

TIDEWATER WINDS CONCERT BAND

*An Italian
Summer
2022*

Tidewater Winds

Who We Are

Tidewater Winds Concert Band is comprised of 60 talented woodwind, brass, and percussion musicians from across the Hampton Roads Virginia region representing various military branches, careers, academia, college bands, and orchestras. Tidewater Winds is one of a handful of Concert Bands like it in the country, preserving the unique heritage of American Concert Bands. Within the Concert Band are several smaller ensembles performing community outreach and educational programs.

Our Mission

The Mission of Tidewater Winds is to provide quality concert band programming in the Hampton Roads region. Through community partnerships and local initiatives, Tidewater Winds works to provide musical performances, special projects, and educational programming at the highest level of excellence. It is our charge to musically serve the Hampton Roads region while offering equity and inclusion to all audiences. We aim to encourage education, socialization, and unity through our musical programs.

Maestro John Brewington

Dear Friends,

It is with immense pleasure that I welcome you to Tidewater Winds' exciting 2022 season. We are an intergenerational, multicultural ensemble made up of adult professionals, college students, retirees, and talented high schoolers from all occupations and professions - and from around the world! Each summer we come together and work collaboratively to create something beautiful and meaningful for you. I love bringing to life new works, arranging music for our guest artists, and developing programs from all forms of literature to bring you concerts that will delight challenge, and most of all, entertain you! If this is your first time with us, bring a friend next time.

This and every summer we are privileged to share great music with you at multiple venues throughout Hampton Roads. We open our concert season with local talent, Frank Cubillo of "Frank sings Frank." We are so excited to perform with Frank once again in a new program for 2022. We going to feature arrangements from Nelson Riddle and Count Basie, Neal Hefti, and Billy May. Who knows, you might just find yourself Swinging on a Star! This show is all Frank with the great Tidewater Winds Big Band. Then our concert band season opens with "Kings, Queens, Counts, Dukes, and Thieves." This program will feature the music of royalty, including Crown Imperial, music from the King and I, Hamilton, the Lion King, Robin Hood, and much more! Our second week of concert band programs is "The Italian Connection," leave the gun and take the cannoli! We have music from such Italian greats as Verdi, Rossini, and Respighi and will feature trumpet soloist Robyn Card, in a theme and variations arrangement of the popular Neapolitan song "Finiculi, Finicula". Additionally, we will feature music from "The God Father" as it is the 50th anniversary of this movie franchise. Our final week of programs features the brilliance that was Leonard Bernstein in a "Bernstein Tribute." The winds will perform favorites from Bernstein's most popular works including, On the Town, West Side Story, and his Candide Overture, and a wonderful ballad from the Bernstein "Mass."

We are proud of the artistic excellence from each of our musicians each week, the dedication of our board, and the support from you, our audience, who have allowed the Tidewater Winds to enrich and entertain the Hampton Roads community for more than three decades. I remain committed to you and thank you to those who continue to support us with your presence and financial support. Please continue to encourage your family and friends to discover the wonderful concerts we have to offer.

Musically Yours, John

Remembering Stuart

Stuart Cake is remembered fondly by the family of Tidewater Winds. His spirit of giving and joy continues to inspire our work and guide our vision.

May that same love carry you always!

IN MEMORY of Bill "Bish"

Bishop 4/27/1935 - 11/28/2021

Bish was a life-long devoted fan of Frank Sinatra's music and cherished the Tidewater Winds Concert Band and all their performances. He was "over the moon" when asked to perform with them by Frank Cubillo and Maestro Brewington at the Sandler Center in April of 2018 in a concert titled: "Sunday with Sinatra and Friends". We dedicate these concerts this week to his memory. Rest in Peace, Bish, "The Best Is Yet To Come".

Education in the Winds

The RiME Project

Tidewater Winds' newest educational project will debut in the spring of 2023. An outdoor sneak-peak family concert was performed at 24th Street Stage this past spring with support from IMGoing. RiME, or Reading in Music Education, is more than a student matinee. It is an in-school literacy support program meant to inspire the joy of reading while enhancing students' knowledge of musical concepts. Children will be rebuilding their outreach socialization skills after the pandemic shutdown by attending our mainstage concert at Sandler Center for the Arts. Literacy and musical learning co-exist in this powerful new series.

The award goes to a young person offering support for their community, investment in the Winds community, and involvement in volunteer work that betters humanity and the world around us.

One award recipient will be announced annually.
