insured must be totally disabled for 9 continuous months.

If the Insured has converted his or her group life insurance coverage while disabled, he or she must return the individual policy to us with first proof of total disability. Any premiums paid under that policy will be refunded.

While the Insured is so disabled, he or she will be covered for the amount of life insurance for which he or she was insured just before ceasing active work due to total disability. This amount is subject to reduction, if any, as shown in the Certificate.

We have the right to have the Insured examined by our medical representative when necessary, but not more than once a year after total disability has continued for two full years.

Proof that total disability lasted until the Insured's death must be given to us within one year after the date of death. Upon our receipt of that proof, we will pay the Insured's beneficiary the amount of Life Insurance for which he or she was last insured. We will not deny or reduce any claim based on failure to provide timely notice if it can be shown that: (1) it was not reasonably possible to give notice within the required time; and (2) notice of claim is given as soon as reasonably possible. In no event, except in the absence of legal capacity, later than one year from the time proof is otherwise required.

The individual's protection under the rider will end 31 days after he or she: (a) ceases to be totally disabled; or (b) fails to give required proof of continued disability; or (c) fails to submit to a health examination; or (d) he/she reaches the earlier of age 65 or the age at which he/she completed five (5) years of being on total disability or the age at which his/her normal retirement begins under his/her employer's retirement plan.

If the waiver of premium coverage is in effect on the date the group policy terminates, the coverage due to disability will continue.

When this protection ends, he or she will have the same rights as those described under the Conversion provision of this Policy, unless he or she becomes insured again under this policy by again paying premium.

If the Insured dies after his or her insurance has been converted, any amount paid under the individual policy will be deducted from the amount of group life insurance coverage due under this policy. Any premiums paid under the individual policy will be paid to the beneficiary of that policy on return of that policy to us.

GENERAL PROVISIONS

ENTIRE CONTRACT

The entire contract is made up of the policy, the application for the policy, the certificate of insurance, any enrollment form and eligibility of insurance form completed by You or an insured individual, copies of all of which are attached. Your or an insured's statements will be deemed representations and not warranties. No statement made by You or an insured shall be used in any contest of this insurance unless it is in writing signed by such person and a copy given to such person or his or her beneficiary. No statement made by any person insured under the policy relating to his insurability shall be used in contesting the validity of the insurance with respect to which such statement was made after such insurance has been in force prior to the contest for a period of two years during such person's lifetime.

The rights of any policyholder, insured or beneficiary shall not be affected by any provision not contained in:

1. the policy, riders, endorsements or amendments signed by the policyholder and the insurer;
2. the policyholder's application attached to the policy, or
3. any individual statement submitted with the application.

We will issue to the Policyholder for delivery to you, a certificate which sets forth a statement of the coverage to which you are entitled. Nothing in the group policy invalidates or impairs any rights granted to the certificate holder in the certificate and the rights and benefits granted to the certificate holder will not be less than those required by New York Insurance Law.

CHANGE IN THE POLICY

The Company may not make any change unless approved in writing by the President, a Vice President or an Assistant Vice President of the Company. No other person may change or waive any part of the policy. Any approved change shall be added to the policy in writing. However, any change must be agreed upon by the Group Policyholder before any amendment is incorporated into the Group Policy. The Policyholder's written agreement will be obtained prior to any change in the policy that affects the rights of any Policyholder, Insured or beneficiary.

The policy may be changed, as indicated above, at any time. The consent of any insured individual is not required.

If any change to state or federal law, including but not limited to the Federal Social Security Act, affects the Company's liability under the policy, the Company may change the policy, the premiums or both. Such change:

1. will be effective as of the date of the change to the state or federal law;
2. will not be made until the Company gives the Policyholder 31 days written notice.

RIGHT TO AMEND

Notwithstanding the above, after the policy has been in force for 12 months, the Company may change any or all of the provisions of this contract by notifying the Policyholder. The Company must give the Policyholder at least 31 days advance written notice of any change.

The Policyholder's written agreement will be obtained prior to any change in the policy that affects the rights of any Policyholder, Insured or beneficiary.

GRACE PERIOD

A grace period of 31 days will be granted for the payment of each premium after the first. If premium is not paid in the grace period the certificate will cease at the end of that period. The certificate will end before that date if You give Us written notice in advance. When the certificate ceases You will be liable to Us for all unpaid premiums, including a pro-rata premium.

