Message from Secretary

I would like to thank the Area for having enough confidence in me to allow me to serve. I will do my best to provide you all with accurate and up to date information. Of course, I can only do what I can. This means that I would need the help of the GSR's to have forms and other tools for collecting information, filled out and submitted by the close of Area business. If you have any input on how to better format the forms to suit your needs, please share it with me. I can't, we can...

Again, our Area is very wide spread and it is through the Area Service Meeting that we get to find out what is happening with other groups within our area. I am trying to compile a list of anniversaries and events to attach with the G.S.R. report, so that we can all be aware for celebration of clean time and recovery that is happening in the Open Arms Area. If you know of celebrants in your group that will be celebrating in the following month, please include it. Please remember to include any information that you want to go into the report.

Thank you so much for allowing me to serve.

In loving service,

Liana R.

met for the first time on 1/4/15
at the former chair persons home. There
were 4 addicts in attendance. We
were briefed by the past web chair
who filled us in on passwords for the
old current site and discussion ensued
about creating a new site that would
be more effective in carrying the message to
the addict that still suffers. Work had already
begun on a framework that included automated
updates from the regional website so as to
minimize the data entry work. In addition
discussion about getting a new domain and changing
over to the new site when complete. No timetable
has been set. It is a work in progress and

Changes would be the ability to update the site
by sub committee chair people and a bulletin
