building a stronger community

# A NONPROFIT ORGANIZATION DEDICATED TO HELPING YOU

Founded in 2018; we are a collaborative coalition that looks at a variety of data to determine how we can build a stronger, healthier, and more inclusive community. All community members are welcome and encouraged to be a part of this monumental movement.

Contact us if you would like to attend our monthly meeting (3rd Tuesday of each month from 9-10am). We are also looking for people to be part of our committees: community outreach and public relations, data/resources assessment and evaluation, youth committee, and funding.

Have limited time, but still want to support us? Share this brochure with others. Go like us on social media and share our posts. Buy a t-shirt from our website. We also accept donations.