DATA TO BE FURNISHED

Insurance records will be kept to show, as to each person insured, all the data we need to administer this policy. Such records will be set up and kept by us or, if the Policyholder and we so agree, by the Policyholder. The Policyholder will furnish us at our request, the data we need to administer the coverages and determine the premiums under this policy. If we keep the records referred to above, such data will include all the information that is required to keep those records. The data is to be furnished: 1) on our forms; or 2) on forms approved by us

Clerical errors or delays in changing our records will not deprive or give a person insurance under this policy. If a person's insurance ends but the fact is not recorded, that insurance will not continue beyond the date it would have ended in accordance with "Individual Terminations".

We will have access at reasonable times to inspect all of the Policyholder's records that pertain to this policy.

The Policyholder will give the Company all information the Company needs regarding matters pertaining to the insurance. At any reasonable time while the policy is in force and for 1 year after that, the Company may inspect any of the following:

1. Policyholder's documents;
2. its books; or
3. its records

that may affect the insurance or premiums of this policy.

If the Policyholder gives the Company any incorrect information, the relevant facts will be determined to establish:

1. if insurance is in effect, and
2. if it is, then for what amount.

The Company will not deprive anyone of insurance to which he is otherwise entitled or have insurance to which he is not entitled, because of any misstatement of fact by the Policyholder. Any required adjustment may be made in premiums or benefits. Adjustments to premiums or benefits based on factors other than age or sex are limited to the first two years that coverage is in force.

INCONTESTABILITY

This certificate will not be contested after it has been in force for two years from its Certificate effective date, except for the failure to pay premiums.

A statement made by an insured as to his or her insurability may be used to contest the validity of the insurance with respect to which the statement was made, if: 1) the statement is in writing and is signed by the insured; and 2) a copy of such statement is or has been furnished to the insured or the insured's beneficiary. Such statement may not be used to contest the validity of such insurance after it has been in force prior to the contest for two years during the lifetime of the insured.

If the policy death benefit is increased after the issue date and is subject to evidence of insurability, the policy shall be contestable for 2 years from the date of increase. The new contestability period will be applicable only to applied for increases and will be applicable only to the amount of the applied for increase.

BENEFICIARY

The beneficiary of the individual's insurance for loss of life, including those with respect to accidental death, if any, will be the person(s) named by the insured as shown on the records kept by the Company on this policy. The insured may change such beneficiary at any time by giving written notice to Us. Such change will take effect on the date the notice is signed, subject to any action taken by the Company prior to receipt of the change request. 1. spouse
2. children, equally
3. parents, equally
4. brothers and sisters, equally

Two or more beneficiaries in the same class shall share equally unless otherwise provided.

If no beneficiary survives, or no surviving relative is located, benefits will be paid in a lump sum to the insured's estate. If any benefit under the policy becomes payable to an Insured's estate then We may make payment to any person who has incurred expenses, not to exceed \$500, as a result of the Insured's last illness or death.

If any beneficiary is a minor or deemed by a court not competent to give a valid release, the death benefit due that person may be paid to a legal guardian.

Any payment We make shall discharge Us from liability to the extent of that payment. We are not obligated to see that the payment(s) is properly used.

Benefits payable under this Policy on the death of a Dependent will be paid to the Employee in one lump sum. If the Employee dies prior to the Dependent, the Company will pay the benefit to the Employee's estate.

MISSTATEMENT OF AGE

If the age of an insured has been misstated there will be a fair adjustment of premium. If the benefit for the insured is based on age, there will be an adjustment of benefit to the amount that the premium being paid would purchase at the correct age.

We have the right to require satisfactory proof of age.

ASSIGNMENT

The Insured may assign his or her rights to this policy. In addition, after the death of the Insured, the beneficiary (ies) may assign his or her rights to the benefits hereunder. Any assignment will be effective as of the date signed, subject to any action taken by the insurer prior to receipt of the assignment.

However, we will not be bound by any assignment of this policy unless:

LIFE INSURANCE

PART 1. DEATH BENEFIT

When We receive due proof of the death of an Insured Individual or Dependent who is insured under this policy for this coverage, We will pay at Our Home Office, the amount for which his or her life is insured as shown in the Schedule of Benefits. Payment will be made to the beneficiary in accordance with the terms of the policy.

