BEAUTY THAT NEVER FADES

AUTOMOTIVE PROTECTION

A paint-protection system that utilizes proprietary ceramic technologies, System X[®] Automotive Ceramic Protection interlocks its molecular structure with the surface molecules of paintwork to literally become the functional surface of your vehicle's paintwork. The result is resistance to corrosives of all kinds — for a finish that locks in long-lasting beauty, as well as peace of mind.

The most trusted name in professional coating technologies

Application Versatility

System X[®] products are specifically formulated to enable application on virtually all dirt and corrosion-prone surfaces of your car. That means powerful protection for everything from steel and aluminum to leather, vinyl, fabric, and glass.

Long-Lasting Beauty with Minimal Maintenance

The unique formula of System X[®] locks in long-lasting beauty with ultra-clean surfaces and gloss retention. The result? Greatly reduced time and expenses related to ongoing care and maintenance.

UV Ray Protection

The sun is relentless in its assault on your automobile's appearance. System X[®] provides maximum UV ray protection for paint, to prevent unsightly damage associated with aging and fading colors.

Protection from Harmful Corrosives

From salt to sand, exhaust fumes, pollutants, insect contaminants, moisture and UV rays, your automobile is vulnerable to element-related corrosion. In bonding to the substrate, System X[®] provides a semi-permanent ceramic coating that won't wash off like wax, polish or sealant — ensuring years of paint protection.

GLASS

CERAMIC GLASS COATING

System X Glass™ coating protects your windshield, windscreen, windows, mirrors, glass headlamps, and other glass surfaces from micro scratches while multiplying the surface's hydrophobic properties for a two full years. System X Glass™ keeps surfaces cleaner and clearer while improving driver visibility.

INTERIOR

CARPET, FABRIC, LEATHER & VINYL

System X Interior™ creates a high-tech ultra hydrophobic protective barrier. Based on advanced nanotechnology to protect your interior - fabric seats, carpet, leather, and vinyl. Spills and stains clean up easily. System X Interior™ protects while retaining your natural look and feel.

REVIVE

CERAMIC NANO COATING

System X Revive™ brings plastics and trims back to life and protects from future UV fading. Revive™ acts just like our other ceramics, providing ultra-hydrophobic properties and protection. This product is known to bring out the deepest black of factory trim and vehicle plastics.

DIAMOND^{SS}

CERAMIC NANO COATING

Lifetime Warranty - 9H+

Industry-leading, System X Diamond Super Slick™ provides paint protection with previously unachievable levels of gloss, durability, and chemical resistance. Black will appear deeper; red will pop with bright reflections; white and silver will appear as if dipped in glass. System X[®] acts as a second clear coat bonded with the paint's molecular structure that provides increased protection against the elements.

PRO

CERAMIC NANO COATING

6-Year Warranty - 9H+

A revolutionary advance in paint-protection, System X Pro™ Ceramic Coating imparts a durable, color enhancing gloss that protects exterior surfaces including paint, metal, exhaust, stainless steel, and wheels.

XTREME^{SS}

SUPER SLICK CERAMIC COATING

System X, Xtreme Super Slick™ is a highly durable and resistant coating perfect for wheels and brake calipers. This high heat, salt, UV, and alkali resistant coating is our best performer in the toughest of conditions. Its super-slick properties complement it's extreme protection and enhanced gloss and shine.
