	Treasurer:	Craig F.	516-410-4460	craig.f@live.com
	Co- Treasurer:	Open		

Robin could not be here so Steve is filling in.

Secretary Report: Previous months minutes read by Lauren – copies were distributed and reviewed.

Motion to accept by Derek seconded by Laura

Treasurer Report: Treasurer's report was distributed and reviewed by Craig F.

Craig – the highlighted checks 1448 hasn't been cashed yet but I counted it against the balance. The check for helpline, I accidentally shorted them by \$10 and that resulted in a late fee. There is a \$2 fee for them to print a statement so I just print them at home. I called NY region and spoke with the young lady who takes care of literature and I explained to her that we had to make outstanding payments and we had to pay our insurance so I asked her if she could wait for check on shipping. I also met up with James and we're going to work on the literature because we're spending more than we're buying and we are going to get that under control. If anyone has any suggestions on how we could get our money up, speak to Steve please. I know E&A does their fundraiser but we may have to do our own fundraiser. After insurance and all the back owed literature, that totaled to about \$3000 so it really brought us down. So until we get to our prudent reserve and we're able to pay our bills out too, I can't send any money to region. I'm looking for a co-treasurer! I don't mind doing it but I would like some help.

Steve – one way to raise money is to let your homegroup know about the event this Friday!

Motion to accept by Mark H. and seconded by Jim

Policy and Procedure: John (please see attached report)

Motion to accept by Jim seconded by Kenny

OLD BUSINESS:

OPEN POSITIONS:

Co-Secretary(2yrs clean time), Co-Treasurer(5yrs clean time), Helpline, Alt. RCM

No nominations or volunteers.

Steve – take it back to your groups, those positions are open and all will be open in June!

NEW BUSINESS:

Steve – 1 new motion was made by Wanda that I was told was already in policy so it does not need to be discussed

Motion #1

Motion Maker: Liana

Seconded: Lexi

Motion: To hold an area convention in 2019

Intent: To promote unity within the area and celebrate recovery. Many newcomers are coming in and need to get excited about recovery. Many members need to get reignited about recovery. This will draw in members to do service in the area and have an opportunity to get involved on every level.

Liana – during the last convention there was a lot of distention that happened during that time and basically a good thing that came out of it was that all of a sudden everybody got involved in area again. The convention did make money for the area, quite a bit of money and it was positive and we learned and grew a lot. Now we have a lot of new members that have come in since that time and I've talked to a lot of them and they are young and excited about recovery and they want to get involved. My understanding was that the last argument was that the area positions weren't being filled and not enough members are getting involved in service. But if you invite the area to get involved in a convention on any level people get excited and want to start showing up and get involved. We could sit here and complain all night that not enough people are getting involved in service. But we need to do something to make changes.

Steve – please bare with me, this is my first time and I was dreading a motion that would cause discussion. This how we'll do it, we need 2 pros and 2 cons and then you can bring it back to your groups. Next month if we decide to move forward with the convention we will have an ad hoc committee started.

Joey – here's a pro, first of all the convention is a subcommittee that is accepted at area. You can't force people to do service so not having a convention because people aren't doing area service is null and void. With that being said, if we have members who are able to form an ad hoc committee and give a report each month. The first convention we had was one of the best and people said we put on a hell of a convention. At the end of the day open arms area not having filled positions has no bearing on a convention.

Marty – I believe that the convention committee would not be an ad hoc committee. I believe it's in the policy somewhere to have a convention committee. If it's an ad hoc then the chair person appoints a chair person and that's not the way it should be.

Steve – well next week Robin will work it. Thank you for that.

Kenny – I got a pro, like she said there's a lot of young people in recovery and I personally know a lot of young people in recovery that have multiple years and I've talked to many people before we came here and 90% of them are on board and want to do something more around here. A little karaoke going on and this going on, people want more. That's what this is about, move forward and keeping it going. And like Liana said, having this convention will bring more service. Sometimes there's not enough in a group or in e&a. So personally as a new comer, not a new comber but a young person in recover with multiple years I would love to do it.

Ray – I don't know if this is a pro or a con but I remember the last convention we had an the animosity and the division it cause and that's because at the end they wanted to throw a give back. And the DJ came and said he was going to do it for free and then he ended up getting paid and they came and said they didn't want to give the money back and they spent the money willfully. Now we are trusted servants, we don't get paid, there is no give back. We do service willingly so if we're going to do this we can't have a give back, people can't house the money, they can't take their will back and force it upon the area like they did. I remember the animosity and we haven't have a convention since. I think it's a great idea if we do it right.

Lexi – there was animosity before the give back, long before. It was crazy the whole time.

Laura – point of information, with the first convention we ran in to the issue of the money and accounting. We didn't want to get in trouble with all the money and we dove and hid with that but there was another area right around that time who got caught making money on a convention and not paying taxes. We had no idea what to do about the money and paying taxes and accounting so someone needs to know.

Joey – it's in the minutes, we spoke to a lawyer and that problem was corrected.

Craig – yes and I have the minutes of everything the lawyer found. I'll put it up here if you want to read it and the lawyer gave us his expertise.

Steve – okay guys we have our pros and cons, bring it back to your groups and discuss it with your groups and be prepared next month to come and vote on it. If we form a committee to pursue, we'll address all these issues.

Motion went back to groups.

Policy and Procedure Committee Report.....April, 2017

Policy and procedures did not meet this month quite frankly because none of the members were able to attend..... I did complete the review of old minutes and policies and have a sheet of changes to submit for informational purposes.

RATHER THAN TO TAKE UP ½ THIS MEETING GOING LINE ITEM FOR ITEM, I'D LIKE TO TRY POSTING A COPY OF THE PROPOSED UPDATED AND REVISED POLICY ON THE WEBSITE AND ALLOW MEMBERS TO REVIEW THEM AT THEIR LEISURE.

I WILL BE HAPPY TO TAKE CALLS AND ANSWER QUESTIONS BUT ALL DECISIONS NEED TO COME THROUGH THE ASC MEETING

All changes will be highlighted in red on the proposed copy and are items that were either accidentally removed or items that never made it to the policy such as: new business for Months when the ASC had no secretary or minutes published...These changes as well as the updated policy will be available for review on the website within a week or so. Although we do not need to vote on each item, since everything in there has already passed area conscience, I will be calling for a general approval next month in the form of a motion..SO PLEASE, TAKE THE TIME TO GO ONLINE AND REVIEW THE POLICY....if there are any items that need clarification or discussion, They should be brought up by GSR's as a redress in Old Business portion of May meeting and we'll get a new conscience on them.

Lastly, I would again like to say that if we're going to work hard on getting this detailed policy and procedures completed and approved, It is worthless if each trusted servant doesn't take the time to become familiar with both our ASC policy and the guide to local service in NA, whichever chapters pertain to their commitment.

In Loving service,

John M