DEATH BENEFIT NOT COVERED

Aviation other than as a fare paying passenger on a scheduled or charter flight operated by a scheduled airline.

PART 2. CONVERSION

An Insured Individual or Dependent may elect to buy an individual life insurance policy if his or her Life Insurance is reduced or ends because of:

1. termination of employment of the Insured;
2. termination of membership in the class(es) eligible for coverage under the policy;
3. termination of the policy;
4. attainment of a particular age (e.g. limiting age of coverage in the case of a child or any age-based reductions);
5. change in class;
6. divorce or annulment of the marriage of the employee or member;
7. amendment of the policy;
8. death of the employee.

If the reduction or termination of coverage is due to the individual's or dependent's termination of coverage due to total and permanent disability, the individual or dependent shall be entitled to buy an individual life insurance policy in any one of the forms customarily issued by the Company, including term insurance. The amount of the converted policy may not exceed the amount for which the person was covered under this Policy. In addition, the amount that may be converted may be reduced by any amount of life insurance he or she may be or may become eligible for under any group policy issued or reinstated by the same or another insurer within 45 days after the date of such termination or reduction.

No evidence of good health will be required for the converted policy. The converted policy may be on any of the forms We then issue, except term insurance. However, the person may choose to have the converted policy preceded by term insurance for not more than one year with premiums payable at the same frequency as for the conversion policy.

The person must apply to Us and pay the first premium for the converted policy. If the person is notified of the right to convert within 15 days before or after the change in Life Insurance, application must be made within 31 days of the change. Then the converted policy will take effect on the date of termination or reduction of coverage under the group policy. If the person is not notified in that 15 day period, the time to apply to Us is extended to 45 days after notice is given. If no notice is given, the time to apply to Us is extended to 90 days after the change. The converted policy will take effect on the date of termination or reduction of coverage under the group policy. The premium for the converted policy will be based on:

1. attained age,
2. class of risk under the group policy, and
3. form and amount of the policy.

The amount of the converted policy may not exceed the amount for which the person was covered under this Policy.

However, if the policyholder or the Company terminates the policy, the amount that may be converted may be reduced by any amount of life insurance he or she may be or may become eligible for under any group policy issued or reinstated by the same or another insurer within 45 days after the date of such termination or reduction.

If the person dies within 31 days after the change or any extended notice period after the change, We will pay to the beneficiary, in accord with the terms of this policy, the amount of the life insurance payable under the group policy unless the insured has made successful application for conversion.

No payment will be made if:

1. at the death of the Dependent he or she is eligible for life insurance under this policy as an Individual,
or
2. at the date of a child's death, he or she is married or has reached the age limit.

The incontestability period does not start anew, but is effective as of the date the original group policy coverage was issued.

GENERAL

Incontestability. This Rider will not be contested after it has been in force during the lifetime of the Insured for two years from its effective date.

TERMINATION OF COVERAGE

Coverage under this Rider will end on the earliest of the following events to occur:

1. Upon written request to cancel it by the group policyholder;
2. Upon termination of the group policy;
3. Upon termination of the group certificate;
4. When the Insured is no longer a member of an eligible class of insureds under the policy;
5. The date of the Insured's death;
6. Upon payment of the Accelerated Death Benefit;
7. The date the Insured turns age 65.

EXCEPTIONS AND LIMITATIONS

The benefit provided by this Rider is not meant to cause the Insured to involuntarily invade life insurance proceeds ultimately payable to the named beneficiary. The accelerated benefit will be made available on a voluntary basis only.

If the amount of term insurance in force on the Insured is scheduled to reduce because of an age related reduction, within one (1) year after the date this benefit is applied for, the maximum Accelerated Benefit will be limited to the scheduled reduced amount shown on the Certificate Schedule.

No accelerated benefit will be paid if:

1. The Insured made an absolute assignment or an irrevocable beneficiary designation of his/her group term life insurance, unless the absolute assignee or irrevocable beneficiary provides us with written consent to the acceleration;
2. The Insured's condition, illness or confinement resulted directly or indirectly from suicide or any self-inflicted injury.
3. The required group life premium is due and unpaid.

