STAINLESS STEEL SINKS DOUBLE BOWL 70/30

NS-70/30
(Available in 18G)

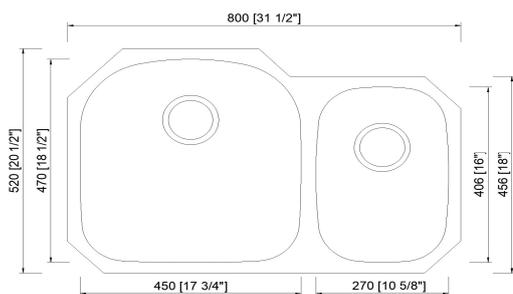

This contemporary double bowl undermount sink is constructed with 18G thickness stainless steel for reliable durability.

With one large and one small bowl (70/30) and sound deaden pads, it's not only elegant but practical too. An ideal choice for busy homes and light commercial environments, this easy to clean sinks offers a beautiful brushed stain finish that helps minimize small scratches for enduring beauty.

Long lasting quality and elegance come together in this popular double bowl sink.

Strainer and stainless steel grid available as an option.
