

SEND & Inclusion Policy

Seren Kids Ltd makes every effort to welcome all children regardless of any special educational needs or disability.

Parents/guardians are advised to inform the club manager of any special educational needs or disabilities prior to booking, so that they may evaluate the capacity to provide the correct care and provision for the child at the camp.

The Camp Manager is the nominated person responsible for special educational needs and disabilities on our camps. We make our facilities and settings as accessible as we possibly can, with consideration to the different activities that we offer in an attempt to make all activities available to every child within their specific age groups. Each child identified with special educational needs and/or disabilities will have his or her needs met where practically possible.

We are more than happy for any child to attend Seren Kids. We cannot however offer 1:1 supervision. We provide staffing to meet the current ratios set out in our health and safety policy. Any child who needs 1:1 supervision is still welcome to attend our camps, on condition that they bring along their own carer. That carer must have a current and clear Disclosure Barring Service (DBS) check and two references, and our HR team and camp management require a copy of that certificate and references prior to the child's commencement at camp.

If we feel that a child within our care does need some further attention regarding their educational needs and their parent or guardian has not previously identified this to us, then we will ensure that this is discussed with their parent or guardian at the earliest possible convenience. Any matter of this nature will be treated in the strictest

of confidence and where possible reasonable adjustments will be made to meet the needs of the child.

Seren Kids '*Send and inclusion policy*' shall be updated if there are any additions or changes to the current legislation. We shall ensure that we are aware of the current legislation by liaising with the appropriate agencies such as the Early Years Development and Childcare Partnership (EYDCP).

The Camp Manager and our Customer Care Team are available to discuss anything within our statement and will offer all the help they can to ensure your child has a fantastic holiday.