TAX CONSIDERATIONS

This rider is intended to provide an Accelerated Death Benefit that qualifies as such under the Internal Revenue Code (IRC). Tax liability for any Accelerated Death Benefit payable under this rider may depend upon a number of factors including how the Internal Revenue Service interprets applicable provisions of the IRC. The Insured should consult a tax advisor to consider any tax consequences that may arise when benefits are paid under this rider.

OTHER FINANCIAL CONSIDERATIONS

Eligibility for public funds such as Medicare, Medicaid, Social Security, Supplemental Security Income (SSI), or other government assistance programs may be affected if the Insured receives benefits under this Rider.

Amalgamated Life Insurance Company ("we", "us" "our") has issued this Rider as part of the Certificate to which it is attached. The effective date of this Rider is the Effective Date shown in the Certificate Schedule. Except as shown in this Rider, the provisions of your Certificate will prevail.

PLEASE READ THIS RIDER CAREFULLY.

WAIVER OF PREMIUM BENEFIT RIDER

Subject to the terms of this Rider, we will waive premiums for the employee's life insurance coverage when we receive proof that the Insured becomes totally disabled by injury or disease, before reaching age 60 and while this Rider is in force. We will continue to waive premiums becoming due for up to one year from the start of the disability, while the Insured remains so disabled. After that, proof of continued disability of the Insured must be given to us 3 months before each anniversary of the start of the disability. We will not deny or reduce any claim based on failure to provide timely notice if it can be shown that: (1) it was not reasonably possible to give notice within the required time; and (2) notice of claim is given as soon as reasonably possible. In no event, except in the absence of legal capacity, later than one year from the time proof is otherwise required.

Due proof of the Insured's total disability must be given to us within 12 months of the date disability began. We will not deny or reduce any claim based on failure to provide timely notice if it can be shown that: (1) it was not reasonably possible to give notice within the required time; and (2) notice of claim is given as soon as reasonably possible. In no event, except in the absence of legal capacity, later than one year from the time proof is otherwise required.

"Totally disabled" means the Insured is unable to perform any occupation for which he or she is qualified by education, training, or experience and has not received pay for any work for 9 continuous months.

"Total disability" means the complete inability, due to injury or illness, to engage in any business, occupation or employment, for which he or she is qualified or becomes qualified by reason of education, training or experience for pay, profit or compensation. Additionally, to be eligible for the Waiver of Premium benefit, the Insured must be totally disabled for 9 continuous months.

If the Insured has converted his or her group life insurance coverage while disabled, he or she must return the individual policy to us with first proof of total disability. Any premiums paid under that policy will be refunded.

While the Insured is so disabled, he or she will be covered for the amount of life insurance for which he or she was insured just before ceasing active work due to total disability. This amount is subject to reduction, if any, as shown in the Certificate.

We have the right to have the Insured examined by our medical representative when necessary, but not more than once a year after total disability has continued for two full years.

Proof that total disability lasted until the Insured's death must be given to us within one year after the date of death. Upon our receipt of that proof, we will pay the Insured's beneficiary the amount of Life Insurance for which he or she was last insured. We will not deny or reduce any claim based on failure to provide timely notice if it can be shown that: (1) it was not reasonably possible to give notice within the required time; and (2) notice of claim is given as soon as reasonably possible. In no event, except in the absence of legal capacity, later than one year from the time proof is otherwise required.

The individual's protection under the rider will end 31 days after he or she: (a) ceases to be totally disabled; or (b) fails to give required proof of continued disability; or (c) fails to submit to a health examination; or (d) he/she reaches the earlier of age 65 or the age at which he/she completed five (5) years of being on total disability or the age at which his/her normal retirement begins under his/her employer's retirement plan.

If the waiver of premium coverage is in effect on the date the group policy terminates, the coverage due to disability will continue.

When this protection ends, he or she will have the same rights as those described under the Conversion provision of this Policy, unless he or she becomes insured again under this policy by again paying premium.

If the Insured dies after his or her insurance has been converted, any amount paid under the individual policy will be deducted from the amount of group life insurance coverage due under this policy. Any premiums paid under the individual policy will be paid to the beneficiary of that policy on return of that policy to us.
