PICK YOUR STUDENT OR CLASS

From find a class, select the class you'd like or pick your student and filter by days, class type, and more. Make sure you are requesting enrollment for the correct tier (for tumbling classes).

3

COMPLETE THE CHECK OUT

When you join, new members are assessed a \$50 Annual Insurance Fee (this will be re-assessed during your Athlete's anniversary month if still enrolled). Tuition is also paid.

WAIT FOR YOUR REQUEST TO BE APPROVED

If your Athlete meets the requirements of the class, we will approve your request and you're ready to go.

EXTRA INFO

- It is YOUR responsibility to drop a class when you no longer want to be enrolled. NO REFUNDS will be given for non-drops.
- Classes can only be enrolled for up to 14 days in advance. It is not possible to hold a spot longer than that for a future enrollment.
- If a class is "Waitlist Only" you can still sign up. It will add you to our list so when there is space, we can reach out and get you added in.
