Dear Client,

Thank you for the privilege of allowing us to provide you with year-round tax services. We are committed to providing you the highest quality of tax preparation and excellent service. This engagement letter expresses the terms and conditions under which we will provide you with tax services, and it outlines each of our responsibilities.

We will prepare your 2023 Federal Tax Return and any required State Income Tax Returns in accordance with appropriate tax laws and regulations. You are responsible for informing us if you have a tax filing requirement in any state. Your returns will be prepared solely from the information provided by you! Bookkeeping Plus, Inc. will use due diligence in collecting information but will not audit the client's books or records to verify its accuracy. As your tax professional, we will use the information you provide and will apply the tax law to the best of our ability to provide a true and correct tax return. To timely file your tax returns, we need all required information no later than 15 days before your due date. You may be required to request an extension if we do not receive all required information by the above date. We do not file extensions automatically. If you want us to request an extension, you must notify us no later than 15 days before your due date. Please note that an extension is an extension of time to file the return and not an extension to pay taxes due. Additional charges may also be assessed when information necessary to complete the preparation of the tax return is not submitted at least 15 days before a filing deadline.

Payment of services will be due at the completion of the return. A retainer may be collected before any work begins. Payment must be made in full before the return is signed and released for filing. Fees are based on the number of documents, forms required, and the time required to complete your return. Additional charges may include, but are not limited to, research basis of stocks/bonds or investments, multi-state returns filed, accounting for an entire year, tax consultation for estimates, and preparation of amended returns for prior years. Upon preparation of your return and the return or your records our engagement will be complete regarding this matter. However, we will be pleased to assist you with future matters. If your return is later selected for examination, we will be pleased to assist you upon your request for an additional fee.

The client at any time can terminate the relationship with Bookkeeping Plus, Inc. If Bookkeeping Plus, Inc. has performed significant work towards preparation of the return, the client is responsible for paying a fee for the time that was invested in the return. This will be charged at an hourly rate of \$175 with the minimum fee being \$100. In case of termination, any retainer will be forfeited to Bookkeeping Plus, Inc.

Bookkeeping Plus, Inc. stands behind the work that we do and expects clients to contact us first if errors are discovered either by the taxpayer or by taxing agencies. Bookkeeping Plus, Inc. will use all proper and regular remedies to correct errors and omissions caused by Bookkeeping Plus, Inc. Bookkeeping Plus, Inc. will not charge for corrections made, and we will pay appropriate penalties and interest if we are at fault. However, we are not responsible for any taxes owed.

Bookkeeping Plus, Inc. will retain copies of the records you supplied to us along with our work papers for a period of 5 years. After 5 years our workpapers and records may be destroyed. All your original records will be returned to you at the end of this engagement. You should keep all original documents, canceled checks and other data that supports your reported income and deductions in secure storage for seven years. These records may be necessary to prove accuracy and completeness of the returns to a taxing authority.

Please review your return(s) or any other form we have prepared for you carefully before signing and filing them. If you have any questions, please contact us. Thank you for allowing us to serve you. We greatly appreciate your business! This engagement letter will be in effect for one year from the date signed unless the agreement is terminated or amended in writing by the taxpayer or preparer.
