

Bourbon Trail

Barkdown

Thank you for attending our [2019 ASDR Bourbon Trail Barkdown](#). Every show starts with a plan, we sit around and think about what you as an exhibitor would like to see offered and what prizes we think you would like. We think about performance events and what do we have the equipment to hold.

This year we are offering **Agility**, **Nose Work** and **Trick Testing** as our performance events. Every year it is a little like Christmas when we open the boxes as they come in for the show. We enjoy hosting these shows and thank ASDR for the opportunity. Lunch will be provided free of charge to exhibitors and family members. We anticipate lunch from 12:30 until approximately 1:30 on Saturday. We will try to adhere to schedule posted as much as possible. We will be running two rings. If you are showing in both rings please be aware and try to have your dogs ready to go in.

ASDR rules will be followed for conformation events and performance events.

Our Sponsors

Thank you to our sponsors that allow us to put on what we hope to be a great show. Sponsorships allow us to buy prizes, better equipment, provide a free lunch and goes toward other show expenses. Each year we take a portion of our profits and buy items that we believe make our shows better whether it is the mats we use when on a concrete floor or the rings that we use. We have purchased agility equipment that we believe offers our exhibitors a safe piece of equipment to use and allows us to offer the agility and rally trials.
