Dear friends,

I would like to thank our sponsors and players for such a successful event last year. Your generosity has made a difference.

We would like to continue to build on that success. On June 7, 2024, we will be holding our 18<sup>th</sup> Marines Helping Heroes Charity Golf Tournament. Once again, the Anne Arundel County Detachment and the Marines Helping Heroes Foundation will co-host the event at the Walden Country Club in Crofton, MD.

Through the previous 17 events, our joint fundraising efforts have raised over \$175,000 that directly benefited combat wounded servicemen and veterans. We are very proud of what we have accomplished. As we mark our 18<sup>th</sup> event, we remain committed to this important cause and with your help and support we will have continued success.

In 2018, the Marines Helping Heroes Foundation, Inc. was established as an IRS 501(c)3 not for profit charitable organization. Under this new banner, the tournament's proceeds will continue to directly benefit the Semper Fi & America's Fund and TreatNOW. These two great organizations work with our active-duty military and veterans suffering from traumatic brain injuries (TBI) and post-traumatic stress (PTSD). We are pleased to have them as partners.

The Semper Fi & America's Fund, <https://semperfund.org/> was established in 2004 by Marine Corps spouses. It provides lifetime support to post-9/11 wounded, critically ill, and injured members of all branches of the US Armed Forces. The fund provides education and support for those with PTSD and TBI.

The TreatNOW Coalition, <http://treatnow.org/> was created to identify and treat veterans and others suffering from TBI and PTSD. These brain damaging injuries have been directly linked to the veteran suicide epidemic of 22 lost servicemen each day. The wounds and scars may not be visible, but the injuries are real. These brave men and women need our help. We are asking for yours.

So, save the date and come join us. In addition to participating as a golfer, there are many other ways you or your organization can contribute to this worthy cause.
