## **CORPORATE PROFILE**

The StanMach Group has been in business for over 7 decades and the roots for the organization were laid from our association with the Graphic Arts industry in India, since inception.

Over the years, we have diversified into the Packaging, Food Processing and Confectionery/ Chocolate industries. We offer a full gamut of solutions catering to the needs of customers from the above verticals.

Today, we exclusively represent some of the leading manufacturers of machinery, equipment and consumables for the above mentioned industries from across the globe.

Our clients range from leading Convertors, Commercial Printers, Publishers & Newspapers to Confectionery, Chocolate and Snack Food manufacturers.

The group employs people with a wide variety of skill sets including engineers, technicians and business majors. With a pan India presence, we have a strong distribution, retail and marketing base; managed by a team of dedicated professionals.

To supplement the above businesses, we have in place dedicated infrastructure and support facilities with adequate resources, honed with valuable insights from our clients, business partners and team members.
