

A word from GOMA Board President, Matt Epstein:

Hopefully the hot weather and smoky conditions these past 2 months are now behind us and we can look forward to a smoke free autumn. I'm looking for the arrival of pumpkins on porches as we approach Halloween at the end of this month. We so enjoy seeing the young faces in their scary costumes as we greet them at our door.

Election Ballots for your GOMA board members are enclosed. Four of your 5 board members are up for re-election for the next 2 years. I so appreciate their commitment to serve and keep our Griffin Oaks Maintenance Association running smoothly. **Please send in your ballot with your 4th quarter dues payment by November 1st.**

We welcome interest for the 2 open board slots. It provides you an opportunity to participate in the functioning of our HOA and keep Griffin Oaks a great place to live. If you have an interest in learning more about serving on the board, send me an email at [board@Griffinoaks.org](mailto:board@Griffinoaks.org) and I'll be happy to share the role of our board and answer any questions you might have about serving.

Angela Keylock has artfully created a "trifold" handout about the Griffin Oaks Maintenance Association for distributing to the new homeowners. We have started to contact new homeowners, welcome them to our neighborhood and provide them with the trifold which describes some of the need to know information about GOMA. We hope owners who have rentals will advise us of new tenants so we may share the "trifold" with new incoming tenants.

## COMMUNITY SPOTLIGHT MEDFORD FOOD PROJECT

Have you always wanted to help feed local families in need? The Medford Food Project makes it incredibly easy. And don't let the name fool you! The Medford Food Project helps people all over the Rogue Valley easily donate food to local food banks, including in our neighborhood. You simply sign up, and the neighborhood coordinator drops off an empty green bag. Then on the second Saturday of every other month you place your bag of non-perishable food items by your door. The coordinator picks up the donations and leaves an empty green bag for next time.
